Stretching Exercises For Qualitative Researchers:

"Stretching" Exercises for Qualitative Researchers Valerie J. Janesick, 2010-11-03 In this updated version of her innovative book author Valerie J. Janesick extends her dance and yoga metaphors to strengthen her argument that tapping into one's artistic side, the side that is more creative and less inhibited, is fundamental to realizing one's potential as a qualitative researcher. This Third Edition provides a series of exercises that are both imaginative and immensely practical in helping students to see the artistic side of research.

"Stretching" Exercises for Qualitative Researchers Valerie J. Janesick, 2004 Overall I consider this work to be a valuable resource for teachers and students of research as well as researchers who want to extend or refine their skills. *Qualitative Research Journal* Through the use of exercises, this book helps readers develop the skills necessary to become an effective qualitative researcher. This edition includes new chapters on the analysis and interpretation of qualitative data and narrative techniques, including coverage of autobiography, biography, and life history as viable approaches to understanding the social world.

Designing Qualitative Research Catherine Marshall, Gretchen B. Rossman, 2011 This popular text provides useful and pragmatic guidance for developing and successfully defending proposals for qualitative inquiry. The Fifth Edition addresses the advances and challenges presented by developments and new applications while providing direct guidance. Focusing on the proposal stage of research, this edition allows the reader to have a clear plan for data analysis and for the challenging varieties of final reports of qualitative inquiries. The new edition includes expanded coverage of ethics, analysis processes, and approaches, and is full of updated vignettes that illustrate the methodological challenges that face today's qualitative researcher. This edition also includes discussions about distance-based research, such as email interviews and online discussion groups, the implications of postmodern turns, integrating archival material in qualitative research, and creative ways of presenting the research. This text is an invaluable resource to teachers and students of research methods across disciplines and is a must for the library of those using qualitative approaches.
