## **Texan Looks At Lyndon:**

*A Texan Looks at Lyndon* James Evetts Haley,1964      *A Texas look at Lyndon* J. EVETTS HALEY,1964      **Synopsis of A Texan Looks at Lyndon** James Evetts Haley,      **Blessèd Assurance** A. G. Mojtabai,1997-10-01 This text studies America and its habits of nuclear accommodation through the city of Amarillo the home of Pantex the final assembly plant for all nuclear weapons in the USA It provides narratives from the people working at Pantex or living in Amarillo which reveal their hopes and fears      *Dukes of Duval County* Anthony R. Carrozza,2017-11-02 The notorious Parr family manipulated local politics in South Texas for decades Archie Parr his son George and his grandson Archer relied on violence and corruption to deliver the votes that propelled their chosen candidates to office The influence of the Parr political machine peaked during the 1948 senatorial primary when election officials found the infamous Ballot Box 13 six days after the polls closed That box provided a slim eighty seven vote lead to Lyndon B Johnson initiating the national political career of the future U S president Dukes of Duval County begins with Archie Parr s organization of the Mexican American electorate into a potent voting bloc which marked the beginning of his three decade campaign for control of every political office in Duval County and the surrounding area Archie s son George who expanded the Parrs dominion to include jobs welfare payments and public works became a county judge thanks to his father s influence but when George was arrested and imprisoned for accepting payoffs only a presidential pardon advocated by then congressman Lyndon Johnson allowed George to take office once more Further legal misadventures haunted George and his successor Archer but in the end it took the combined force of local state and federal governments and the courageous efforts of private citizens to overthrow the Parr family In this first comprehensive study of the Parr family s political activities Anthony R Carrozza reveals the innermost workings of the Parr dynasty a political machine that drove South Texas politics for more than seventy years and critically influenced the course of the nation      *Political Activity Reporter: Introduction. Federal cases* United States Civil Service Commission,1971      *Online Catalog Use* Karen Markey,1983      **The Man Who Killed Kennedy** Roger Stone,2014-09-02 We appreciate Roger Stone he is one tough cookie President Trump The sensational New York Times bestseller now in paperback Find out how and why LBJ had JFK assassinated The Man Who Killed Kennedy The Case Against LBJ hit the New York Times bestseller list the week of the 50th Anniversary of the assassination of President John F Kennedy Consummate political insider Roger Stone makes a compelling case that Lyndon Baines Johnson had the motive means and opportunity to orchestrate the murder of JFK Stone maps out the case that LBJ blackmailed his way on the ticket in 1960 and was being dumped in 1964 to face prosecution for corruption at the hands of his nemesis attorney Robert Kennedy Stone uses fingerprint evidence and testimony to prove JFK was shot by a long time LBJ hit man not Lee Harvey Oswald President Johnson would use power from his personal connections in Texas from the criminal underworld and from the United States government to escape an untimely end in politics and to seize even greater power President Johnson the thirty sixth president of the United States was the driving

force behind a conspiracy to murder President Kennedy on November 22 1963 In *The Man Who Killed Kennedy* you will find out how and why he did it Legendary political operative and strategist Roger Stone has gathered documents and uses his firsthand knowledge to construct the ultimate tome to prove that LBJ was not only involved in JFK's assassination but was in fact the mastermind Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home [Act of Treason](#) Mark North, 2011-07-01 In this meticulously researched classic of the JFK conspiracy genre that Library Journal calls sensational Mark North argues convincingly that President John F Kennedy died as the result of a plot masterminded by Louisiana Mafia chieftain Carlos Marcello and more importantly that FBI chief J Edgar Hoover learned early on about the plan but did nothing to stop it Hoover warned no one not the Dallas police not the Secret Service His motives North suggests stemmed from a fervent hatred of Kennedy and fear that the President would eventually fire him He is documented as a close confidant of Vice President Lyndon Johnson a man Hoover controlled due to blackmail and scandals Hoover's day to day running of the FBI his strange personality and his backroom dealings are brought to life using an extensive collection of press clippings government documents and other original sources *Act of Treason* is a must read for any citizen who believes the Warren Commission failed miserably in its attempt to solve one of modern America's most pressing mysteries Who killed JFK **The Texas Right** David O'Donald Cullen, Kyle G. Wilkison, 2014-02-15 In *The Texas Right The Radical Roots of Lone Star Conservatism* some of our most accomplished and readable historians push the origins of present day Texas conservatism back to the decade preceding the twentieth century They illuminate the initial factors that began moving Texas to the far right even before the arrival of the New Deal By demonstrating that Texas politics foreshadowed the partisan realignment of the erstwhile Solid South the studies in this book challenge the traditional narrative that emphasizes the right wing critique of modern America voiced by among others radical conservatives of the state's Democratic Party beginning in the 1930s As the contributors show it is impossible to understand the Jeffersonian Democrats of 1936 the Texas Regular movement of 1944 the Dixiecrat Party of 1948 the Shivercrats of the 1950s state members of the John Birch Society Texas members of Young Americans for Freedom Reagan Democrats and most recently even the Tea Party movement without first understanding the underlying impulses that produced their formation *Dead Wrong* Richard Belzer, David Wayne, 2012-08-01 For years the government has put out hits on people that they found expendable or who they felt were talking too much covering up their assassinations with drug overdoses and mysterious suicides In *Dead Wrong* a study of the scientific and forensic facts of various Government cover ups Richard Belzer and David Wayne argue that Marilyn Monroe

was murdered that the person who shot Martin Luther King Jr was ordered to do so by the government and examines many other terrifying lies we've been told throughout our country's history The extensive research shows how our government has taken matters into its own hands plotting murder whenever it saw fit Belzer and Wayne also examine the deaths of White House Counsel Vincent Foster U N Weapons Inspector Dr David C Kelly and bio weapons expert Dr Frank Olson as well as the cases of two murders directly linked Lyndon B Johnson the 36th President of the United States Big Brother is watching you through the scope of a sniper rifle Dead Wrong will give you the straight facts on some of the most controversial and famous deaths this country has ever seen The harsh reality is that our government only tells us what we want to hear as they look out for their own best interests and eliminate anyone who gets in their way *Writing the Story of Texas* Patrick L. Cox, Kenneth E. Hendrickson, Jr., 2013-03-01 The history of the Lone Star state is a narrative dominated by larger than life personalities and often contentious legends presenting interesting challenges for historians Perhaps for this reason Texas has produced a cadre of revered historians who have had a significant impact on the preservation some would argue creation of our state's past An anthology of biographical essays *Writing the Story of Texas* pays tribute to the scholars who shaped our understanding of Texas's past and ultimately the Texan identity Edited by esteemed historians Patrick Cox and Kenneth Hendrickson this collection includes insightful cross generational examinations of pivotal individuals who interpreted our history On these pages the contributors chart the progression from Eugene C Barker's groundbreaking research to his public confrontations with Texas political leaders and his fellow historians They look at Walter Prescott Webb's fundamental innovative vision as a promoter of the past and Ruthe Winegarten's efforts to shine the spotlight on minorities and women who made history across the state Other essayists explore Llerena Friend delving into an ambitious study of Sam Houston Charles Ramsdell courageously addressing delicate issues such as racism and launching his controversial examination of Reconstruction in Texas Robert Cotner an Ohio born product of the Ivy League bringing a fresh perspective to the field and Robert Maxwell engaged in early work in environmental history **Congressional Record** United States. Congress, 1973 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States 1789-1824* the Register of Debates in Congress 1824-1837 and the Congressional Globe 1833-1873 **West Texas** Paul H. Carlson, Bruce A. Glasrud, 2014-03-04 Texas is as well known for its diversity of landscape and culture as it is for its enormity But West Texas despite being popularized in film and song has largely been ignored by historians as a distinct and cultural geographic space In *West Texas A History of the Giant Side of the State* Paul H Carlson and Bruce A Glasrud rectify that oversight This volume assembles a diverse set of essays covering the grand sweep of West Texas history from the ancient to the contemporary In four parts comprehending the place people politics and economic life and society and culture Carlson and Glasrud and their

contributors survey the confluence of life and landscape shaping the West Texas of today Early chapters define the region The giant side of Texas is a nineteenth century geographical description of a vast area that includes the Panhandle Llano Estacado Permian Basin and Big Bend Trans Pecos country It is an arid windblown environment that connects intimately with the history of Texas culture Carlson and Glasrud take a nonlinear approach to exploring the many cultural influences on West Texas including the Tejanos the oil and gas economy and the major cities Readers can sample topics in whichever order they please whether they are interested in learning about ranching recreation or turn of the century education Throughout familiar western themes arise the urban growth of El Paso is contrasted with the mid century decline of small towns and the social shifting that followed Well known Texas scholars explore popular perceptions of West Texas as sparsely populated and rife with social contradiction and rugged individualism West Texas comes into yet clearer view through essays on West Texas women poets Native peoples and musicians Gathered here is a long overdue consideration of the landscape culture and everyday lives of one of America s most iconic and understudied regions *West Texas* Mike Cochran, John Lumpkin, 1999

The Big Bend the Big Country the Big Empty The High Plains the Permian and the Panhandle Cowboys Cowtown and the curl of a killer tornado A place where you can stretch your eyeballs Where the Hale Bopp comet hardly visible above some smoggy light polluted cities looked like it could drop into the Pecos River at any moment West Texas home to the state s biggest legends is chronicled by two authors who have spent most of their careers crisscrossing it Mike Cochran and John Lumpkin Associated Press journalists bring their experiences to the pages of this handsome volume accompanied by fifty photographs of the West Texas landscape its people and its history Converse with West Texas characters like Stanley Marsh 3 conman Billy Sol Estes and Big Spring s merry messiah Marj Carpenter Meet Gordon Wood Friday night football s winningest coach and Groner Pitts Brownwood s liveliest undertaker Remember ranching icon Watt Matthews the founders of Santa Rita No 1 and Lubbock s C W Stubblefield magnet to blues and country music stars Honor Hallie Stillwell Frenchy McCormick and even modern art s Georgia O Keeffe who put their stamp on Texas s most fascinating region A West Texan once said They show no pictures of my province or even neighboring provinces They leave a big hole in Texas No more is that the case thanks to Mike Cochran and John Lumpkin

**The Great Game in Cuba** Joan Mellen, 2016-03-08 Joan Mellen tells a brilliantly researched meticulously supported and compulsively readable tale that everyone concerned with how America operates should know Samuel R Delany author of *Dhalgren* and *Through the Valley of the Nest of Spiders* This completely revised and newly updated edition of *The Great Game in Cuba* uses the backdrop of the Cuban Revolution to examine the CIA s inner workings during the fifties and sixties Detailing the agency s lies and deceptions Mellen paints a vivid behind the scenes picture of the CIA in Cuba after the Castro revolution what it wanted and the lengths it was willing to go to paralyze the opposition to Fidel Castro The game begins with Robert J Kleberg Jr proprietor of the legendary King Ranch one of the largest ranches in the world Kleberg s messianic ambitions bring him to Cuba where he establishes a satellite ranch

managed by his right hand man the James Bond type character Michael J P Malone who secretly reported to both the FBI and to at least five CIA handlers From there the plot thickens as an array of Cubans share never before revealed information regarding the agency s activities in Cuba and its attempts to unseat Castro and install a CIA friendly figurehead in his place The mysterious disappearance of Camilo Cienfuegos a major figure in Castro s government is told here for the first time The agency s shady dealings with a major US publication are uncovered A testament to the sheer volume of previously classified and untold information The Great Game in Cuba is a story the world needs to hear **Texas Tough** Robert

Perkinson,2010-03-11 A vivid history of America s biggest baddest prison system and how it came to lead the nation s punitive revolution In the prison business all roads lead to Texas The most locked down state in the nation has led the way in criminal justice severity from assembly line executions to isolation supermaxes from prison privatization to sentencing juveniles as adults Texas Tough a sweeping history of American imprisonment from the days of slavery to the present shows how a plantation based penal system once dismissed as barbaric became the national template Drawing on convict accounts official records and interviews with prisoners guards and lawmakers historian Robert Perkinson reveals the Southern roots of our present day prison colossus While conventional histories emphasize the North s rehabilitative approach he shows how the retributive and profit driven regime of the South ultimately triumphed Most provocatively he argues that just as convict leasing and segregation emerged in response to Reconstruction so today s mass incarceration with its vast racial disparities must be seen as a backlash against civil rights Illuminating for the first time the origins of America s prison juggernaut Texas Tough points toward a more just and humane future *Who Shot JFK?* Robin Ramsay,2014-04-01 An updated edition

discusses some startling recent work which seems to lead to an answer to the ultimate conspiracy theory After nearly 1000 books half a dozen journals two official inquiries several million pages of declassified documents dozens of TV documentaries and hundreds of websites is there anything left to say about the assassination of President John F Kennedy Hell yes The Kennedy assassination remains both the greatest whodunit of the post World War II era and the best route into recent U S history In this short book taking it as proved that Lee Harvey Oswald was indeed the patsy he claimed to be before he was murdered Robin Ramsay looks at the assassination through the work of the researchers who refused to buy the official cover up story that Lee Harvey Oswald was the assassin He explores the major alternative theories produced by the critics of the official version the major landmarks in the Kennedy assassination research and the disinformation produced on the subject since the event **Race and Class in Texas Politics** Chandler Davidson,1992-03-10 The author brings mature

understanding to the socio economic factors that underlie the bewildering tangle of Texas politics Lady Bird Jan Jarboe Russell,2016-10-04 Includes an excerpt from Jan Jarboe Russell s The Train to Crystal City
