Role of Federal Military Forces in Domestic Disorders, 1945-1992 (Cloth) Paul J. Scheips,2005 This volume covering 1945 to 1992 is the third of three volumes on the role of federal military forces in domestic disorders Summarizing institutional and other changes that took place in the Army and in American society during this period it carries the reader through the nation s use of federal troops during the civil rights movement of the 1950s and 1960s and the domestic upheavals of the 1960s and 1970s associated with the Vietnam War The development and refinement of the Army s domestic support role as well as the disciplined manner in which the Army conducted these complex and often unpopular tasks are major themes of this volume In addition the study demonstrates the Army s progress in coordinating its operational and contingency planning with the activities of other federal agencies and the National Guard from the Foreword

Traps Rudolph P. Byrd,Beverly Guy-Sheftall,2001 Traps is the first anthology that historicizes the writings by African American men who have examined the meanings of the overlapping categories of race gender and sexuality and who have theorized these categories in the most expansive and progressive terms Traps contains the landmark speeches essays letters and a manifesto by nineteenth and twentieth century African American men who have examined the complex terrain of gender and sexuality within the historical and cultural matrix of the United States

Race and Repast Urszula Niewiadomska-Flis,2022-12-15 Race and Repast Foodscapes in Twentieth Century Southern Literature examines the literary foodscapes of the American South from Jim Crow era kitchens where White and Black Southerners reacted against racial mores to the public dining spaces where Southerners probed the limits of racial identity to the lunch counters that became touchstones of the Black Freedom movement Mining literary texts by iconic authors like Ernest Gaines and Walker Percy to demonstrate that food reflects and refracts power Urszula Niewiadomska Flis wields food studies as a revelatory lens through which to view a radically segregated society that was often on the cusp of violence Niewiadomska Flis also provides a rich and succinct introduction to scholarship in Southern studies and food studies making Race and Repast a compelling read that offers countless insights to experts as well as readers exploring these areas of research for the first time
