Grandma'S Cookbook Revisited Pukka Carpenter,2012-07-13 The setting is New England in the Sixties Life was different then This story revolves around one family especially the woman everyone called Grandma She was a wonderful and multi talented lady She always had the right answers This is the author s story but it is Grandma s story too He asked her once if a movie director career had merit She advised him to write a unique book first and remarked Surely with over 17 years of formal education you can write an interesting story The author responded that most of his knowledge involves guns reloading bullets and ballistics But write a book he did Hidden Biscuits Audrey Ward,2015-04-03 Every night of revival 1945 to 1956 the Evangelist and his family carried the mostly Appalachian folks to whom they ministered on up to a higher place Worn down bodies in from the heat and dust of a sharecropper s cotton fields or unventilated rooms of the mill barely made it over to the local Pentecostal church house to the shelter of a raised up tent or bush arbor But by the time they sang shouted and prayed in response to the Skondeen family s music and preaching something shifted In Hidden Biscuits Audrey Skondeen Ward s memories come alive by way of her writing as words songs and voices long silent are connected through a Deep South landscape **Reflections** Gloria Mullinax,2012-11 At the beginning of World War II the British Government decided

to evacuate the children from the cities to safer places in the countryside and also overseas to other countries Really where could be safer in the country The logic behind the plan was that IF Hitler succeeded in occupying Great Britain the children could return someday and take their country back This is the story of my brother age 4 and myself age 9 who were evacuated September 9th 1939 to America My brother s mother who was my step mother accompanied us to elderly relatives that lived in New York State Then for reasons known only to herself at that time she decided to travel back across the U boat infested waters of the Atlantic to England Different homes were found eventually for us which was a miracle as there were at least 2 664 Children s Overseas Reception Board CORB children to find homes for The Kodak Company s families in New York opened their homes to these British evacuees primarily for the children of the Kodak Company in Great Britian however they ended up taking a lot of the other children As we had been sent privately on the S S Scythia we were not included in that number We also were returned May 8th 1944 one month before D Day on a Neutral Portuguese ship to Lisbon The war did not end until May 8th 1945 so we were back in England in time for the newest German weapon the Vengence Weapon l or Doodle bug or Buzz bomb This is our War Time story of our adventures mostly mine told 73 years later with the memories some good and some bad as you will see when you read the book Thank you for your interest It is still facinating to me today
