Cheering for Self James S. Vass Jr, James Vass Jr, 2003-05-13 This book is a study of UW men's basketball fans during the 2001-2002 season and explores their proclivity to cheering for self during basketball events. The term basketball event is used rather than basketball game to make clear that everything connected to and seen, heard or experienced before, during and after a basketball game is included. The actual game itself is only part of the basketball event. An undercurrent runs throughout this participant observation mini-ethnography dealing with access and the relative quality of that access to basketball events being affected by one's age, class, race and gender. The prominent role of advertising in shaping basketball events and helping to construct fans as consumers of products both commercial and institutional during the process of cheering for self is central to this idea. Cheering for self is the activity engaged in by individual fans after they find things to identify or connect with through personal investment. Fans cheer for self indirectly. Fans cheer for the team that they identify with. Through the process of cheering for self while attending the basketball event, people are taught how to become fans, to consume a UW product, the basketball event and to consume advertisers' products. People have a tendency to spend their entire life trying to impress others. *Sociology* Joan Ferrante-Wallace, 2006 **The British National Bibliography** Arthur James Wells, 2000 **Subject Guide to Books in Print**, 1991 **Sociology** Richard T. Schaefer, 2004 Three basic premises guide this highly successful introductory text: first that theory and research must be both comprehensive and clear; second that the text must show how sociology is relevant both to the study of society and to students' lives; and third that sociology can play a valuable role in teaching critical thinking skills. To that end, this solid, well-respected text combines a balanced three-perspective approach with excellent student-oriented examples and distinctive social policy sections in a concise presentation that offers an alternative to full-length books. **Sociology** Rodney Stark, 1996 Includes bibliographical references and index, glossary. *Social Sociology in Our Times* Kendall, 2005-02 *Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
