## **Stratford Mosaic:**

Stratford Mosaic... Gerald Jaggard, 1960      **Masques, Mayings and Music-dramas** Roger Savage, 2014

*Masques Mayings and Music Dramas* comprises a sequence of in depth case studies of significant aspects of early twentieth century English music theatre. Vaughan Williams forms a central thread in this discussion and Stratford upon Avon serves as a geographical focus point for mediating conflicting visions of an English musical tradition. But the reach of the book is much wider, shedding new light on English Wagnerism at Glastonbury especially and on the reception of Wagner's ideas as a point of emulation and resistance. No less significant is the discussion of Purcell and the seventeenth century masque, one of the primary sources for re-imagining an English dramatic tradition and the more familiar images of the May festival, the Mummers play and the pageant play which are tellingly re-contextualised. The book also looks at the associations between Vaughan Williams, the theatre artist Edward Gordon Craig and the impresario Serge Diaghilev. The sequence is framed by the image of the pilgrim-vagabond, Vaughan Williams's setting of the poetry of Matthew Arnold and Robert Louis Stevenson as a metaphor and paradigm for his creative career and personal progress. The book not only sheds light on the activities and ambitions of principal agents but also illuminates a particularly dynamic moment in the re-emergence of a distinctively English music-theatrical practice, one especially concerned with calling on aspects of the past to help to secure a worthwhile future. Notions of Englishness turn out to be less insular than sometimes thought and the idea of a musical renaissance more complex when the case studies are understood in their proper historical context. Scholars and students of twentieth century English music theatre and opera will find this volume indispensable. Roger Savage is Honorary Fellow in English Literature at the University of Edinburgh. He has published widely on theatre and its interface with music from the baroque to the twentieth century in leading journals and books.

**Shakespeare's Fascist Followers** Richard Wilson, 2025-08-21

Richard Wilson's meticulously researched, powerfully argued and brilliantly written account of Shakespeare's 20th century fascist followers is not just an important but a genuinely essential book. Robert Shaughnessy, Guildford School of Acting, UK. In this illuminating book, Richard Wilson demonstrates how in the 20th century Shakespeare's plays and poems were persistently misread as documents which voiced the fascist sympathies of their author. Wilson argues that the version of Shakespeare this caricature produced – authoritarian, jingoistic, racially intolerant, misogynistic – was viewed with satisfaction by many of the leading figures of the century's cultural establishment in Britain and America, while noting striking cases of the same bias in Germany and France. Some of the names this book focuses on will surprise many of the right-wing political views or leanings of the prominent figures discussed have been left unexplored or ignored from A. K. Chesterton, who was both editor of the British Union of Fascists newspaper *Blackshirt* and former manager of press and publicity at the Shakespeare Memorial Theatre, to celebrated Shakespeareans such as G. Wilson Knight and writers, artists and theatre practitioners including W. B. Yeats, T. S. Eliot, Edward Gordon Craig and Marshall McLuhan. At a time when democracy is under threat, populism is on the

rise and far right views are increasingly prominent in our political discourse Richard Wilson's book makes an especially vital contribution to Shakespeare scholarship *The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950* George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries Old-House Journal, 2002-09 Old House Journal is the original magazine devoted to restoring and preserving old houses For more than 35 years our mission has been to help old house owners repair restore update and decorate buildings of every age and architectural style Each issue explores hands on restoration techniques practical architectural guidelines historical overviews and homeowner stories all in a trusted authoritative voice *The Boys of Shakespeare's School in the First World War* Richard Pearson, 2010-04-27 Like many young men of the time the boys of King Edward VI School saw the outbreak of the First World War as an opportunity for bravery and excitement By the time the Armistice was signed in late 1918 thirty one old boys and one Master had been killed For such a small grammar school the cost was significant as too were the number of awards for gallantry including a Victoria Cross Set against Stratford upon Avon and the boys schooldays this intriguing book details the boys war and their involvement in the major battles on the Western Front in Italy Salonika Macedonia Gallipoli Bulgaria and Russia Ultimately a tragic and moving account it captures the heart of a small community and represents the sense of adventure with which young men went to war *Good Beer Guide 2019* Campaign for Real Ale, 2018-09-30 CAMRA's Good Beer Guide is fully revised and updated each year and features pubs across the United Kingdom that serve the best real ale Now in its 46th edition the guide is completely independent with listings based entirely on evaluation and nomination by CAMRA members The unique Breweries section contains a full listing of Britain's breweries from national to micro with information about their core beers **The Good Pub Guide 2019** Fiona Stapley, 2018-09-06 Britain's bestselling travel guide for over 30 years and the only truly independent guide of its kind Featured in the Guardian the Times and Mail Online and on BBC Radio 4 The 37th edition of this much loved book is as irreplaceable as ever Organised county by county its yearly updates and reader recommendations ensure that only the best pubs make the grade Here you will not only find a fantastic range of countryside havens bustling inns and riverside retreats but also a growing number of gastropubs and pubs specialising in malt whiskey and craft beers Discover the top pubs in each county for beer food and accommodation and find out the winners of the coveted titles of Pub of the Year and landlord of the Year Packed with hidden gems The Good Pub Guide continues to provide a wealth of honest entertaining and up to date information on the countries drinking

establishments      *Good Beer Guide 2018* Roger Protz, 2017-10-31 CAMRA's Good Beer Guide is fully revised and updated each year and features pubs across the United Kingdom that serve the best real ale. Now in its 45th edition the guide is completely independent with listings based entirely on evaluation and nomination by CAMRA members. The unique Breweries section contains a full listing of Britain's breweries from national to micro with information about their core beers      annual bibliography of English language and literature ,      The British Library General Catalogue of Printed Books to 1975 British Library (London), Judi Vernau, 1982      **Plant Virology Protocols** Gary D. Foster, Sally Taylor, 2008-02-03 The aim of Plant Virology Protocols is to provide a source of information to guide the reader through the wide range of methods involved in generating transgenic plants that are resistant to plant viruses. To this end we have commissioned a wide ranging list of chapters that will cover the methods required for plant virus isolation RNA extraction cloning coat protein genes introduction of the coat protein gene into the plant genome and testing transgenic plants for resistance. The book then moves on to treatments of the mechanisms of resistance the problems encountered with field testing and key ethical issues surrounding transgenic technology. Although Plant Virology Protocols deals with the cloning and expression of the coat protein gene the techniques described can be equally applied to other viral genes and nucleotide sequences many of which have also been shown to afford protection when introduced into plants. The coat protein has however been the most widely applied and as such has been selected to illustrate the techniques involved. Plant Virology Protocols has been divided into six major sections containing 55 chapters in total      **A hand-list of the drawings and engravings illustrative of the life of Shakespeare, preserved at Hollingbury Copse** James Orchard Halliwell-Phillipps, 1884      **A Calendar of the Shakespearean Rarities** James Orchard Halliwell-Phillipps, 1887      A Hand-list of the Drawings and Engravings Illustrative of the Life of Shakespeare James Orchard Halliwell-Phillipps, 1884      **Cassell's library of English literature, selected, ed. and arranged by H. Morley. [5 vols., issued in 48 pt.]**. Cassell Ltd, 1891      *The Dial* Francis Fisher Browne, 1896      **Widener Library Shelflist: English literature** Harvard University. Library, 1971      **The Architectural Review** , 1905      The Sculpture of Gertrude Hermes Jane Hill, Gertrude Hermes, 2011 A graduate of Leon Underwood's Brook Green School of Art in London Gertrude Hermes 1901-83 trained as a painter and sculptor. Hermes and her husband Blair Hughes Stanton who she met at Brook Green went on to become leading lights in the early twentieth century's wood engraving revival. Although their marriage was short-lived their exuberant visual inventions for Bunyan's *The Pilgrim's Progress* and T. E. Lawrence's *Seven Pillars of Wisdom* brought them critical acclaim. Much has been written about Hermes' career as a wood engraver. In contrast her contribution as a sculptor has been somewhat eclipsed until now. *The Sculpture of Gertrude Hermes* presents for the first time a full analysis of the artist's entire sculptural oeuvre. Along with a comprehensive catalogue of Hermes' sculpture Jane Hill provides a full account of the artist's life in the context of her career as a sculptor. What results is a picture of a pioneering spirit who created busts and heads functional designs decorative work and reliefs that are dynamic and

unpredictable Featuring over 140 images The Sculpture of Gertrude Hermes is a groundbreaking study of an artist so long associated with one art form This book redresses the imbalance and creates a new and fresh perspective on an important female artist of the twentieth century Publisher s website
