Six Renaissance Tragedies Pr:

Six Renaissance Tragedies Colin Gibson, 1997 Skipping the works of Shakespeare and Johnson which are readily accessible the six plays discussed here have been chosen to represent a remarkable flowering of tragic dramatic writing during one of the most prolific periods of theatrical activity that known as the English Renaissance from about 1590 to 1640 each play was a major work for its author a major drama for the period and still significant today *The Risk Theatre Model of Tragedy* Edwin Wong, 2019-02-04 WHEN YOU LEAST EXPECT IT BIRNAM WOOD COMES TO DUNSINANE HILL The Risk Theatre Model of Tragedy presents a profoundly original theory of drama that speaks to modern audiences living in an increasingly volatile world driven by artificial intelligence gene editing globalization and mutual assured destruction ideologies Tragedy according to risk theatre puts us face to face with the unexpected implications of our actions by simulating the profound impact of highly improbable events In this book classicist Edwin Wong shows how tragedy imitates reality heroes by taking inordinate risks trigger devastating low probability high consequence outcomes Such a theatre forces audiences to ask themselves a most timely question what happens when the perfect bet goes wrong Not only does Wong reinterpret classic tragedies from Aeschylus to O'Neill through the risk theatre lens he also invites dramatists to create tomorrow's theatre As the world becomes increasingly unpredictable the most compelling dramas will be high stakes tragedies that dramatize the unintended consequences of today's risk takers who are taking us past the point of no return

The Spanish Tragedy Thomas Rist, 2016-10-20 The Spanish Tragedy was the first revenge tragedy on the English Renaissance stage but for its influence major dramas including The Revengers Tragedy The Duchess of Malfi and even Hamlet would not exist as they do It is thus a key text for the study of Renaissance drama and normally appears in introductory undergraduate courses on Renaissance drama and Shakespeare Despite its initial smash hit status after the closing of the theatres in 1642 the play was only once performed in Britain before its gradual revival in the 20th century Following its first professional performance in 1973 the play has come to be recognised as a Renaissance classic receiving frequent performance This volume will bring together its most insightful and influential modern scholars to produce an edition read both by experts in the field and lovers of Thomas Kyds drama

Staging Reform, Reforming the Stage Huston Diehl, 2019-06-07 Huston Diehl sees Elizabethan and Jacobean drama as both a product of the Protestant Reformation a reformed drama and a producer of Protestant habits of thought a reforming drama According to Diehl the popular London theater which flourished in the years after Elizabeth reestablished Protestantism in England rehearsed the religious crises that disrupted divided energized and in many respects revolutionized English society Drawing on the insights of symbolic anthropologists Diehl explores the relationship between the suppression of late medieval religious cultures with their rituals symbols plays processions and devotional practices and the emergence of a popular theater under the Protestant monarchs Elizabeth and James Questioning long held assumptions that the reformed religion was inherently antitheatrical she shows how the reformers invented new forms of theater even as they condemned a Roman Catholic theatricality they associated with magic sensuality and duplicity Using as her central texts the tragedies of Thomas Kyd Christopher Marlowe William Shakespeare Thomas Middleton and John Webster Diehl maintains that plays of the period reflexively explore their own power to dazzle seduce and deceive Employing a reformed rhetoric that is both powerful and profoundly disturbing they disrupt their own stunning spectacles Out of this creative tension between theatricality and antitheatricality emerges a distinctly Protestant aesthetic
