Award-winning books for children and young adults Betty L. Criscoe,1990 *Paperback Crush* Gabrielle Moss,2018-10-30 For fans of vintage YA a humorous and in depth history of beloved teen literature from the 1980s and 1990s full of trivia and pop culture fun Those pink covers That flimsy paper The nonstop series installments that hooked readers throughout their entire adolescence These were not the serious issue novels of the 1970s nor the blockbuster YA trilogies that arrived in the 2000s Nestled in between were the girl centric teen books of the 80s and 90s short cheap and utterly adored In *Paperback Crush* author Gabrielle Moss explores the history of this genre with affection and humor highlighting the best known series along with their many diverse knockoffs From friendship clubs and school newspapers to pesky siblings and glamorous beauty queens these stories feature girl protagonists in all their glory Journey back to your younger days a time of girl power nourished by sustained silent reading Let *Paperback Crush* lead you on a visual tour of nostalgia inducing book covers from the library stacks of the past *Bibliotherapy* Amy Recob,2008-10 Everyone has dealt with at least one of the issues listed in this book at some point in his her lifetime Whether that issue was conquered with the help of a loved one through therapy or is still weighing on the individual the therapeutic power of the book is often overlooked The reassurance gained when an individual learns that they are not the only one can open several doors of communication and can put one on the road to recovery or coming to terms with an issue In schools bibliotherapy can greatly increase the connectivity of curriculum to the individual student cover *Dirty Socks Don't Win Games* Dean Marney,1992 Brent and his friends are persuaded to play in a special basketball tournament against a girls team who has a real coach a real offense and a pizza place as a sponsor **The Conscious Teacher** Deborah Nichols Poulos,2020-01-13 The Conscious Teacher is about

all kinds of strategies and techniques educators might employ to become more effective teachers In an accessible conversational style Deborah Nichols Poulos presents unique approaches to teaching that will inspire new and veteran teachers alike She begins with her personal story of not being able to read all through elementary school Her early failures convinced her she was dumb At first she struggled but when she still failed she adopted an avoidance strategy that served her well until junior high An experience in the seventh grade flipped a switch and started her on a journey to becoming an outstanding student and later to applying the lessons she learned as a child to her own teaching What makes *The Conscious Teacher* unique are the inspirational lessons that are unlike what most teachers get in their teacher education courses or student teaching Ms Nichols Poulos points out for example that from the very first day it is important that students learn they will be treated with dignity and respect no matter what And especially helpful are the steps Ms Nichols Poulos employs to set up a behavior management plan that works She explains the strategic steps she takes before school starts how essential it is to get to know each student before they walk into class on that first day She also illustrates how setting up classroom routines helps students know what to expect and how to make the best use of every minute And she emphasizes the importance of the parent student teacher team and includes many examples of how to communicate with and involve parents even those who may be difficult Foundational to her program are reading and writing Among other things she lays out the steps for students even as early as fourth grade to write five paragraph essays and their own student authored books and to research and write reports that include bibliographies When she differentiated curriculum to support all students needs she found their learning accelerated All teachers will appreciate her ideas about how to teach the basics of math as well as advanced math concepts And her ideas for teaching the arts are inspirational as she describes in detail how her fourth graders performed Shakespeare s *Hamlet* *Macbeth* *King Lear* *Julius Caesar* and *A Midsummer Night s Dream* She also shows how to integrate social studies with literature and writing Her experiences taught her that young students are much more capable than many people realize *The Conscious Teacher* is an indispensable guide for all new teachers Many of the ideas Ms Nichols Poulos provides will also be an eye opener for parents and experienced teachers as well *The Conscious Teacher* is simply a must have for anyone truly interested in giving young children a positive and solid foundation for their later schooling
