Strategic Planning For Pastoral Ministry:

Church and Ministry Strategic Planning R. Henry Migliore, Robert E. Stevens, David L. Loudon, 1994 Spiritual management is required for spiritual organization and yet a ministry's master plan should be the Master's plan for that ministry Church and Ministry Strategic Planning assists readers in developing a Biblically based blueprint for carrying out the many activities in which the church or ministry is involved The authors show clearly how careful planning is inspired by the Scriptures Suppose one of you wants to build a tower Will he not first sit down and estimate the cost to see if he has enough money to complete it Luke 14:28 and how it improves making decisions today which ultimately affect the ministry's effectiveness tomorrow Church and Ministry Strategic Planning covers all areas of this type of planning and can be read and reviewed quickly Through the use of a model of the strategic planning process the authors show how to develop mission statements define strategic objectives develop strategy options and operating strategies appraise performance and monitor strategic planning Readers are led step by step through these key areas of creating a strategic plan Examples and worksheets at the end of each chapter enable pastors administrators and lay leaders to develop a strategic plan fitting to their specific ministry or church The appendixes provide tools used in planning as well as a complete sample strategic plan for a large church Put these concepts to immediate use in decisionmaking and pursue God's purpose and vision for the church or ministry If readers take the time and effort to study this book apply its format and prayerfully keep God in every step of the plan here is what the authors believe plan administrators can expect 1 A sense of enthusiasm in the church or ministry 2 A 5 year plan in writing to which everyone is committed 3 A sense of commitment by the entire church to its overall direction 4 Time for the leaders to do what they have been called to do 5 Clear job duties and responsibilities 6 Clear and evident improvement in the health and vitality of every member of the church staff 7 Measurable improvement in the personal lives of all those in responsible positions with time for vacations family and personal pursuits 8 The ability to measure very specifically the growth and contribution made by senior pastors or evangelists at the close of their careers 9 Guaranteed leadership of the church or ministry because a plan is in place in writing and is understood Even more importantly a management team and philosophy will be in place to guide the church or ministry into its next era of growth Explore this Biblical perspective on planning and develop a strategic plan that is systematic and continuous and allows the church or ministry to assess its market position establish goals objectives priorities and strategies to be completed within specified time periods achieve greater staff and member commitment and teamwork aimed at meeting challenges and solving problems and muster its resources to meet these changes through anticipation

Where Do We Go from Here? Leo Endel, 2020-08-07 For decades my friend Leo Endel has been helping churches to plan well Now through *Where Do We Go from Here* you can benefit from his years of wisdom and experience Walk through this book with your team and you and your church will be better for it Ed Stetzer Wheaton College Does your church know where it needs to be a few years down the road Does it have a plan to get there Is it headed in the right direction Most would have to answer no to at least one of those questions if not all three In his brief 66 page book *Where Do We Go from Here* Leo Endel draws from his decades of experience as a pastor and denominational leader to offer a simple yet comprehensive guide for strategic planning in the smaller church These are not theories waiting to be tested but a proven plan that can be used by any church willing to seek God s best for their congregation and community David Williams Associational Missions Strategist Trinity River Baptist Association Liberty Texas I found *Where Do We Go from Here* to be both timely and timeless Once I read it I immediately recommended it to one of our pastors It is timeless because it is principle and process based Its value is enhanced because it has been tried and tested in multiple contexts Too much is published today that is theoretical unproven or reflective of a single church s experience And because it lays out a simple template for strategic planning it can be easily transferred into almost any church setting Mark Elliott Director of Missions Heartland Baptist Network Omaha Nebraska For 37 years of pastoral experience I have tried many strategies to do the work of the church Only to find myself overworked and understaffed In his book *Where Do We Go from Here* Brother Leo gives us a simple yet comprehensive strategic plan for both small or large church Where do we go from here It is a question that every pastor or leader has had to ponder over in their heart Leo writes out of the heart and experiences of a seasoned pastor and godly leader He writes The real power of the church is God releasing his presence his power and his plan in US for that to happen we must pray I prayerfully recommend this comprehensive guide for strategic planning for any church Roy Hopgood Jr Mount Horeb Baptist Church Milwaukee Wisconsin Senior pastor I just finished reading *Where Do We Go from Here* It is terrific inspirational personal and practical I hope hundreds of pastors and churches read it and use it Dr Bill Tinsley retired denominational leader church planter author of nine books and of *Reflections* a weekly faith column with over 145 000 views worldwide

Leading the Congregation Norman Shawchuck,Roger Heuser,2010-10-01 Leading the Congregation is a complete and definitive guide to the practice of church leadership The book describes essential paradigms for the leader that integrate spiritual integrity and service within a systems view of the congregation and its ministry This revised and updated version focuses on the challenges of congregational leadership in a culture that has fewer ties to Christian faith The authors lay out the dual contexts in which church leaders must function within the congregation and as the congregation s representative to the community and they explain the very different skill sets required to flourish in each Underlying the revised edition is an insistence on the congregational leader s call from God and cultivation of her or his relationship with God Leadership is not the same thing as charisma they explain it is rather a set of attitudes and practices that each of us can and must master if we are to be worthy servants of Christ *Kingdom First* Jeff Christopherson,Mac Lake,2015-06-15 Authors Jeff Christopherson and Mac Lake call readers to imagine a movement that vividly remembers the insubstantial days of a mustard seed with a sense of awe and wonder when looking at the indescribable harvest that stands all around Though the kingdom of God can t be forced by superficial methods the good news is that when you move past the threshold of your competency and comfort you find yourself in the very spot where God can use you like no other *Christian Leadership for Today's World* Dr. Jean Marc Désiré,2022-06-13 No Available information at this time Author will provide once available
