hitting the road check out Moon Southwest Road Trip **Turning Texas Blue** Mary Beth Rogers,2016-01-19 In the 2014 midterm election Democrats in Texas did not receive even 40 percent of the statewide vote Republicans swept the tables both in Texas and nationally But even after two decades of democratic losses there is a path to turn Texas blue argues Mary Beth Rogers if Democrats are smart enough to see and follow it Rogers is the last person to successfully campaign manage a Democrat Governor Ann Richards to the statehouse in Austin In a lively narrative Rogers tells the story of how Texas moved so far to the right in such a short time and how Democrats might be able to move it back to the center And argues Rogers that will mean a lot more of an effort than simply waiting for the state s demographics to shift even further towards Hispanics a risky proposition at best Rogers identifies a ten point path for Texas Democrats to win at the statewide level and to build a base vote that would allow Texas to become a swing vote player in national politics once again One part of that shift starts with local Democratic candidates in local Republican communities making the connection between controversial local issues or problems and the statewide Republican policies that ignore or create them For example in a 2014 election in Denton a Republican suburb voters approved Texas s first ban on hydraulic fracking The next day though a Republican Texas agency official announced that Texas would not honor the town s vote to ban No democratic candidate picked up the issue Change won t come easily argues Rogers But if Texas shifts to even a pale shade of purple it changes everything in American politics today **Texas, A Modern History** David G. McComb,2014-05-23 Revised and updated this popular history by an award winning author brings the story of Texas into the twenty first century Since its publication in 1989 Texas A Modern History has established itself as one of the most readable and reliable general histories of Texas David McComb paints the panorama of Lone Star history from the earliest Indians to the present day with a vigorous brush that uses fact anecdote and humor to present a concise narrative The book is designed to offer an adult reader the savor of Texan culture an exploration of the ethos of its people and a sense of the rhythm of its development Spanish settlement the Battle of the Alamo the Civil War cattle trails oil discovery the growth of cities changes in politics the Great Depression World War II recreation economic expansion and recession are each a part of the picture Photographs and fascinating sidebars punctuate the text In this revised edition McComb not only incorporates recent scholarship but also tracks the post World War II rise of the Republican Party in Texas and the evolution of the state from rural to urban with 88 percent of the people now living in cities At the same time he demonstrates that despite many changes that have made Texas similar to the rest of the United States much of its unique past remains Contrary to popular belief there is more to Texas history than the Alamo and oil gushers This book takes us from the early Indians of the area through to modern times when people began to realize the exploitation of natural resources and pollution were ruining the state s natural beauty The author offers many stories and an ample helping of anecdotes and folklore to paint an accurate portrait of the state and the people who have made it great American West

God Save Texas Lawrence Wright,2019-03-05 NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST The Pulitzer Prize

winning author of *The Looming Tower* and a Texas native takes us on a journey through the most controversial state in America Beautifully written Essential reading for anyone who wants to understand how one state changed the trajectory of the country NPR The inspiration for the HBO Original documentary trilogy *God Save Texas* streaming on Max Texas is a red state but the cities are blue and among the most diverse in the nation Oil is still king but Texas now leads California in technology exports Low taxes and minimal regulation have produced extraordinary growth but also striking income disparities Texas looks a lot like the America that Donald Trump wants to create Bringing together the historical and the contemporary the political and the personal Texas native Lawrence Wright gives us a colorful wide ranging portrait of a state that not only reflects our country as it is but as it may become and shows how the battle for Texas's soul encompasses us all

Texas: A History Joe Bertram Frantz, 1984-05-17 Texas is blood and violence right It is cowboys and longhorns the Alamo and the Astrodome wheeling and dealing and bragging right Right And also wrong says the author of this book Joe B Frantz This is the story of how a myth began with the Texas Revolution against Mexico cattle drives and hyperactive Texas Rangers and became embodied in larger than life figures from Sam Houston to Speaker Sam Rayburn from the explorer La Salle to LBJ It is also the story of a state larger than its myth a Confederate state that contained enclaves of pro Union German Americans a football loving state that produced musicians of the sensitivity of Scott Joplin and Van Cliburn a western state that also is Southern Mexican and Spanish in its influences *Texas Crossings* Howard R. Lamar, 2014-10-14 Texas is not a place it is a commotion exclaimed one early visitor to the state underscoring the mobility and get ahead spirit that have always characterized Texas and its people In these thought provoking essays Howard R Lamar looks specifically at the crossings that have characterized Texas history to see what effect these migrations to and through Texas have had on Texas the Southwest and links between Texas and California Originally presented in 1986 at the University of Texas at Austin as the first George W Littlefield Lectures in American History these essays explore a previously neglected aspect of the western story the influence of Texans and other Southerners on the character and history of the southwestern states Lamar discusses the many efforts to establish overland trails and later railroads to California and how those efforts were fueled by the gold rush era of 1849 1850 He traces the influence of immigrant Texans and the flourishing southern community in California particularly during the Civil War years He follows the twentieth century migration of Okies whose desire to settle and resume their agricultural lifeways clashed with Californians preference for migrant workers And he reveals how the discovery of oil not only in Texas but also in California western Canada and Alaska continues to link these regions Texas has always been a place that people pass through going either east west or north south Texas *Crossings* explains what brought the people to Texas and what they carried away with them to California and the West **Hidden Lives and Human Rights in the United States** Lois Ann Lorentzen, 2014-07-23 The most comprehensive collection of essays on undocumented immigration to date covering issues not generally found anywhere else on the subject Three fascinating volumes feature the latest

research from the country's top immigration scholars In the United States the crisis of undocumented immigrants draws strong opinions from both sides of the debate For those who immigrate concerns over safety incorporation and fair treatment arise upon arrival For others the perceived economic political and cultural impact of newcomers can feel threatening In this informative three volume set top immigration scholars explain perspectives from every angle examining facts and seeking solutions to counter the controversies often brought on by the current state of undocumented immigrant affairs Immigration expert and set editor Lois Lorentzen leads a stellar team of contributors laying out history theories and legislation in the first book human rights sexuality and health in the second and economics politics and morality in the final volume From family separation to human trafficking to notions of citizenship this provocative study captures the human costs associated with this type of immigration in the United States questions policies intended to protect the American way of life and offers strategies for easing tensions between immigrants and natural born citizens in everyday life *Texas Rollercoasters!* Carole Marsh,1994

Cradle of the Texas Republic Dr. Robin Montgomery,2022-04-04 The Cradle of Texas Road encircles the Lone Star landscapes that nurtured so much of the state's early history from European settlement through the Texas Republic The first attempt at Texan liberation ended in the bloodiest battle in Texas history after the insurgents divided their forces along racial lines at Medina in 1813 It required Sam Houston's more collaborative approach at the Battle of San Jacinto in 1836 to finally realize the dream of Texas independence Local historians Robin and Joy Montgomery transcribe the region bounded by Navasota Madisonville Hunstville and Conroe into a master class on the subject of nation building and cultural integration **A School History of Texas** Eugene Campbell Barker,Charles Shirley Potts,Charles William Ramsdell,1912 Front inside cover of book states This is the property of the State of Texas Cotulla High School LaSalle Co Issued to Helen J Allen 1926 27

Unmitigated Disaster Louis D. Cruz,2012-10-12 A story of America is moving forward And NOW that word forward happens to be the slogan of the very man that Republican Willard Mitt Romney is trying to unseat America the Party of NO has a man who will insist to see your ID Birth Certificate but won't release his Tax Returns at the least 5 6 of them so the voting electorate will know how to trust him There are many perfectly legal ways for all weasels to get out of paying taxes Especially if you can afford armies of creative accountants to find them all In our own Country's Congressional Leaders there is Nothing but shameless lies and dishonor That explains what's going on here If election in November is to be decided on the several issues Robme the Romney and Ryan the Lying along with the remaining hostile Republicans should stay away from foreign policy this next four years Even drifting into that realm risks reminding voters of Obama's clear advantage in leadership America Bush has been out of office for almost 4 years are YOU really going to continue to blame him This is what the Republicans are saying Honestly if that's were the blame lies absolutely It wouldn't matter even if it's been 100 200 or 300 years since George W the Idiot Bush has been out of office there will STILL remain too many unanswered questions **Stephen Austin and the Founding of Texas** James Haley,2002-12-15 Surveys the life

 Huber, Susana M. Mu[oz, 2021 This book examines how racist political rhetoric has created damaging and dangerous
 conditions for Students of Color in schools and higher education institutions throughout the United States The authors show
 how the election of the 45th president has resulted in a defining moment in U S history where racist discourses reinforced by
 ideologies of white supremacy have affected the educational experiences of our most vulnerable students This volume
 situates the rhetoric of the Trump presidency within a broader historical narrative and provides recommendations for those
 who seek to advocate for anti racism and social justice As we enter the uncharted waters of a global pandemic and national
 racial reckoning this will be invaluable reading for scholars educators and administrators who want to be part of the solution
 Book Features Uses Donald Trump s presidency as a case study to show how and why racist rhetoric can be used to mobilize
 large numbers of U S voters Examines how the current administration has changed perspectives on contemporary racism
 that will have a lasting impact throughout the K 16 educational system Demonstrates how the current discourses around race
 and immigration are resulting in increased racism and violence in schools and universities Provides strategies for how anti
 racist social justice efforts in education will need to shift to respond to the new landscape Contributors John Rogers Michael
