The Grammar of the English Language Made Easy, Etc William Nicholson (of Halifax.),1864      **Welsh & English Exercises, Adapted for Use with the Author's Elements of Welsh Grammar** Samuel J. Evans,1906      **Dictionarium Scoto-celticum** Highland and Agricultural Society of Scotland,1828      *Using Russian* Derek Offord,2005-07-14 Using Russian is a guide to Russian usage for those who have already acquired the basics of the language and wish to extend their knowledge Unlike conventional grammars it gives special attention to those areas of vocabulary and grammar which cause most difficulty to English speakers and focuses on questions of style and register which are all too often ignored Clear readable and easy to consult it will prove invaluable to students seeking to improve their fluency and confidence in Russian This second edition has been substantially revised and expanded to incorporate fresh material and up to date information Many of the original chapters have been rewritten and one brand new chapter has been added providing a clear picture of Russian usage in the 21st century      Northern Germany Karl Baedeker (Firm),1877      **The Student's Comparative Grammar of the French Language** G. Eugene,2023-04-13 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost

**Dictionarium Scoto-Celticum: a Dictionary of the Gaelic Language (etc.)**,1828      The Phonetic and Tonal Structure of Kikuyu Liliias A. Armstrong,2017-09-20 Originally published in 1940 this book was the result of 3 years worth of phonetic research and analysis with the aim of laying foundations for improved methods of teaching and ascertaining the most scientific basis for current orthography of the Kikuyu language of Kenya      *An Elementary Latin Grammar* Arthur Sloman,1913      *The Pahlavī Version of Yasna IX* Manekji Davar,1904      **Higher Persian Grammar for the Use of the Calcutta University** Douglas Craven Phillott,1919      Webster's New International Dictionary of the English Language Noah Webster,1913      Handbook of Biblical Hebrew William Sanford LaSor,William Sanford La Sor,1989-01-26 This is a print on demand book and is therefore non returnable The Handbook designed as a complete tool for the student of Biblical Hebrew is the result of over twenty five years of teaching the language While it is primarily intended for use in Hebrew courses it is also an excellent tool for a refresher course or useful as a basic grammatical reference work to aid the exegete Similar in format to the author's Handbook of New Testament Greek it combines reading lessons vol 1 with grammar paradigms and basic vocabulary vol 2 William LaSor uses the inductive method studying directly from the text rather than the conventional method of language study in which beginning students learn the rules of grammar and syntax and memorize vocabulary often without reading the actual text Instead of memorizing numerous forms that will never be encountered in actual reading the student learns only what he or she encounters The lessons are based on the Hebrew text of Esther chosen because it presents little difficulty in theological or textual matters and has an excellent vocabulary LaSor has included

readings from other portions of the Bible such as several chapters from Genesis to introduce the student to Hebrew other than that found in Esther The diligent student of this method will learn not only the elements of Hebrew but also how to inductively study the language and how to learn by induction what the Hebrew text says *The Quarterly review* ,1845
