for about a decade is now largely forgotten It was one of the largest UFO flaps ever to occur Thousands of witnesses reported seeing the Warminster Thing The hilltops around the town attracted a loyal band of followers all waiting for the magic sighting the landing the contact The authors were themselves among the skywatchers and spent nights on Cradle Hill the center of the phenomenon watching and waiting for UFOs but also watching and listening to the witnesses and ufologists IN ALIEN HEAT introduces the Warminster phenomenon to a new generation of readers It contains a short history of the phenomenon places it in its social and historical context and examines the possible mechanisms that initiated and sustained this remarkable UFO flap Strange Skies Jerome Clark,2003

Aviator sightings of unknown objects date from the 1930s to the present day and trained pilots and crews the world over have had close encounters with objects exhibiting extraordinary performance characteristics unmatched by even the most advanced military aircraft Uncovered here is the history of air to air UFO encounters Sometimes terrifying these never before divulged secret episodes read like a real life X Files **The Spaceships of the Visitors** Kevin Randle,Russ Estes,2011-01-18 The first comprehensive field guide to alien spacecraft complete with illustrations of more than one hundred spaceships In the last decade the number of reports of alien spacecraft sightings has skyrocketed However the phenomenon of alien encounters is not new Here for the first time two UFO experts Kevin Randle and Russ Estes cover the history of UFO sightings from the ancient to the modern using research from many different sources including the Air Force and private UFO groups Each of the more than one hundred entries is based on actual eyewitness accounts and includes A detailed drawing of each spaceship based on photographs or drawings made by the people who saw it with their own eyes A concise summary of the facts where the sighting took place names of the witnesses craft type and such specifics as each craft s dimensions color sound and exhaust mechanism A unique reliability rating on a scale from 0 to 10 A gripping you were there narration of the encounter along with meticulous documentation of source material Spaceships of the Visitors is a fascinating and essential reference for anyone curious about alien visitation

The Mammoth Encyclopedia of Extraterrestrial Encounters Ronald Story,2012-03-01 An illustrated A to Z guide to all things alien Over 400 entries from more than 100 contributors cover everything from the incidents and witnesses involved to the concepts at stake and experts personal position statements Entries range from alien abductions the Fantasy Prone hypothesis and JAL Flight no 1628 to the Lakenheath Bentwaters Episode mind control by aliens and Roswell The contributors include Isaac Asimov Jerome Clark Erich von Daniken Peter Davenport Hilary Evans Timothy Good Marvin Kottmeyer Jenny Randles Carl Sagan Whitley Streiber and Jacques Vallee There are over 300 images eyewitness drawings and photographs *Close Encounters of the Fatal Kind* Nick Redfern,2014-06-23 From a journalist specializing in conspiracy theories an examination of mysterious deaths and missing persons related to sightings of UFO phenomena Everyone has heard of Close Encounters of the Third Kind But what about close encounters of the fatal kind The field of UFOs is rife with unsettling examples of suspicious deaths Accounts of accidents that might not have been accidents after all

abound Researchers and witnesses have vanished never to be seen again Conveniently timed heart attacks are reported Out of the blue suicides that upon investigation bear the distinct hallmarks of murder are all too common And grisly deaths at the hands of both extraterrestrials and government agents have occurred Highlights of Close Encounters of the Fatal Kind include The strange saga of the incredible melting man The UFO related death of the first U S Secretary of Defense James Forrestal The mysterious disappearances of military pilots and their connection to UFOs The connections between national security and the sudden deaths of UFO investigators Getting too close to the cosmic truth about alien abductions Roswell and what the government really knows about UFOs can clearly be a deadly business The government s latest admission of the existence of Area 51 is barely the tip of a very big iceberg **Invoking the Beyond:** Paul D. Collins, Phillip D.

Collins, 2020-11-22 The Gnostic revival of the Enlightenment witnessed the erection of what could be called the Kantian Rift an epistemological barrier between external reality and the mind of the percipient Arbitrarily proclaimed by German philosopher Immanuel Kant this barrier rendered the world as a terra incognita Suddenly the world out there was deemed imperceptible and unknowable In addition to the outer world the cherished metaphysical certainties of antiquity the soul a transcendent order and God swiftly evaporated The way was paved for a new set of modern mythmakers who would populate the world out there with their own surrogates for the Divine Collectively these surrogates could be referred to as the Beyond because they epistemologically and ontologically overwhelm humanity In recent years the Beyond has been invoked by theoreticians literary figures intelligence circles and deep state operatives who share some variant of a technocratic vision for the world In turn these mythmakers have either directly or indirectly served elitist interests that have been working toward the establishment of a global government and the creation of a New Man Their hegemony has been legitimized through the invocation of a wrathful earth goddess a technological Singularity a superweapon and extraterrestrial gods All of these are merely masks for the same counterfeit divinity the Beyond Crash at Corona Don Berliner, Stanton T.

Friedman, 2010-04-01 IF UFOS DON T EXIST THEN THEY CAN T CRASH But something did crash near Corona a tiny town not far from Roswell New Mexico in 1947 And that crash has been dissected and debated ever since Aviation science writer Don Berliner and nuclear physicist Stanton Friedman the original civilian investigator of the so called Roswell incident have delved into the controversy to find the truth They sifted through once classified government documents interviewed military and civilian witnesses pieced together evidence considered alternative theories and concluded that a UFO crashed near Corona and the U S government knew it and covered it up Crash at Corona proves that what was found in the New Mexico desert wasn t a weather balloon or a secret weapon it was a UFO One of the more credible books arguing the existence of UFOs Most arresting of all is the testimony of those who handled the debris who had no opportunity to compare notes yet have described the materials in almost identical language Publishers Weekly DON BERLINER has written more than 300 magazine articles and 25 books on aviation history and space and was also a staff writer for the National Investigations

Committee on Aerial Phenomena NICAP He is board chairman of the non profit Fund for UFO Research Inc and is a delegate to the UFO Research Coalition STANTON T FRIEDMAN is a nuclear physicist who has worked for General Electric General Motors Westinghouse and other corporations He is also the author of TOP SECRET MAJIC and has appeared on Larry King Unsolved Mysteries and Nightline and was involved with the documentaries UFOs Are Real and Flying Saucers Are Real He was the final speaker at the fiftieth anniversary conference at the International UFO Museum and Research Center at Roswell and has given more than 700 lectures on the subject of UFOs

Top Secret Alien Abduction Files Nick Redfern, 2018-11-01 Why and how the government monitors those who have been kidnapped by strange unearthly beings with even stranger agendas from the author of Final Events For decades people have reported close encounters with extraterrestrial entities Witnesses describe being kidnapped by large headed black eyed creatures from other worlds Those same creatures have become popularly known as the Grays There is however another aspect to the alien abduction controversy Abductees very often report being followed and spied upon by military and government personnel It is typical for abductees to see black helicopters hovering directly over their homes in an intimidating manner Phone calls are monitored Emails are hacked into Strange men dressed in black suits are seen photographing the homes of the abductees All of this brings us to the matter of what have become known in the domain of alien abduction research as Military Abductions or MILABS According to numerous abductees after being kidnapped by aliens they are kidnapped again by the government These follow up events are the work of a powerful group hidden deep within the military and the intelligence community It is the secret agenda of this highly classified organization to figure out what the so called Grays are really up to And the best way for the government to get the answers is to interrogate those who have come face to face with the UFO phenomenon the abductees Why is the government secretly compiling files on alien abductees Is the alien abduction issue so sinister that it has become a matter of national security proportions
