Strike Two:

Strike Two in Search of Enigmatic One Looking for Love While Dealing with Life Erasmus, 2005 One man's hopeless and sometimes zany attempts at love while contending with life's hiccoughs blotched encounters an unplanned child false assumptions outright lies and true love Rally on Two Scott I. Zucker, 2018-01-23 In *Rally on Two* Hank Bennett was happily married with a young child until he loses everything in a devastating accident While trying to cope with the realities of his new life Hank is also trying to manage an ongoing law practice While struggling to make it day to day he is assigned a pro bono criminal case where a young boy is fighting to prove his innocence and he takes on a whistle blower case that may finally provide the answers to explain a family's untimely death Hank's chance at recovery is strengthened when he is asked to coach a local little league team In many ways his time working with his young baseball players becomes a metaphor for Hank's life Hank begins to understand that just like in baseball there are wins and losses in everyone's life At the end of the day when Hank is facing two outs in his own life he has the chance to give up or fight for his own redemption He has the chance to rally on two The question is can he do it The Allen Monthly, 1927 *Ghost Runner on Second* Bobby Alvarez, 2002-11-28 If you could change any one moment of your life would you Would altering that one moment make you happier than you are right now Or would God make sure you were just as happy no matter what path you took to get to today Travis Campbell stands at home plate during one such life altering moment If he guesses the next pitch correctly and hits a home run his life will head in one direction A double down the line will mean a completely different destiny Striking out will produce yet another universe of possibilities Travis readies himself for the pitch and guesses fastball Where exactly will that choice take him **Mech**, 1990 **Radicals in the Barrio** Justin Akers Chacón, 2018-06-26 *Radicals in the Barrio* uncovers a long and rich history of political radicalism within the Mexican and Chicano working class in the United States Chacón clearly and sympathetically documents the ways that migratory workers carried with them radical political ideologies new organizational models and shared class experience as they crossed the border into southwestern barrios during the first three decades of the twentieth century Justin Akers Chacón previous work includes *No One is Illegal* Fighting Racism and State Violence on the U S Mexico Border with Mike Davis **Amendments to the National Labor Relations Act** United States. National Labor Relations Board, 2003 This is Far Enough Tom Scott, 2019-06-28 The CIA sends an American Homeland Security Agent on a special assignment to Italy to search for a shipment of smuggled surface to air missiles and the ingredients for a dirty bomb Opening Up by Cracking Down Adam Dean, 2022-10-06 How did democratic developing countries open their economies during the late twentieth century Since labor unions opposed free trade democratic governments often used labor repression to ease the process of trade liberalization Some democracies brazenly jailed union leaders and used police brutality to break the strikes that unions launched against such reforms Others

weakened labor union opposition through subtler tactics such as banning strikes and retaliating against striking workers Either way this book argues that democratic developing countries were more likely to open their economies if they violated labor rights Opening Up By Cracking Down draws on fieldwork interviews and archival research on Argentina Mexico Bolivia Turkey and India as well as quantitative analysis of data from over one hundred developing countries to places labor unions and labor repression at the heart of the debate over democracy and trade liberalization in developing countries Yankee Stories Untold Rich Marazzi,2024-03-06 Rich Marazzi has experienced Yankee history and its culture first hand as a fan a writer for Yankees Magazine a radio talk show host umpire in the Old Timer s Day game for 16 years a writer for Mel Allen the long time voice of the Yankees and currently as a baseball rules consultant who was hired by general manager Brian Cashman in 2004 He was also trained by Bob Sheppard as a back up to the legendary Yankee Stadium public address announcer In this book Marazzi takes the reader inside Yankee baseball by covering life in the press box the dugout the clubhouse the umpire s room and more He compiles untold Yankee stories culled from interviews of many of the Yankee greats over the last seven decades including Mickey Mantle Yogi Berra Phil Rizzuto Don Mattingly Derek Jeter and more

Don Zimmer, Bill Madden, 2014-05-27 Don Zimmer is baseball His first book *Zim A Baseball Life* was a New York Times bestseller and one of the best baseball memoirs ever published Now in *The Zen of Zim* one of baseball's most beloved figures offers readers an insightful look into the baseball of yesterday and today Baseball fans will love hearing Zim's positions on such things as pitching inside managing bosses and more With more than fifty six years in baseball Don Zimmer had seen it all or so he thought before he ran into George Steinbrenner Here Zimmer provides a revealing account of his eight years as Joe Torre's right hand man and the jealousy vindictiveness and pettiness that ultimately destroyed a twenty five year friendship with Steinbrenner Zim will also discuss the circumstances that led to his charging onto the field at Fenway Park and throwing a haymaker at Boston Red Sox pitcher Pedro Martinez He'll share with readers what it was like to work for other baseball owners shed new light on general managers like Branch Rickey and Dan Duquette and critique the managing styles of some of the most famous and notorious skippers of the twentieth century from Casey Stengel and Earl Weaver to Gene Mauch and Billy Martin In a chapter called *What Have They Done to My Game* Zim will offer a crash course in baseball anthropology describing how the game and its players have changed over the past fifty years and showing how big money and free agency have destroyed clubhouse camaraderie and turned a team sport into a transient game In contrast he celebrates his close knit teammates on the 1955 Brooklyn Dodgers team and the lifelong friendships that were made Zim has seen it all and here readers learn even more of his life and dreams and of baseball through a half century of experience It is a story jam packed with laughs and anecdotes with excitement and comedy And it is superbly told **Transforming the**
