Reinking, Robert Von der Osten, 2007 The authors of Strategies for Successful Writing a Rhetoric Research Guide and Reader have strived to achieve the same steadfast goals that have motivated them from the beginning create a rhetorically organized writing guide that combines three books into one convenient and flexible teaching tool while offering students an exceptional value By having at their disposal a comprehensive textbook that offers ample material for a full year composition course instructors teaching a one term course can make various selections from Chapters 1 17 from whatever types of specialized writing suits

the needs of their students and from the appropriate essays in the reader As well because the authors believe strongly that an effective composition textbook should address students directly they've aimed for a conversational yet clear style that invites students into the book lessens their apprehensions about writing and provides a model for their own prose This style complements the authors' strong student-based approach to writing and together they help create a text that genuinely meets student needs

Strategies for Successful Writing James A. Reinking, Andrew W. Hart, Robert Von der Osten, 1999 A comprehensive modes-oriented rhetoric for freshman composition that combines four books: a rhetoric, a research guide, reader, and handbook into one convenient teaching tool Includes a handbook in back of the book

Strategies for Successful Writing James A. Reinking, Andrew W. Hart, Robert Von der Osten, 2002 Written in a clear engaging style this 4 in 1 volume combines four books: a rhetoric, a research guide, a reader, and a handbook into one convenient learning reference tool The Rhetoric section presents a full range of writing strategies along with chapters on paragraphs, sentences, style, and three specialized types of writing and in-depth chapters on planning and drafting as well as revising and editing a paper The Research Guide section includes three comprehensive chapters on the research process The Reader section contains forty-four essays that illustrate the different writing strategies and display a wide variety of styles, tones, and themes The Handbook section offers easy access to the major elements of grammar, punctuation, and mechanics and includes a unit on spelling and a glossary of word usage The book is available in an alternate version without the Handbook section
