Sir Winston The War Years:

Sir Winston Churchill, 2005 Features highlights of major speeches given by the British prime minister Sir Winston Churchill **Information Division** British Information Services, 1965 **Britain, Palestine and Empire: The Mandate Years** Rory Miller, 2016-04-15 In 1948 Britain withdrew from Palestine bringing to an end its 30 years of rule in the territory What followed has been well documented and is perhaps one of the most intractable problems of the post imperial age However the long standing connection between Britain and Palestine before May 1948 is also a fascinating story This volume takes a fresh look at the years of the British mandate for Palestine its politics economics and culture Contributors address themes such as religion mandatory administration economic development policy and counter insurgency violence art and culture and decolonization This book will be valuable to scholars of the British mandate but also more broadly to those interested in imperial history and the history of the West s involvement in the Middle East Congressional Record United States. Congress, 1973 Working with Winston Cita Stelzer, 2019-05-14 An original and insightful look at Winston Churchill through the eyes of those who knew him best the women who worked with him throughout his life All politicians adopt a public persona that they believe contributes to electoral success Though they might reflect the character of the politician they reveal only a part of the man What we know less about are the characteristics that Winston Churchill revealed when he was out of the public eye Much has been written about Churchill and of the important world leaders politicians high ranking military personnel with whom he interacted But Churchill also required a vast staff to maintain the intense pace at which he worked When Churchill strode the world stage the secretarial and support staff positions were inevitably filled by women Though extraordinarily talented and valuable to Churchill and his work these women remain unheralded He was not an easy employer He was intimidating with never ending demands who would impose his relentless and demanding schedules on those around him And yet these women were devoted to him though there were times in his political career in which he was decidedly unpopular Many reflect upon their years working for him as the best years of their lives Intelligent and hard working these women were far from sycophants Just as Churchill was no ordinary Prime Minister these women were not ordinary secretaries Indeed in today s terms their titles would be much grander as their work encompassed ultra secret documents and decrypting and reading enemy codes A treasure trove of insight and research Working with Winston reveals the man behind the statesman and as well as brings long overdue recognition to the hidden army that like Churchill was never off duty The Curious World of Wine Richard Vine, 2012-11-06 The Curious World of Wine is a fascinating miscellany about the colorful characters celebrated places and quirky events surrounding wine making Recounting wine tales that are by turns amusing surprising and occasionally a bit naughty wine expert Richard Vine reveals little known facts such as The oldest vineyard still producing grapes is thought to be in Maribor Slovenia where vines up to four hundred years old remain fruitful Plonk a term used to insult any modestly priced wine got its name from the French words for white wine vin blanc

pronounced vawn blawnk which was corrupted to plawnk or plonk Thomas Jefferson was so eager to plant native French vines at his Monticello mansion that he nearly went bankrupt fruitlessly hiring experts to defeat a condition that caused European vines to mysteriously die in North American soil Touching wineglasses as a toast was originally a deft move to exchange a splash of wine into each other's cup to ensure that neither party was being poisoned The Curious World of Wine will keep any wine fan entertained and enlightened from the most erudite connoisseur to Two Buck Chuck devotees *The Memoirs of Field Marshal Montgomery* Viscount Montgomery of Alamein, 2006-03-19 In his own words the victor of El Alamein tells his life story in a book that's an absolute joy to read and may be described as a tour de force Belfast News Letter First published in 1958 Montgomery's memoirs cover the full span of his career first as a regimental officer in the Royal Warwickshire Regiment and then as a Staff Officer His choice of the Warwickshires was due to his lack of money He saw service in India before impressing with his courage tactical skill and staff ability in the Great War Despite his tactless uncompromising manner his career flourished between the wars but it was during the retreat to Dunkirk that his true brilliance as a commander revealed itself The rest is history but in this autobiography we can hear Monty telling his side of the story of the great North African Campaign followed by the even more momentous battles against the enemy and sadly the Allies as he strove for victory in North West Europe His interpretation of the great campaign is of huge importance and reveals the deep differences that existed between him and Eisenhower and other leading figures His career ended in disappointment and frustration being temperamentally unsuited to Whitehall and the political machinations of NATO CBC Times Canadian Broadcasting Corporation, 1963-07-05 **Wisconsin Library Bulletin**, 1953 **World War II** Spencer C. Tucker, 2016-09-06 With more than 1 700 cross referenced entries covering every aspect of World War II the events and developments of the era and myriad related subjects as well as a documents volume this is the most comprehensive reference work available on the war This encyclopedia represents a single source of authoritative information on World War II that provides accessible coverage of the causes course and consequences of the war Its introductory overview essays and cross referenced A Z entries explain how various sources of friction culminated in a second worldwide conflict document the events of the war and why individual battles were won and lost and identify numerous ways the war has permanently changed the world The coverage addresses the individual's campaigns battles key weapons systems strategic decisions and technological developments of the conflict as well as the diplomatic economic and cultural aspects of World War II The five volume set provides comprehensive information that gives readers insight into the reasons for the war's direction and outcome Readers will understand the motivations behind Japan's decision to attack the United States appreciate how the concentration of German military resources on the Eastern Front affected the war's outcome understand the major strategic decisions of the war and the factors behind them grasp how the Second Sino Japanese War contributed to the start of World War II and see the direct impact of new military technology on the outcomes of the battles during the conflict The lengthy documents

volume represents a valuable repository of additional information for student research

Churchill, Roosevelt & Company Lewis E. Lehrman, 2017-01-30 During World War II the special relationship between the United States and Great Britain cemented the alliance that won the war But the ultimate victory of that partnership has obscured many of the conflicts behind Franklin Roosevelt's grins and Winston Churchill's victory signs the clashes of principles and especially personalities between and within the two nations Synthesizing an impressive variety of sources from memoirs and letters to histories and biographies Lewis Lehrman explains how the Anglo American alliance worked and occasionally did not work by presenting portraits and case studies of the men who worked the back channels and back rooms the secretaries and under secretaries ambassadors and ministers responsible for carrying out Roosevelt's and Churchill's agendas while also pursuing their own and thwarting others This was the domain of Joseph Kennedy American ambassador to England often at odds with his boss spymasters William Donovan and William Stephenson Secretary of State Cordell Hull whom FDR frequently bypassed in favor of Under Secretary Sumner Welles British ambassadors Lord Lothian and Lord Halifax and above them all Roosevelt and Churchill who had the difficult task not always well performed of managing their subordinates and who frequently chose to conduct foreign policy directly between themselves Scrupulous in its research and fair in its judgments Lehrman's book reveals the personal diplomacy at the core of the Anglo American alliance

Culture and Education Filiz Meseci Giorgetti, Ali Arslan, Craig Campbell, 2020-06-29 This book explores the fascinating and complex interactions between the ways that culture and education operate within and across societies In some cases education is imagined as an integrated part of general cultural phenomena in others educational interventions become the means for transforming the cultural circumstances of different populations The contributors to this volume show how certain educational practices produce new cultural and professional knowledge discuss the impacts of initially foreign educational ideas and institutions on established cultural institutions in very different societies and explore the impacts of modernity and modern educational ideas on more traditional gendered and religious practices and communities The book also provided striking examples of when these impacts were not benign Increasingly powerful twentieth century governments attempted to use education and schools to produce new reformed citizens suitable for their newly created colonial national socialist and fascist states The expectation was that cultural and social transformation might be engineered in major part through schooling This book was originally published as a special issue of *Paedagogica Historica*

A Life Dedicated to the Republic Josette Baer, 2014-04-15 Josette Baer retraces the eventful life of Slovak politician Vavro Robr the principal figure in the implementation of Czechoslovak democracy in Slovakia From his student days and fight for Slovak civil rights in Upper Hungary to his active resistance to German fascism Robr shaped Czechoslovakia's turbulent history in the first half of the twentieth century Baer's comprehensive biography makes archived materials available to English speaking audiences for the first time and offers unique insight into Czechoslovakia's underresearched political history

Cigarette Seduction - The Real Story of

Cigarettes, How They Were Sold to You and How to Quit Alan Brody, 2015-08-16 Cigarettes didn't just appear they were developed and then sold to you This not just a fascinating story connecting culture psychological manipulation and popular madness this is also the key to quitting It may also be the key to understanding all addictions which are more than a physical need but a cry for spiritual relief

Joseph Whitaker, 1923 Ludwig Polzer-Hoditz, A European Meyer, T.H., 2014-10-06 Finally available in English Thomas Meyer's major biography of Ludwig Polzer-Hoditz 1869-1945 offers a panoramic view of an exceptional life One of Rudolf Steiner's most valued and independent minded colleagues Polzer-Hoditz was born in Prague in the midst of the Austro-Hungarian Empire to an aristocratic family with royal connections Leaving behind the traditions of his background he was to become a key actor in Steiner's regenerative threefold social impulses working tirelessly for a genuinely unified and free Europe Polzer-Hoditz also fought to protect Rudolf Steiner's esoteric legacy and the integrity of the Anthroposophical Society that had been founded to further his work Following Steiner's untimely death Polzer-Hoditz fostered a broad range of friendships and alliances with key figures such as D.N. Dunlop Walter Johannes Stein and Ita Wegman In a bid to avoid further division and conflict he made significant interventions to alter the tragic course of events that consumed the Anthroposophical Society although he was unable to stop the major split within the membership that was to follow In the final decade of his life he concentrated his energies on world issues seeking to influence events in Europe in particular lecturing widely and writing a number of books and memoranda In contrast to the destructive special interests of the national and religious groups that craved dominion and power Polzer-Hoditz sought to build a true understanding between Central and Eastern Europe and to cultivate a spiritual connection with the West Meyer's book is a pioneering work in biographical literature structured in four main sections that reflect the stages of an individual's personal development In the

concluding section he studies world events up to the present day practising a method referred to as a symptomatological observation of history which Polzer Hoditz himself sought to develop Much more than a standard biography Ludwig Polzer Hoditz presents a vibrantly living picture of how a spiritual individuality can work in human culture and history in past present and future This first English edition is based on the latest German version and features additional material

Making of Mizoram Suhas Chatterjee, 1994 Despite seclusion the Mizo Union leaders of Mizoram erstwhile Lushai Hills had a penchant for the mainstream politics But the appeal of Nehru s liberalism and constitutionalism suffered a set back because of manipulative Assam politics Laldenga formed the Mizo National Front to establish Sovereign Mizoram He was brainwashed by the colonialist forces But his revolt plunged Mizoram into a horrible insurgency causing unprecedented bloodbath in North East India China and Pakistan fished in the troubled waters The changed international situation However compelled the MNF supremo to realize his mistake He sought refuge in the constitutionalism Rajiv Gandhi gave that opportunity when MNF abjured violence Laldenga became the legitimate chief minister He was dismissed being betrayed by his own party men
