Street Smarts New Ideas For Small Companies:

Street Smarts William H. Franklin, 1990 A practical handbook for managers of small growing businesses that can help increase your chances for success by sharpening your management and strategy skills **Black Enterprise** ,1992-11 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance **The Street-smart Entrepreneur** Jay Goltz, 1998 If you re in business now or have ever even thought about being in business read this book Starting with two thousand dollars and a gritty determination to succeed Jay Goltz built his business the hard way from the ground up Early on he realized that no amount of education could prepare him for the day to day rigors of building a business So he learned through experience Today thirty five years later Goltz operates the world s largest custom picture framing facility it is thirty times the size of the average framing shop No waxing philosophical here In *The Street Smart Entrepreneur* Goltz tells it like it is offering real life lessons that can help you succeed in the in your face world of business Among the important topics Goltz covers Savvy Marketing Analysis Starting up without throwing up Understanding Cash Flow How you can be swamped with business and still go broke Grounding Your Business Controlled growth or growth out of control Hiring Smart You re only as good as your worst employee Knowing the Numbers Good accounting won t make your business but poor accounting can ruin it Leveraging Assets All your assets No just the financial ones Serving Customers Is the customer always right **The Street Smart Approach to Job Search** Kathy Bornheimer, 2004-04 [Business](#) ,1990 [The Street Smart MBA](#) James Mangraviti, Steven Babitsky, 2014-03-01 Business schools have long enticed students into their MBA programs with the promise that after a short stint spent studying the ins and outs of the business world they will be able to step right into the upper echelons of management or launch a business that soon has them flitting about the world in a private jet Sounds great you say Sign me up Not so fast Sure business school might prove a necessary prerequisite for those aiming to gain employment at a large financial institution land a job with a consultancy or accelerate their journey to managerial superstardom at a Fortune 500 company But for aspiring entrepreneurs and established business owners alike the truth of the matter is this The ability to get a business off the ground and running successfully is not the byproduct of toiling away in a classroom learning esoteric subjects like the economics of competition Rather all it takes to start and run a truly successful business are a few sensible time proven techniques that have been needlessly forgotten in business innovators haste to reinvent the wheel That s why in *The Street Smart MBA* Steve Babitsky and James J Mangraviti Jr encourage you to ditch class or better yet ditch b school altogether and go back to the business basics with a series of ten simple steps that will do more for your company than the letters M B and A ever will There are no forays into game theory in *The Street Smart MBA* no parables and no intellectualizing Instead what you will find is a practical easy to understand step by step business strategy guide that encourages you to revive a handful of

basic yet essential practices that many business owners have lost sight of such as Building a brand that is so synonymous with quality that you ll be able to maximize your company s profits in no time Turning your company s products and services into profits by finding your company aniche working with deadlines and honoring your company s image above all else Dealing with customer complaints head on so that you can turn gripes into opportunities Doing favors mentoring and sending gifts in order to grow your business network And much more With its emphasis on ten simple yet time honored principles that lead to business success The Street Smart MBA is all the business education that entrepreneurs with great ideas and business owners with the drive to succeed will ever need
