Criminal Law Principles and the Enforcement of EU and National Competition Law Marc Veenbrink, 2019-11-20 Although Article 23 5 of EU

Regulation 1 2003 provides that competition law fines shall not be of a criminal law nature this has not prevented certain criminal law principles from finding their way into European Union EU competition law procedures Even more significantly the deterrent effect of competition law fines has led courts in the Netherlands and the United Kingdom UK as well as the European Court of Human Rights to conclude that competition law proceedings can lead to a criminal charge This book offers the first book length study of whether courts do indeed apply criminal law principles in competition law proceedings and if so how these principles are adapted to the needs and characteristics of competition law Focusing on competition law developments both legislative and judicial over a period of twenty years in three jurisdictions the Netherlands the UK and the EU the author compares how each of the following criminal law principles has emerged and been interpreted in each jurisdiction s proceedings freedom from self incrimination non bis in idem burden and standard of proof legality and legal certainty and proportionality of sanctions The author offers proposals involving both legislative and judicial actions with examples of judges invoking criminal law principles to develop an appropriate level of safeguards in competition law proceedings The book shows that criminal law can provide a rich source of inspiration for the judiciary on the appropriate level of legal safeguards in competition law proceedings As such it provides an important source of information and guidance for lawyers and judges dealing with competition law matters

Comparative Tort Law Thomas

Kadner-Graziano, 2018-03-20 Comparative Tort Law promotes a learning by doing approach to comparative tort law and comparative methodology Each chapter starts with a case scenario followed by questions and expertly selected material such as legislation extracts of case law soft law principles and where appropriate extracts of legal doctrine Using this material students are invited to solve the proposed scenario according to the laws of several jurisdictions compare the approaches and solutions they have identified evaluate their respective pros and cons and reflect upon the most appropriate approach and solution This book is essential reading for all students and scholars of comparative tort law and comparative law methodology and is the ideal companion for those wishing to both familiarise themselves with real world materials and understand the many diverse approaches to modern tort law

The English Legal Process Terence Ingman, 2011 This
