*Police as Problem Solvers* J.D. Grant, H. Toch, 2012-12-06 This book is about police and police reform and about a movement called problem oriented policing which is sweeping the country The problem oriented approach has been labeled a philosophical revolution and the cutting edge of policing Malcolm 1989 Two observers Wilson and Kelling 1989 have written that the approach constitutes the beginning of the most significant redefinition of police work in the past half century p 48 Such an esteemed development matters and one expects knowledgeable persons to observe it and think about it Our mission in this book is different from that of some observers those concerned with management practice and philosophy Ours is a more person centered book which views the problem oriented movement from the trenches where battles not wars are waged We are concerned with what an erstwhile colleague of ours dubbed the nitty gritty and what others have called the human equation This is so because the core of our interest is on the experience of being problem oriented and how one engenders this experience Coincidentally such grass roots analysis happens to fit problem oriented policing which delegates thinking and planning to those on the frontlines In the battles won by problem oriented policing ordinary police officers become generals or at least strategists of policing The jobs that such men and women do are expanded and we shall center on this expansion of the job

**Social Issues in Living Color** Arthur W. Tipping Points Liz Wheeler,2019-08-06 NATIONAL BESTSELLER Terrific BEN SHAPIRO Outstanding DANA LOESCH The Left is on the attack and the war for our country is at a crucial tipping point Liberals know they re within reach of radically transforming America They don t like the U S Constitution They re allergic to Americans gun culture They find our faith and our devotion to family distasteful And our commitment to liberty positively sends them into a panic As soon as the Democrats get power anywhere they stand ready to throw our God given rights under the bus of political correctness transgender insanity and socialism the economic system that always promises equality and utopia but somehow always delivers resentment poverty and decay So how can we tip the momentum back in our favor How can we fight effectively for

freedom the U S Constitution limited government faith and family and the survival of the American Republic Liz Wheeler to the rescue The popular host of One America News Network s Tipping Point with Liz Wheeler is a brilliant and highly effective debater who shows how we can go on the rhetorical attack against the Left and win with a multi technique program for catching the Left in their inconsistencies and underhanded schemes and skewering them for their bold faced lies In Tipping Points How to Topple the Left s House of Cards Liz Wheeler identifies the five Tipping Points where liberals are poised to win trains you in her proven debating techniques and deputizes you to take up arms in the fight for our nation s heart and soul It s training you need right now today Our country is at a tipping point And make no mistake if the Left isn t defeated they re taking down America

**The Persistent Objector Rule in International Law** James A. Green, 2016-03-03 The persistent objector rule is said to provide states with an escape hatch from the otherwise universal binding force of customary international law It provides that if a state persistently objects to a newly emerging norm of customary international law during the formation of that norm then the objecting state is exempt from the norm once it crystallises into law The conceptual role of the rule may be interpreted as straightforward to preserve the fundamentalist positivist notion that any norm of international law can only bind a state that has consented to be bound by it In reality however numerous unanswered questions exist about the way that it works in practice Through focused analysis of state practice this monograph provides a detailed understanding of how the rule emerged and operates how it should be conceptualised and what its implications are for the binding nature of customary international law It argues that the persistent objector rule ultimately has an important role to play in the mixture of consent and consensus that underpins international law
