Heart Fitz Carter,2020-12-21 It is easy to think about our hearts when feeling short winded or trying to catch our breath According to the Mayo Clinic a normal resting heart rate is approximately 60 to 100 beats per minute When postured in a resting position we often do not think about our hearts and how vital it is to the entire body But even when we are sleeping our physical hearts are ensuring that the body heals as its organs are kept functioning The heart is also the primary agent wherein the spiritual essence of who we are resides and from it flows our thoughts behaviors and speech Thus the heart is the catalyst that cradles the human spirit making it the main reason why God seeks a relationship with the heart of mankind The Lord's desire is to write His covenants on the tablets of our hearts and to create a hunger for godliness in our spirits These short devotionals are designed to challenge our spirits to focus on the heart of God as He longs for the heart of man In this hectic world they are a brief pause of meditation and reflection to examine how God's heart responds in real time situations May your spirit be renewed to a deepening awareness of the attributes of God as He reminds us that it is what's between our arms that matters most You may have tattooed your arm hand leg or neck But I pray that this book will challenge you to allow God to inscribe to tattoo on a place where no one can see yet all the world will view **Convict**

Tattoos Simon Barnard, 2016-08-29 At least thirty seven per cent of male convicts and fifteen per cent of female convicts were tattooed by the time they arrived in the penal colonies making Australians quite possibly the world's most heavily tattooed English speaking people of the nineteenth century Each convict's details including their tattoos were recorded when they disembarked providing an extensive physical account of Australia's convict men and women Simon Barnard has meticulously combed through those records to reveal a rich pictorial history *Convict Tattoos* explores various aspects of tattooing from the symbolism of tattoo motifs to inking methods from their use as means of identification and control to expressions of individualism and defiance providing a fascinating glimpse of the lives of the people behind the records Simon Barnard was born and grew up in Launceston He spent a lot of time in the bush as a boy which led to an interest in Tasmanian history He is a writer, illustrator and collector of colonial artifacts He now lives in Melbourne He won the Eve Pownall Award for Information Books in the 2015 Children's Book Council of Australia's Book of the Year awards for his first book *A-Z of Convicts in Van Diemen's Land* *Convict Tattoos* is his second book The early years of penal settlement have been recounted many times yet *Convict Tattoos* genuinely breaks new ground by examining a common if neglected feature of convict culture found among both male and female prisoners Australian This niche subject has proved fertile ground for Barnard who is ink free by providing a glimpse into the lives of the people behind the historical records revealing something of their thoughts, feelings and experiences *Mercury* The best thing to happen in Australian tattoo history since Cook landed Australia must have for any tattoo historian Brett Stewart Australian Tattoo Museum

Probing the Skin Dirk Vanderbeke, Caroline Rosenthal, 2015-02-05 Adopting an interdisciplinary approach this volume explores representations of skin in literature, art, art history, visual media and medicine and its history The essays collected here probe the symbolic potential of skin as a shifting sign in various historical and cultural contexts and also examine the material and organic properties of the body's largest organ They deal with skin as a sensual organ, as an interface or contact zone, as the visual marker of identity and as a lieu de memoire in different periods and media In its material characteristics skin is regarded as a medium, a canvas, a surface and an object of both artistic and medical investigations The contributions investigate representations of skin in sculpture, painting, film and fiction, as well as non-fictional texts from the 16th century to the present The topics addressed here include the problematic representation of racial identity via skin colour in various media, the sensual qualities of the skin such as smell or taste, the form and function of tattoos as markers of personal as well as collective identity and scars as signifiers of personal pain and collective suffering

Tattoos in American Visual Culture M. Fenske, 2007-11-26 In analyses of tattoo contests, advertising and modern primitive photographs the book shows how images of tattooed bodies communicate and disrupt notions of gender, class and exoticism through their discursive performances Fenske suggests working within dominant discourse to represent and subvert oppressive gender and class evaluations

Saying I Do has never been such a mess. Marlee Medford just got dumped. Yes, things have become humdrum in her longtime relationship, but she was two days away from walking down the aisle with the man she thought was her forever when he called it off. Convinced herself that they'd be able to reignite their spark once the wedding craziness settled. That was easy. Suddenly finding herself without a fiancé. Not so much. Marlee needs to regain control of her life, and a weekend away with her friends is a solid first step. One of Denver's best up-and-coming chefs, perpetual bachelor Eli Howard, isn't into serious relationships, especially the kind that ends in marriage. As if to prove his point that they aren't worth the trouble, the wedding he was supposed to be catering just fell apart. Feeling oddly protective of the jilted bride, his little sister's best friend, his weekend plans now involve a trip to Sin City with her group of friends. But it looks like he had a bit too much fun in Vegas when he wakes up: married. Wedding night included. Marlee's attempts at getting her life back together are failing miserably. Her ex-fiancé is taking the house, her Chihuahua is intent on a love affair with Eli's sneakers, and she's now accidentally hitched to the guy who can't even say the word marriage. With their quickie annulment denied, Eli and Marlee just have to hang tight until the divorce goes through. It's just a little divorce amongst friends, what's the worst that could happen? *Take It Off the Menu* is book three of the Mile High Matched series but stands alone and can be read in any order. If you love a hunky caterer and an accidental marriage, then this book is for you. Buy now for a fun friends-to-lovers romance.

Robin in the Hood Diane J. Reed, 2012-12-12

Is it any wonder I became a bank robber? But she never dreamed she'd fall in love. Wealthy high school student Robin McArthur thinks she has it all figured out when it comes to bilking her workaholic dad for guilt money as a substitute for his genuine affection. Until one day he suffers a stroke, and she learns the brutal truth. They're broke. Her stepmom has skipped the country. And everyone from bankers to bookies has lined up in her dad's hospital room to collect on the millions he's racked up in debt. Panicked and desperate, Robin figures she has two choices: either surrender to the pestering caseworker and live in a skanky foster home, or take a chance and sneak her dad out of the hospital to make a run for it. Little does she know that stealing a car and hitting the road means that before the day is through, she will rob her first bank. Now an outlaw, Robin finds a backwoods trailer park to hide her dad from authorities. There she encounters Creek, a local bad boy who also commits crimes to provide for their motley neighbors. Realizing she could use Creek's help, Robin proposes an ingenious plan: they should team up to rob banks together. But when their partnership leads to a magical romance that turns Robin's whole world upside down, she soon begins to discover that people are more precious than pocketbooks, and real love means opening your heart to the kinds of treasures money can't buy. *Robin in the Hood* is Book 1 in the Robbin Hearts Series. Robbin Hearts Series: A mature young adult/new adult series of adventure and romance that is sure to steal hearts. Readership is advised for ages 17.
