Small Group Outreach Turning Groups Inside Out:

Small Group Outreach Jeffrey Arnold, 1998-01-01 Jeffrey Arnold in this book on the dynamics of small group spirituality argues that healthy small groups must grow outward in their commitment to those outside the group in evangelism prayer and missions *Coaching Life-Changing Small Group Leaders* Bill Donahue, Greg Bowman, 2009-05-26 Small groups transform churches and lives Small group leaders often feel the weight of shepherding their members But who shepherds the shepherd And what are the best ways to provide that support and guidance These are the questions answered in *Coaching Life Changing Small Group Leaders* When you're called to coach a small group leader in your church your mind may be filled with questions Am I godly enough What do I have to offer How do I begin Although the challenge seems immense this handbook breaks down the work into reassuring and achievable steps Originally self published by Willow Creek Community Church this expanded and improved edition offers field tested and biblically supported advice on such topics as modeling a surrendered life to those you shepherd gaining the tools and wisdom you need for coaching helping leaders grow spiritually nurturing the spiritual development and support of leaders For those who want to coach with excellence and truly help small group leaders thrive this go to guide offers practical answers and inspiring examples You'll find both challenge and promise in these pages as you learn to carry forth your God given calling with confidence We ask small group leaders to come alongside their group members but often no one comes alongside them This is a great tool from two people who have done exactly that for a long time Small group leaders everywhere will benefit from this kind of coaching *Transform Your Church with Ministry Teams* E. Stanley Ott, 2004 The concept of ministry teams is rapidly taking hold in churches but just what are they and how do they work *Transform Your Church with Ministry Teams* outlines what effective ministry teams look like describes what they can offer local congregations and gives concrete step by step suggestions for making them happen The power of ministry teams lies in their unique capacity to generate genuine Christian fellowship nurture disciples develop leaders and mobilize people for ministry While traditional church leadership organizations concentrate almost exclusively on task policy and program ministry teams are designed to enhance faith development and thus ministry effectiveness E Stanley Ott explores three main areas of ministry team development First he explains the philosophy behind ministry teams and discusses the issues involved in shifting from committee based to team based ministry Second he tells how to begin ministry teams including how to identify team leaders and members and how to determine their roles Third he looks at the details of ministry team life including ways to build team fellowship foster discipleship and communication within teams and accomplish specific ministry tasks Filled with wise time tested advice including four how to appendixes this book will help pastors and lay leaders transform the life of their church or Christian organization **Where Two or Three Are Gathered** Daniel L. Prechtel, 2012-02-01 Much has been written about the practice of one to one spiritual directions but much less about small group communities that offer in depth mutual spiritual support and guidance to its members But small groups
