**Wisconsin Motorcyclists' Handbook**, 2001      **Proposed Conrail Acquisition (Finance Docket No. 33388) by CSX Corporation and CSX Transportation Inc., and Norfolk Southern Corporation and Norfolk Southern Railway Company (NS), Control and Operating Leases and Agreements, To Serve Portion of Eastern United States D(6v in 9pts), Dsum, F(7v), Fsum**; ,1998      *News-notes*, 1994      **Incomplete Streets** Stephen Zavestoski, Julian Agyeman, 2014-08-27 The Complete Streets concept and movement in urban planning and policy has been hailed by many as a revolution that aims to challenge the auto normative paradigm by reversing the broader effects of an urban form shaped by the logic of keeping automobiles moving By enabling safe access for all users Complete Streets promise to make cities more walkable and livable and at the same time more sustainable This book problematizes the Complete Streets concept by suggesting that streets should not be thought of as merely physical spaces but as symbolic and social spaces When important social and symbolic narratives are missing from the discourse and practice of Complete Streets what actually results are incomplete streets The volume questions whether the ways in which complete streets narratives policies plans and efforts are envisioned and implemented might be systematically reproducing many of the urban spatial and social inequalities and injustices that have characterized cities for the last century or more From critiques of a mobility bias rooted in the neoliberal foundations of the Complete Streets concept to concerns about resulting environmental gentrification the chapters in *Incomplete Streets* variously call for planning processes that give voice to the historically marginalized and more broadly that approach streets as dynamic fluid and public social places This interdisciplinary book is aimed at students researchers and professionals in the fields of urban geography environmental studies urban planning and policy transportation planning and urban sociology

*The Visual Is Political* Na'ama Klorman-Eraqi, 2019-07-19 This book examines the phenomenon of feminist photography as it unfolded in Britain during the 1970s and 1980s Klorman Eraqi offers a unique analysis of the intersection between feminism and photography and the period s social conflicts and theoretical debates and adds to the understanding of feminist countercultural practices produced in this moment and of their continuing relevance

*After Disruption* Trevor Owens, 2024-05-06 The digital age is burning out our most precious resources and the future of the past is at stake In *After Disruption A Future for Cultural Memory* Trevor Owens warns that our institutions of cultural memory libraries archives museums humanities departments research institutes and more have been disrupted and largely not for the better He calls for memory workers and memory institutions to take back control of envisioning the future

of memory from management consultants and tech sector evangelists After Disruption posits that we are no longer planning for a digital future but instead living in a digital present In this context Owens asks how we plan for and develop a more just sustainable and healthy future for cultural memory The first half of the book draws on critical scholarship on the history of technology and business to document and expose the sources of tech startup ideologies and their pernicious results revealing that we need powerful and compelling counter frameworks and values to replace these ideologies The second half of the book makes the case for the centrality of maintenance care and repair as interrelated frameworks to build a better future in which libraries archives and museums can thrive as sites of belonging and connection through collections
