World Clothing and Fashion Mary Ellen Snodgrass, 2015-03-17 Taking a global, multicultural, social, and economic perspective, this work explores the diverse and colourful history of human attire. From prehistoric times to the age of globalization, articles cover the evolution of clothing, utility, style, production, and commerce, including accessories, shoes, hats, gloves, handbags, and jewellery for men, women, and children. Dress for different climates, occupations, recreational activities, religious observances, rites of passages, and other human needs and purposes, from hunting and warfare to sports and space exploration, are examined in depth and detail. Fashion and design trends in diverse historical periods, regions, and countries, and social and ethnic groups, constitute a major area of coverage, as does the evolution of materials from animal fur to textiles to synthetic fabrics and production methods from sewing and weaving to industrial manufacturing and computer-aided design. Dress as a reflection of social status, intellectual and artistic trends, economic conditions, cultural exchange, and modern media marketing are recurring themes. Influential figures and institutions in fashion design, industry, and manufacturing, retail sales, production technologies, and related fields are also covered.
