Striking Back The Labour Movement And The Post Colonial State In Zimbabwe 1980 :

Guerrilla Veterans in Post-war Zimbabwe Norma J. Kriger, 2003-05-29 Zimbabwe's guerrilla veterans have burst into the international media as the storm troopers in Mugabe's new war of economic liberation. In this book Norma Kriger gives the unfolding contemporary drama a historical background and shows continuities between the present and past. Between 1980 and 1987 guerrilla veterans and the ruling party colluded with and manipulated each other to build power and privilege in the army, police bureaucracy and among workers. Both relied chiefly on violence and appeals to their participation in the anti-colonial liberation war as they sought to vanquish their then political opponents. Today violence and a liberation war discourse continue to be salient as Mugabe's party and its guerrilla veterans struggle to maintain power through land invasions and purges of a new political opposition. This study gives a critical review of guerrilla programs and the war to peace transitions literatures, thus changing the way we view post-conflict societies. [The Struggle over State Power in Zimbabwe](#)

George Hamandishe Karekwaivanane, 2017-11-09 The establishment of legal institutions was a key part of the process of state construction in Africa and these institutions have played a crucial role in the projection of state authority across space. This is especially the case in colonial and postcolonial Zimbabwe. George Karekwaivanane offers a unique long-term study of law and politics in Zimbabwe which examines how the law was used in the constitution and contestation of state power across the late colonial and postcolonial periods. Through this he offers insight on recent debates about judicial independence, adherence to human rights and the observation of the rule of law in contemporary Zimbabwean politics. The book sheds light on the prominent place that law has assumed in Zimbabwe's recent political struggles for those researching the history of the state and power in Southern Africa. It also carries forward important debates on the role of law in state making and will also appeal to those interested in African legal history. **Civil Society and the Party-state in Zimbabwe**

Zenzo Moyo, 2024-08-21 The book utilises Gramsci's concepts of hegemony, counter-hegemony, organic intellectuals and integral state to interrogate how modes of engagement between the state and civil society have contributed to a polarised polity in Zimbabwe and in turn how this has impacted democratisation processes. This was achieved by analysing intra-civil society interactions and state-civil society relations which established deep polarised relationships that can be traced back to the liberation struggle. It also interrogates ideologies that drive these polarised relations and how together with material benefits from donors and the party-state these relations impact ordinary people's modes of existence. One of the arguments that emerge from the book is that political polarisation in Zimbabwe has now morphed into an established political culture that has played a huge role in the retardation of democratic struggles. It uses ideas of entangled modernities and travelling theory to cast doubt on the belief that civil society is the missing key in the democratisation of developing countries.

Kanyenze: Zimbabwe: The Link Between Politics and, 2023-03-20 In this accessible and authoritative book Godfrey Kanyenze provides a comprehensive and far-reaching analysis of the socio-economic development in Zimbabwe in light of the

expanding authoritarianism and the ongoing destruction of democratic institutions during the four decades after independence Kanyenze describes the various phases of the socio economic development starting with 1980 when the people of Zimbabwe saw their hard won independence and new democracy as a promise for a *Nations and their Histories* S. Carvalho,F. Gemenne,2009-10-09 *Nations and their Histories* highlights the importance of the past and its uses in the formation of modern nations and national identities The book looks at the construction of different national historiographies as well as present representations of the past in the political and cultural life of nations covering the five continents

'Progress' in Zimbabwe? David Moore,Norma Kriger,Brian Raftopoulos,2013-09-13 Zimbabwe s severe crisis and a possible way out of it with a transitional government and the new era for which it prepares the ground demands a coherent scholarly response Progress can be employed as an organising theme across many disciplinary approaches to Zimbabwe s societal devastation At wider levels too the concept of progress is fitting It underpins modern liberal and radical perspectives of development pervading the social sciences and humanities Yet perceptions of progress are subject increasingly to intensive critical inquiry Their gruesome end is signified in the political projects of Robert Mugabe and ZANU PF John Gray s *Black Mass Apocalyptic Religion and the Death of Utopia* indicates this It is expected that participants will engage directly in debates about how the idea of progress has informed their disciplines from political science and history to labour and agrarian studies and then relate these arguments to the Zimbabwean case in general and their research in particular This book was published as a special issue of the *Journal of Contemporary African Studies* **Circular Migration in Zimbabwe & Contemporary Sub-Saharan Africa** Deborah Helen Potts,2010 The World Bank insists that the urban share of sub Saharan Africa s population is rapidly increasing this study shows that in many countries this is no longer true as migration strategies have adapted in response to economic and political change Circular migration whereby rural migrants do not remain permanently in town has particular significance in the academic literature on development and urbanization in Africa often having negative connotations in southern Africanist studies due to its links with an iniquitous migrant labour system Literature on other African regions often views circular migration more positively This book reviews the current evidence about circular migration and urbanization in sub Saharan Africa The author challenges the dominant view that rural urban migration continues unabated and shows that circular migration has continued and has adapted with faster out migration in the face of declining urban economic opportunities The empirical core of the book illustrates these trends through a detailed examination of the case of Zimbabwe based on the author s longstanding research on Harare The political and economic changes in Zimbabwe since the 1980s transformed Harare from one of the best African cities to live in over this period to one of the worst Harare citizens livelihoods exemplify in microcosm the central theme of the book the re invention of circulation and rural urban links in response to economic change Deborah Potts is a Senior Lecturer in the Geography Department of King s College London She works in the broad research field of urbanization and migration in sub Saharan Africa particularly

southern Africa and has conducted research on these themes in Harare in Zimbabwe since 1985 Southern Africa South Africa Botswana Lesotho Swaziland Namibia and Zimbabwe University of Cape Town Press PB *Civil Society and the Sustainable Development Goals in Africa* Dudziro Nhengu, 2025-06-25 This book is a comprehensive and insightful work that explores the vital role of civil society organizations CSOs in achieving the Sustainable Development Goals SDGs in Africa Featuring contributions from 14 experts in the field this book delves into the complexities of CSO state partnerships the impact of international donors and the challenges faced by CSOs in advancing SDGs in Africa With a focus on gender equality quality education and good health and well being this book offers valuable insights and recommendations for policymakers practitioners and scholars seeking to understand the critical role of CSOs in driving sustainable development in Africa The book covers a range of topics including the role of CSOs in promoting quality education advancing gender equality and improving health outcomes It also examines the challenges faced by CSOs including limited funding restrictive policies and inadequate infrastructure Through case studies and empirical research the contributors provide nuanced analyses of the complex relationships between CSOs governments and international donors A timely and important contribution to the discourse on sustainable development in Africa the book will be of interest to policymakers practitioners and scholars seeking to understand the critical role of CSOs in driving sustainable development in Africa *African nurses and everyday work in twentieth-century Zimbabwe* Clement Masakure, 2020-12-15 Informed by the memories of African nurses this book highlights the experiences of men and women who provided nursing services in Zimbabwe s hospitals in the twentieth century It argues that in their subordinate positions and within their various capacities nursing assistants nursing orderlies medics and qualified nurses African women and men played a pivotal role in the provision of healthcare services to their fellow Africans They transformed hospital spaces into their own reshaped and reformulated indigenous as well as western nursing and biomedical practices Through their work African nurses contributed to the development of the nation by being at the bedside healing the sick and nursing the infirm **The Oxford Handbook of Employment Relations** Adrian Wilkinson, Geoffrey Wood, Richard Deeg, 2014-03-13 There have been numerous accounts exploring the relationship between institutions and firm practices However much of this literature tends to be located into distinct theoretical traditional silos such as national business systems social systems of production regulation theory or varieties of capitalism with limited dialogue between different approaches to enhance understanding of institutional effects Again evaluations of the relationship between institutions and employment relations have tended to be of the broad brushstroke nature often founded on macro data and with only limited attention being accorded to internal diversity and details of actual practice The Handbook aims to fill this gap by bringing together an assembly of comprehensive and high quality chapters to enable understanding of changes in employment relations since the early 1970s Theoretically based chapters attempt to link varieties of capitalism business systems and different modes of regulation to the specific practice of employment relations and offer a truly

comparative treatment of the subject providing frameworks and empirical evidence for understanding trends in employment relations in different parts of the world Most notably the Handbook seeks to incorporate at a theoretical level regulationist accounts and recent work that link bounded internal systemic diversity with change and at an applied level a greater emphasis on recent applied evidence specifically dealing with the employment contract its implementation and related questions of work organization It will be useful to academics and students of industrial relations political economy and management

Trade Unions and Democracy Geoffrey Wood, 2017-09-29 *Trade Unions and Democracy* explores the role of trade unions as products of and agents for democracy As civil society agents unions may promote democracy within the wider society especially in the case of authoritarian regimes or other rigid political systems by acting as watchdogs and protecting hard won democratic gains Established democratic institutions in many advanced societies are facing new challenges The problem with using trade unions for this purpose is that they remain locked in a cycle of political marginalization and decline Beyond this there are ironically serious questions about whether unions themselves internally function as democracies Certainly there are tensions between rank and file membership and an authoritarian leadership with this infighting having possible effects on strategic deals or alliances and member accountability and actions On the other hand trade unions continue to represent a significant component of society within most industrialized countries and in many case they have a demonstrated capacity for working with other elements of civil society Looking forward trade unions may be able to play a vital role in channeling and focusing spontaneous popular upsurges In the process they may revitalize themselves through use of greater internal democracy and become geared toward more diverse constituencies The question is will they fulfill this promise or continue to suffer from internal breakups and external breakdowns Can trade unions save themselves and democracy or will both deteriorate in time *Trade Unions and Democracy* brings together a distinguished panel of leading and emerging scholars in the field and provides a critical assessment of the current role of trade unions in society It explores their capacity to affect political policies to ensure greater accountability and fairness It also explores the nature of and extent to which internal representative democracy actually operates within trade unions themselves Mark Harcourt is a professor in the Department of Strategic Management and Leadership at Waikato University in New Zealand

Zimbabwe since the Unity Government Stephen Chan, Ranka Primorac, 2013-09-13 Zimbabwe has moved from a condition of restricted expression to one of many contradictory expressions Politics has lost none of its compromises and conflicts but it has been amplified by an explosion of voices For the first time a genuine debate is possible among many actors insiders and outsiders and the question marks over Zimbabwe and its future are no longer in terms of a narrow choice between one party and another one outlook or another Compromise government has meant complexity of debate This does not preclude disillusionment within debate but it does include vigour and imagination in debate This book includes essays from renowned scholars governmental and diplomatic figures and prioritises contributions by Zimbabweans themselves The essays provide a

blend of academic and practitioner observation and judgement which no other volume has done This book was published as a special issue of The Round Table The Hidden Dimensions of Operation Murambatsvina Maurice Vambe,2008-12-15 In his introduction to The Hidden Dimensions Maurice Vambe argues that the treatment of people as human dirt demands the notion of citizenship in Zimbabwe be rethought *Contesting Torture* Rory Cox,Faye Donnelly,Anthony Lang Jr.,2022-10-27 This edited volume seeks to contest prevailing assumptions about torture and to consider why despite its illegality torture continues to be widely employed and misrepresented The resurgence of torture and public justifications of it led to the central questions that this inter disciplinary volume seeks to address How is it possible for torture to be practiced when it is legally prohibited What kinds of moves do agents make that render torture palatable Why do so many ignore the evidence that torture is ineffective as an intelligence gathering technique Who are the victims of torture The various contributors in the book look to history the practices of interrogators artistic representations documentary films rendition policies political campaigns diplomatic discourses international legal rules refugee practices and cultural representations of death and the body to illuminate how torture becomes permissible Building from the personal to the communal and from the practical to the conceptual the volume reflects the multivalence of torture itself This framework enables readers at all levels better appreciate how and why torture is open to so many interpretations and applications This book will be of much interest to students of International Relations Security Studies Terrorism Studies Ethics and International Legal Studies **New Millennium Woes and Livelihood Struggles in Africa** Peter Thomas,Ngonidzashe Marongwe,2021-05-19 One of the oldest survival pursuits undertaken by the weak and the downtrodden people across the world has been begging Going back to the ancient Christian biblical times up to the present epoch as well as across varying spatial settings in situations of trouble and tribulations parts of various communities have resorted to beggary to either overcome immediate adversities or longer term calamities Drawing on insights from two polar theoretical lenses of Social Constructionism and Social Deconstructionism and guided by a pithy study of the begging across the African continent especially by Zimbabweans this book troubles the various contours related to the subject of begging Inter alia the book considers the concept of begging the causes of the prevalence of begging across the world and particularly among Zimbabweans the challenges and benefits associated with the pursuit of alms the impact of begging in foreign lands as well as some of the strategies that beggars employ to maximize their collections and or profits What can be discerned from the book is that for many begging is one of the last resort undertakings with low pickings However from a utilitarian perspective begging has helped to sustain the impoverished livelihoods of Zimbabweans both inside and outside the borders of the country since the advent of a debilitating crisis experienced from the turn of the new millennium On the whole this book seeks to provoke further researches on an important socio economic area that affects many African communities but has so far been scantily researched The book is handy for students and practitioners in economic history African studies economics risk and disaster management social

anthropology political science and development studies African Journal of New Poetry No. 5 ,2008 Zimbabwe in Transition Timothy Murithi,Aquilina Mawadza,2011 Zimbabwe s Transition to Democracy in the post independence era has been a very difficult one To date there have been a number of sustained efforts by various local regional and international actors to move Zimbabwe towards democracy as well as attempts to find a lasting solution to the political and economic crises that seriously affected the country s progress from the late 1990s However these attempts have been less successful mainly because Zimbabwe has complex political and economic problems with interlocking national regional and international political and economic dimensions rooted in both historical and contemporary factors and developments To understand the complexities of the challenges to Zimbabwe s transition to democracy as well as prospects for political change and democracy in the country Zimbabwe in Transition critically examines both the historical and contemporary dynamics shaping political and economic developments in the country taking into account voices from a broad spectrum of Zimbabwean society including civil society faith based communities the diaspora women community leaders the media youth and regional actors such as SADC and the AU Book jacket Robert Mugabe Stephen Chan,2003 An informed insightful biography of Zimbabwe s first and only president which tells of his fateful path from revolutionary patriot to ruthless dictator **Mugabe** Stephen Chan,2019-04-18 On 21st November 2017 Robert Mugabe resigned as President of Zimbabwe after 37 years in power A week earlier the military had seized control of the country and forced him to step down as leader of the ruling Zanu PF party In this revised and updated edition of his classic biography Stephen Chan seeks to explain and interpret Mugabe in his role as a key player in the politics of Southern Africa In this masterly portrait of one of Africa s longest serving leaders Mugabe s character unfolds with the ebb and flow of triumph and crisis Mugabe s story is Zimbabwe s from the post independence hopes of idealism and reconciliation to electoral victory the successful intervention in the international politics of Southern Africa and the resistance to South Africa s policy of apartheid But a darker picture emerged early with the savage crushing of the Matabeleland rising the elimination of political opponents growing corruption and disastrous intervention in the Congo war all worsened by drought and the HIV AIDS crisis Stephen Chan s highly revealing biography based on close personal knowledge of Zimbabwe depicts the emergence and eventual downfall of a ruthless and single minded despot amassing and tightly clinging to political power We follow the triumphant nationalist leader who reconciled all in the new multiracial Zimbabwe degenerate into a petty tyrant consumed by hubris and self righteousness and ultimately face an ignominious endgame at the hands of his own army Africa since Independence Paul Nugent,2012-06-13 An indispensable introductory textbook that provides students with a genuinely comparative study of the different trajectories and experiences of independent African states Paul Nugent explores a range of key concerns including the impact of HIV and AIDS the contagion of warfare and efforts at achieving national reconciliation both in the past and today This is an ideal core text for modules on Modern African History African Politics or Africa since Independence or a supplementary text for broader

modules on African History which may be offered at the upper levels of an undergraduate History Politics or African Studies degree In addition it is a crucial resource for students who may be studying modern African history for the first time as part of a taught postgraduate degree in African History African Politics or African Studies New to this Edition Revised and updated throughout in light of the latest research Reflects recent developments on issues such as AIDS urbanization the secession of South Sudan questions of citizenship and the importance of transnational spaces This second edition now features photographs

Striking Back The Labour Movement And The Post Colonial State In Zimbabwe 1980 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Striking Back The Labour Movement And The Post Colonial State In Zimbabwe 1980 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Striking Back The Labour Movement And The Post Colonial State In Zimbabwe 1980 has opened up a world of possibilities. Downloading Striking Back The Labour Movement And The Post Colonial State In Zimbabwe 1980 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Striking Back The Labour Movement And The Post Colonial State In Zimbabwe 1980 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Striking Back The Labour Movement And The Post Colonial State In Zimbabwe 1980 . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting

readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Striking Back The Labour Movement And The Post Colonial State In Zimbabwe 1980 . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Striking Back The Labour Movement And The Post Colonial State In Zimbabwe 1980 , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Striking Back The Labour Movement And The Post Colonial State In Zimbabwe 1980 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Striking Back The Labour Movement And The Post Colonial State In Zimbabwe 1980 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Striking Back The Labour Movement And The Post Colonial State In Zimbabwe 1980 is one of the best book in our library for free trial. We provide copy of Striking Back The Labour Movement And The Post Colonial State In Zimbabwe 1980 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Striking Back The Labour Movement And
