Niels Christian Frederiksen

Small Houses In Finland:

Small Houses in Finland Esa Piironen, 2004 Small Houses in Finland presents a selection of the best single family houses in Finland from the last twenty five years Each of the 29 houses presented shows a different approach to the design of a small house from the site placement to the plan layout facades massing and use of materials all the way to the handling of the construction details All the houses have been individually designed for single families and are situated in different environments from the countryside to the city and from the seashore inland The houses in this book have been selected by architect Esa Piironen who himself has designed a number of small houses Characteristic of his approach has been a commitment to environmentally friendly and humane architecture **Contemporary Architects** Muriel Emanuel, 2016-01-23
