 book explores how gender intersects with political violence and particularly terrorism We ask how gender relations and  
 understandings of femininity and masculinity influence political violence which includes politics related to terrorism state  
 terrorism and genocide We investigate how women cope with and influence the politics of terrorism and genocide The book's  
 goals are descriptive and analytical We 1 describe in what ways women are present and or perceived as absent in political  
 contexts involving violence and 2 analyze what gender assumptions identities and frames women face and themselves  
 express and act upon regarding political violence encountered in their lives The manuscript is divided into seven chapters  
 introduction women as victims survivors of violence women as perpetrators of violence women in social movements  
 responding to violence women politicians leading policy regarding violence the public opinion of women and men concerning  
 violence and a conclusion Each chapter explores the intersection between gender and terrorism through the lens of the
