Business Policy Lawrence R. Jauch,1990      Text and Cases Toby Williams,2014-11-07 Strategic management involves  
formulation and implementation of the major goals and initiatives taken by a company s top management on behalf of owners  
based on consideration of resources and an assessment of the internal and external environments in which the organization  
competes Strategic management provides overall direction to the enterprise and involves specifying the organization s  
objectives developing policies and plans designed to achieve these objectives and then allocating resources to implement the  
plans Academics and practicing managers have developed numerous models and frameworks to assist in strategic decision  
making in the context of complex environments and competitive dynamics Strategic management is not static in nature the  
models often include a feedback loop to monitor execution and inform the next round of planning Table of Contents
