## **Strenuous Commands The Ethic Of Jesus:**

*Strenuous Commands* Anthony Ernest Harvey, 1990 Was the ethic of Jesus unique Was it ever intended to be literally obeyed Have Jesus followers always evaded its implications Here is a challenging response Strenuous Commands A.E. Harvey, 1996-04-01 Was the ethic of Jesus unique Was it ever intended to be literally obeyed Have Jesus followers always evaded its implications Here is a challenging response Imitating Jesus Richard A. Burridge, 2007-10-22 In contrast to many studies of New Testament ethics which treat the New Testament in general and Paul in particular this book focuses on the person of Jesus himself Richard Burridge maintains that imitating Jesus means following both his words which are very demanding ethical teachings and his deeds and example of being inclusive and accepting of everyone Burridge carefully and systematically traces that combination of rigorous ethical instruction and inclusive community through the letters of Paul and the four Gospels treating specific ethical issues pertaining to each part of Scripture The book culminates with a chapter on apartheid as an ethical challenge to reading the New Testament using South Africa as a contemporary case study enables Burridge to highlight and further apply his previous discussion and conclusions **A Grammar of the Ethics of John** Jan G. van der Watt, 2019-11-12 Jan G van der Watt analyses in detail the ethics of John's letters against their respective socio historical backgrounds He then compares the ethics of the Gospel and Letters showing that the basic core narrative overlaps in these writings although some ethical material is applied in different ways to different situations A rich ethical landscape is revealed addressing issues like the importance of interpersonal relations which results in co operation through mutual love The author shows that the focus in 1 John is pastoral aiming at convincing the addressees not to be deceived by their schismatics but to strengthen their relationships with the eyewitness group In 2 John advice is given about visitors who threaten the church with false teachings while 3 John deals with a conflict about receiving travelling missionaries In both cases ethical guidelines are given which aim at protecting the group Volume 2 Dust Jacket Inside front Flap Jesus the Messiah Robert H. Stein, 2009-08-20 In this accessible introduction to Jesus Christ Robert Stein draws together the results of a career of research and writing on Jesus and the Gospels Now in paperback this classic textbook is clearly written ably argued and geared to the needs of students giving probing minds a sure grounding in the life and ministry of Jesus

**Engaging Ethically in a Strange New World** Michael Bräutigam, Gillian Asquith, 2019-07-11 Christians in Australia are facing serious ethical issues Contentious topics such as same sex marriage the assisted dying bill gender fluidity and attempts to censor Jesus talk in the schoolyard present serious challenges and require us to think more deeply about how we are to live in a strange new world This volume presents papers from the 2018 Paradosis Conference at Melbourne School of Theology and brings together a number of voices to explore doctrinal foundations and their practical outworkings in the fields of biblical studies systematic and practical theology Islamic studies and medical ethics Contributors examine questions of contemporary interest as they pertain to both the Christian community itself and to Christian engagement with wider

society Part 1 comprises papers examining ethics in the Old Testament wisdom books decision making according to an early church model the theological history of ethics and the pastoral implications of Jonathan Edwards s reflections on beauty Part 2 investigates the ramifications for Christian social ethics of the paradox of Jesus s stringent moral commands and his inclusive lifestyle Islam s approach to homosexuality virtue ethics as an alternative narrative within the assisted dying debate and the role of docility as a virtue in teaching pastoral theology and mission      **New Testament Ethics** Frank J.

Matera,1996-01-01 Neither Jesus nor Paul developed a formal ethical system yet each left a moral legacy that forms the core of New Testament ethics In this book Frank Matera examines the ethic found in the teachings of Jesus and Paul He explores the broad range of moral concerns found in these writings and finds an identifiable unity that underlies the ethical teachings of both      *Dictionary of Jesus and the Gospels* Joel B. Green,Scot McKnight,I. Howard Marshall,1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels

*The Christian Case for Virtue Ethics* Joseph J. Kotva Jr.,1996-09-01 Despite the growing interest among philosophers and theologians in virtue ethics its proponents have done little to suggest why Christians in particular find virtue ethics attractive Joseph J Kotva Jr addresses this question in *The Christian Case for Virtue Ethics* showing that virtue theory offers an ethical framework that is highly compatible with Christian morality Kotva defines virtue ethics and demonstrates its ability to voice Christian convictions about how to live the moral life He evaluates virtue theory in light of systematic theology and Scripture arguing that Christian ethics could be profitably linked with neo Aristotelian virtue ethics Ecumenical in tone this book provides a thorough but accessible introduction to recent philosophical accounts of virtue and offers an original explicitly Christian adaptation of these ideas It will be of value to students and scholars of philosophy theology and religion as well as to those interested in the debates surrounding virtue ethics      *The Gospels and the Scriptures of Israel* Craig A. Evans,W.

Richard Stegner,2004-10-01 This book offers studies by leading international scholars concerned with the New Testament Gospels and their relationship to and usage of the Old Testament the scriptures of Israel Several essays are devoted to each of the four Gospels Questions of sources form redaction tradition and method are raised and discussed The contributors are convinced that the Gospels cannot be understood correctly apart from a careful consideration of their indebtedness to the Old Testament Readers will be treated to new interpretations and lively debate      **The New Testament and the People of**

**God** N. T. Wright,1992-01-01 Provides a historical theological and literary study of first century Judaism and Christianity offering a preliminary discussion of the meaning of the word god within those cultures and explores the ways in which developing an understanding of those first century cultures are of relevance for the modern world Original      *The Kenotic Organization* Brian E. Ruffner,2023-01-25 Although organizations frequently proclaim the desire for change renewal and transformation few ever fully embrace those ideas failing to rise above more than mere mediocrity and never realizing even a fraction of their true potential Certainly many pontificate on the nature of organizations as they live and breathe so to speak

yet few question how the organization ought to be This ought belies the existential and ethical dimensions of organizing and as such points to a discipline not often associated with the organizational realm theology To this end the concept of the kenotic organization offers a much needed antidote to the syndrome described above Drawing on the divine Trinitarian kenosis observed in the creation event and witnessed in the Incarnation the simultaneous actions of self limiting and pouring out inform the organizational cause and expose a deeply entangled organizational mesh enveloping the entire cosmos which can serve as a catalyst to excite preferred organizational behaviors It is in fact the humility of Trinitarian kenosis the willingness to withdraw but also at once pour out the individual essence that generates the thrust necessary to escape the gravitational pull of convention which typically inhibits organizational flourishing

Gear, 2022-03-31 What will you do as a parent if your fourteen year old comes home from school and says You and the teachers have been telling me Columbus discovered the Americas You've lied to me because that isn't true There are no such things as facts and I decide the meaning of what is written in my textbooks I'm the one who chooses the interpretation of any writing including history and the stories of Columbus How are you going to answer especially in light of what the Encyclopaedia Britannica states about Columbus This book examines how historical Jesus scholar John Dominic Crossan has dismantled education TV viewing by application and religious studies with his postmodern deconstruction of the text His theme is I formulate it here as I see it Texts and interpretations are out of the mind of Crossan Using a hypothesis testing technique the author challenges Crossan's perspective that Jesus's resurrection was an apparition and not a bodily resurrection Even though he calls on others to First read the text that is not what he does The philosophical crusher has found him out to be contradictory in his assessment of history in his autobiography and his own writings on the historical Jesus

*Reading the Bible across Contexts* Esa J. Autero, 2016-06-10 In *Reading the Bible Across Contexts* Esa Autero offers a fresh perspective on Luke's poverty texts In addition to an historical reading he conducted an empirical investigation of two Latin American Bible reading groups one poor and the other affluent to shed light on Luke's poverty texts The interaction between historical reading and present day readings demonstrates the impact of socio-economic status on biblical hermeneutics and sheds new light on Luke's views on wealth and poverty At the same time Esa Autero critically examines liberation theologian's claim that poor are privileged biblical interpreters

B. Cameron, 2022-12-29 Overviewing what makes the intersection between emotion and ethics so confusing this book surveys an older wisdom in how to manage it using a range of Christian theologians and sources More important even than managing we begin to see a vision for a better set of affections to grow within and among us In this vision emerges a practical and nuanced account of what the Christian tradition sometime summarises as love How may we recover a deep affection for what matters both within ourselves and together in groups This book also dialogues with a new movement in moral psychology social intuitionism Cameron argues that researchers in this discipline have interests and conclusions that sometimes overlap with Christian sources even where their respective lenses differ In this way the book overviews recent trends in moral psychology against a recent historical and contemporary cultural backdrop whilst assaying major sources in Christian theology that offer guidance on moral psychology

Fields of Blood Karen Armstrong, 2014-10-28 A sweeping exploration of religion and the history of human violence from the New York Times bestselling author of *The History of God* Elegant and powerful Both erudite and accurate dazzling in its breadth of knowledge and historical detail The Washington Post In these times of rising geopolitical chaos the need for mutual understanding between cultures has never been more urgent Religious differences are seen as fuel for violence and warfare In these pages one of our greatest writers on religion Karen Armstrong amasses a sweeping history of humankind to explore the perceived connection between war and the world's great creeds and to issue a passionate defense of the peaceful nature of faith With unprecedented scope Armstrong looks at the whole history of each tradition not only Christianity and Islam but also Buddhism Hinduism Confucianism Daoism and Judaism Religions in their earliest days endowed every aspect of life with meaning and warfare became bound up with observances of the sacred Modernity has ushered in an epoch of spectacular violence although as Armstrong shows little of it can be ascribed directly to religion Nevertheless she shows us how and in what measure religions came to absorb modern belligerence and what hope there might be for peace among believers of different faiths in our time

Collins, 2017-04-07 Few New Testament texts have had their meaning debated so vigorously as those in which Jesus discusses divorce Matthew 5 32 Matthew 19 6 9 Mark 10 9 12 Luke 16 18 and 1 Cor 7 11 From the early Church through there

formation and into the present day they have continued to rouse debate within the Churches and among believers This work focuses on one aspect of that debate namely what Jesus has to say regarding divorce when his sayings are interpreted in their literary and historical context To aid in this contextual understanding the sayings are studied in the order in which they were written down in ancient times Not every aspect of the debate therefore is addressed nor could it be on an issue of such personal and pastoral complexity Yet it is the challenge of biblical scholars to study the Word of God in all its complexity and to try to make that Word understandable This work is offered to scholars and believers alike in the hope of adding to that understanding
