obstinate man in America He had been drunk at his own inauguration as vice president only a month before Not only did Mary Todd Lincoln detest him she also thought he had been among the plotters that murdered her husband How would Johnson lead the nation Would he be a reconciler like Lincoln Or would he as the Radicals and much of the nation expected side with them The Avenger takes his place comes from a poem by Herman Melville that appeared shortly after Lincoln's death For forty five days the nation including a deeply anxious South waited That crucial month and a half is the focus of this book
