Small Business Management Textbooks:

Small Business Management in the 21st Century, Small Business Management in the 21st Century offers a unique perspective and set of capabilities for instructors. The authors designed this book with a less can be more approach and by treating small business management as a practical human activity rather than as an abstract theoretical concept. The text has a format and structure that will be familiar to you if you use other books on small business management. Yet it brings a fresh perspective by incorporating three distinctive and unique themes and an important new feature Disaster Watch which is embedded throughout the entire text. These themes assure that students see the material in an integrated context rather than a stream of separate and distinct topics. Open Textbook Library **Small Business Management** Tim Mazzarol, Sophie Reboud, 2019-11-21. This textbook familiarises students with the theory and practice of small business management and challenges assumptions that may be held about the way small business management can or should adopt the management practices of larger firms. For students interested in establishing and managing their own small firm, this book helps them to focus their thinking on the realities of life as a small business owner manager, both its challenges and its rewards. For postgraduate students that are keen to make a difference, this text enables them to understand how they might consult to small firms and assist owner managers to establish and grow their ventures. In addition to students, this book is also useful to small business owner managers as a general guide on how they might better manage their operations. Managers in large corporations and financial institutions who deal with small businesses as clients or suppliers and professionals such as accountants, lawyers and consultants who provide advice and other services to small businesses will also find the book of interest. **Small Business Management** Justin Gooderl Longenecker, Carlos W. Moore, J. William Petty, 2003. This textbook focuses on the niche occupied by small businesses and its contribution to the larger economy. It introduces the knowledge and skills needed to manage a small business. Chapters address issues of strategy, venture opportunity, marketing, management and finance. The companion CD ROM is entitled Preparing the business plan to accompany Small business management. Small Business Management Series, 1953 Essentials of Entrepreneurship and Small Business Management Thomas W. Zimmerer, Norman M. Scarborough, 2004-05. Concise, Contemporary and Practical. The ideal tool for the next generation of entrepreneurs. A time tested book that today's students need to master the most essential and critical issues involved in starting and managing a successful new business venture. Take a look. New Sections on Building a Business Plan and Putting the Business Plan to Work. Sample business plan for Sluggers, an indoor pitching batting cage, included both in the text and on the Web site. A dedicated Web site at www.prenhall.com/zimmerer includes numerous links to relevant small business sites, complete chapter summaries with quizzes and other valuable teaching and learning resources. **Small Business Management** Justin Gooderl Longenecker, 2009. 1 in 4 Canadians plans to be self employed in the next 5 years. Longenecker Small Business Management Launching and Growing New Ventures 4th Canadian edition is about turning this

plan into reality This comprehensive guide for future business owners and entrepreneurs provides a perfect balance between the theoretical side of starting and managing a small business and the practical application of the tasks of running a business
