Sixties Sandstorm Brian C. Kalt,2023-11-01 In 1961 Senator Philip Hart of Michigan introduced legislation to add Michigan's Sleeping Bear Dunes and 77 000 surrounding acres to America's National Park system The 1 600 people who lived in the proposed park area feared not only that the federal government would confiscate their homes but that a wave of tourists would ensue and destroy their beloved and fragile lands In response they organized citizen action groups and fought a nine year battle against the legislation Sixties Sandstorm is not a book about dunes as much as it is a book about people and their government It chronicles the public meetings bills protests and congressional interactions that led to the signing of the Sleeping Bear Sand Dunes Act in 1970 The Dunes park fight is a case study of the politics the legislative process citizen response to the expanded role of government in the 1960s and the rise of the environmental movement in America during that decade Since Hart's legislation was made law millions of Americans have traveled to the Sleeping Bear Sand Dunes National Lakeshore Few imagine what the area would look like today if not for the efforts of people like Senator Hart On the other hand few appreciate the sacrifice of the landowners who not always willingly gave up their property in this place where as one resident put it stars are closer to the earth than anywhere else in the world **This Magnetic North** Tim

Mather,2025-02-11 She was betrayed by her own emotions Abby considered her marriage over Why couldn't Rachid just accept the fact and give her a divorce In the two years since she left Abarein the Middle East country where Rachid was crown prince she'd tried to rebuild her life Now Rachid had come to reclaim her fiercely opposing divorce urging her to return But the reasons for her leaving were still valid Nothing had really changed Except maybe Abby herself And it was her own traitorous response that finally gave her no choice **Sandstorm** Lindsey Hilsum,2013-05-28 A vivid and astonishing

In Your Eyes a Sandstorm Arthur Neslen, 2011-09 In this impossible task of representation Arthur Neslen writes a book that is impossible to put down In Your Eyes a Sandstorm is where Joyce s The Dubliners meets Howard Zinn s A People s History Thrilling compassionate and unflinching narratives and dialogues converge the critical events of contemporary Palestinian being into the present Palestinians are field negroes house negroes ghettoized schlemiels and pariahs ethnically cleansed colonized occupied militant pacifist doctors zookeepers rappers journalists teachers etc They are also an original people who will continue to write a new story in the book of survival and hope of overcoming suffering and hopefully of going beyond power Fady Joudah author of The Earth in the Attic and translator of Mahmoud Darwish s If I Were Another In this wonderful collection one can hear the Palestinians speaking for themselves and not through others who may distort or dim their messages Very few collections have brought home to us so vividly and authentically what it means to be a Palestinian today Ilan Pappé author of The Rise and Fall of a Palestinian Dynasty This highly original work is an important contribution to Palestine literature especially in the way that personal narrative interacts with and enriches collective national and public memory Nur Masalha author of Expulsion of the Palestinians The Concept of Transfer in Zionist Political Thought Neslen powerfully gives voice to Palestinians humanizes them and reveals the complexities of Palestinian society Sara Roy author of Hamas and Civil Society in Gaza A remarkable achievement at the junction of Middle East politics and anthropology this collection of interviews with Palestinians from eight successive generations defined according to historical watersheds is a necessary complement to treatise like readings on the Palestinians and the Israel Palestine conflict It offers the means for a reasoned empathy with the Palestinian people and provides a perfect counterpoint to the journey through the Israeli psyche which Arthur Neslen took his readers on in his previous book Gilbert Achcar author of The Arabs and the Holocaust The Arab Israeli War of Narratives
