Leader Effectiveness Training: L.E.T. (Revised) Thomas Gordon, 2001-10-01 L E T has changed countless corporations and private businesses including many Fortune 500 companies with its down to earth communication and conflict resolution skills Now this indispensable source has been newly revised with updated research and timely case studies Classroom Management Robert T. Tauber, 2007-08-30 Educators need a balance between discipline theory and its practice in the classroom This is especially important in today s educational climate with its increased demands for teacher accountability Tauber has designed this book for both those who are new to teaching and those who are already seasoned teachers but who have had little if any coursework in discipline This book presents several

sound frameworks that readers can use to evaluate six tried and true discipline models Teachers need to select learn and implement a discipline model that best reflects how they feel students should be treated Tauber explores a number of topics some controversial all quite relevant concerning how teachers can prevent as well as handle problem behaviors A chapter describing A through Z discipline suggestions can be immediately put into use
