Sins of the Fathers Bishop Kevin Foreman, 2014-08-26 This book is a must have for every believer The Bible teaches that there are three kinds of sin Sin to miss the mark Transgression to willingly disobey God and Iniquity which is generational sin that s been passed down The Bible says that the iniquity of the fathers would be passed down to the third and fourth generations When you become a Christian your spirit is baptized into a new family but your flesh can still operate under the generational curses of your bloodline In this book Bishop Foreman lays the ground work to understanding what a generational curse is and how they can effect believers that are unaware of them 90% of the issues that most people deal with are related to their father or the absence thereof The enemy has strategically removed the fathers out of many homes because children receive their identity from their father Why has the enemy devoted so much time trying to hinder your family It s not because you all are so messed up it s because there s so much destiny and purpose in them that he wants to stop If you don t interrupt the generational curses that have been operating in your life you could end up rejecting your destiny We ll identify the familiar spirits or certain patterns of behavior that are common to certain families Bishop deals with discerning and destroying those destructive spirits that have been operating in your family and when you finish this book you will be fully equipped to identify battle and overcome every generational curse in your bloodline It s time to stop blocking the blessing God made up His mind about you He s blessed you and He won t take it back Find out what the blessing is and how to see it manifest in your life now There s a generational blessing stored up in your bloodline and learn how to access it with this riveting ground breaking and intentionally shocking book *Sins of the Fathers* Bishop Kevin Foreman, 2020-09-08 This book is a must have for every believer The Bible teaches that there are three kinds of sin Sin to miss the mark Transgression to willingly disobey God and Iniquity which is generational sin that s been passed down The Bible says that the iniquity of the fathers would be passed down to the third and fourth generations When you become a Christian your spirit is baptized into a new family but your flesh can still operate under the generational curses of your bloodline In this book Bishop Foreman lays the groundwork to understanding what a generational curse is and how they can affect believers that are unaware of them 90% of the issues that most people deal with are related to their father or

The Preacher's Complete Homiletical Commentary on the Old Testament: Kings ,1892 **Sins of the Fathers** Ricki Goral,2011-03 For many life can be a painful and very confusing journey especially if we as believers do not understand all that Christ purchased for us on Calvary So many believers are caught up in behaviors and lifestyle patterns that do not glorify God They struggle wanting to change and trying to change Yet as hard as they may try to change their habits and lifestyle patterns they fail miserably This brings confusion and disappointment and a feeling that perhaps they just don t measure up or don t have what it takes to be all that they desire to be in their life for Christ However there are so many things at work that need to be looked at One of these things is iniquity Generational sin generational curses and attending spirits wreak havoc in the lives of believers and very often no one seems to notice Generally people just accept these behavior patterns as a part of their personality or character and say things like Well the whole family is like that They fail to see what is at work in their personal life and the lives of their families But Jesus died to set the captives free It is out of my own experiences that I write this book in hopes that others will find the freedom I found in Christ The Parker Society for the Publication of the Works of the Fathers and Early Writers of the Reformed English Church Parker Society (Great Britain),1844 **A homiletic commentary on the Book of the prophet Ezekiel.
