Joseph Alan T. Levenson,2016-09 The complex and dramatic story of Joseph is the most sustained narrative in Genesis Many call it a literary masterpiece and a story of great depth that can be read on many levels In a lucid and engaging style Alan T Levenson brings the voices of Philo Josephus Midrash and medieval commentators as well as a wide range of modern scholars into dialogue about this complex biblical figure Levenson explores such questions as Why did

Joseph's brothers hate him so What is achieved by Joseph's ups and downs on the path to extraordinary success Why didn't Joseph tell his father he was alive and ruling Egypt What was Joseph like as a husband and father Was Joseph just or cruel in testing his brothers' characters Levenson deftly shows how an unbroken chain of interpretive traditions mainly literary but also artistic have added to the depth of this fascinating and unique character

The Biblical World of Gender Celina Durgin, Dru Johnson, 2022-06-14 What were the lives of women and men like in ancient Israel How does it affect their thinking about gender Recent discussions of biblical womanhood and manhood tend to reflect our current concepts of masculinity and femininity and less so the lived world of the biblical authors In fact gender does not often appear to be a noteworthy issue in Scripture at all except in practical matters Nonetheless Genesis 1 invests the image of God itself with male and female making sex central to what it means to be human Instead of working out gender through Genesis's creation and Paul's household codes we want to ask What was life like on an ancient Israelite farmstead in a Second Temple synagogue or in a Roman household in Ephesus Who ran things in the home in the village in the cities Who had influence and social power and how did they employ it Taking insights from anthropology and archaeology the authors of this collection paint a dynamic portrait of gender in antiquity that has been put into conversation with the biblical texts The Biblical World of Gender explores gender backstage in the daily lives and assumptions of the biblical authors and on stage in their writings Table of Contents Introduction Meanwhile Back at the Ranch The Context of Gender in the Bible Celina Durgin and Dru Johnson Surprising Gender Roles in the Ancient World 1 The Importance of Bread Archaeology the Bible and Women's Power in Ancient Israel Carol L Meyers 2 The Material World of Women and Men in Scripture Gender and the Ancient Israelite Household Cynthia Shafer Elliott 3 What We Can Learn from Women's Roles in Ancient Synagogues Jeffrey P Garcia 4 The Agency of Women in Ancient Rome Lynn H Cohick Gender in the Biblical Texts i The Good 5 Freedom Fighters of the Exodus Carmen Joy Imes 6 Heroic Women of the New Testament James F McGrath 7 Finding Good Men in the Old and New Testaments Beth M Stovell Gender in the Biblical Texts ii The Bad 8 The Roots of Violence Male Violence against Women in Genesis Matthew J Lynch 9 Did Early Christians Give Dignity and Honor to Female Slaves Nijay K Gupta 10 For All Have Sinned Learning from Bad Women in the Bible Dru Johnson Gender in the Biblical Texts iii The Misunderstood 11 Does God Really Command Women to Marry Their Rapists A Study of Deuteronomic Law Sandra L Richter 12 Veiling in Corinth A Surprising Sign of Equality Janelle Peters 13 Paul and the Women He Greeted Erin Heim

Of Virgins and Martyrs David Jacobson, 2013-01-31 Explores the role of women's status bodies and sexuality in global conflicts Women's bodies have become a battleground Around the world people argue about veiling schooling for Afghan girls and SlutWalk protests all of which involve issues of women's sexuality and freedom Globalization with its emphasis on human rights and individuality heats up these arguments In Of Virgins and Martyrs David

Jacobson takes the reader on a fascinating tour of how self identity developed throughout history and what individualism means for Muslim societies struggling to maintain a sense of honor in a globalized twenty first century Some patriarchal societies have come to see women s control of their own sexuality as a threat to a way of life that goes back thousands of years Many trace their lineage to tribal cultures that were organized around the idea that women s virginity represents the honor of male relatives and the good of the community at large Anyone or anything that influences women to the contrary is considered a corrupting and potentially calamitous force Jacobson analyzes the connection between tribal patriarchy and Muslim radicalism through an innovative tool the tribal patriarchy index This index helps to illuminate why women s sexuality dress and image so compel militant Muslim outrage and sometimes violent action revealing a deeper human story of how women s status defines competing moral visions of society and why this present clash is erupting with such ferocity
