Six The Mark Unleashed:

Between Heaven & Hollywood David A.R. White, 2016-10-25 Between Heaven Hollywood is David's inspirational journey from the wheat fields of his Mennonite home outside of Dodge City Kansas to the bright lights of Los Angeles. This story of perseverance will assure you that your dreams aren't frivolous. They might be the most important part of your life. White has starred in more than twenty-five movies and produced forty films including the blockbuster *God's Not Dead*. He serves as a Managing Partner of Pure Flix, the largest faith-based movie studio in the world. With his signature wit and sidesplitting hilarity, David's story of faithfulness grounded in the biblical truth that no dream is too big for God will inspire you to relentlessly pursue your dreams and in the process bring the reality of God's kingdom a little closer to the here and now. God has planted a dream in your heart that is both unique to you and essential to the world. White reminds us that there is no one too common, too uneducated, too poor, too inexperienced, or too broken that he or she cannot be used by God.

Nightmare Movies Kim Newman, 2011-04-18 Now over twenty years old, the original edition of *Nightmare Movies* has retained its place as a true classic of cult film criticism. In this new edition, Kim Newman brings his seminal work completely up to date, both reassessing his earlier evaluations and adding a second part that assesses the last two decades of horror films with all the wit, intelligence, and insight for which he is known. Since the publication of the first edition, horror has been on a gradual upswing and taken a new and stronger hold over the film industry. Newman negotiates his way through a vast back catalogue of horror, charting the on-screen progress of our collective fears and bogeymen from the low-budget slasher movies of the 60s through to the slick releases of the 2000s in a critical appraisal that doubles up as a genealogical study of contemporary horror and its forebears. Newman invokes the figures that fuel the ongoing demand for horror: the serial killer, the vampire, the werewolf, the zombie, and draws on his remarkable knowledge of the genre to give us a comprehensive overview of the modern myths that have shaped the imagination of multiple generations of cinema goers. *Nightmare Movies* is an invaluable companion that not only provides a newly updated history of the darker side of film, but a truly entertaining guide with which to discover the less well-trodden paths of horror and re-discover the classics with a newly instructed eye.
