

THE ORIGINAL TEXAS MAVERICK

SAMUEL AUGUSTUS MAVERICK

23 JULY 1803 - 2 SEPT 1870

Texas Maverick

J Elliott

Texas Maverick:

Turn Your Eyes Toward Texas Paula Mitchell Marks, 1989 In addition to Mary's published Memoirs the Mavericks left a rich store of family papers including letters journals and business materials The author uses these to vividly portray the dramatic story of these two important Texas pioneers

Maverick Lewis F. Fisher, 2017-09-30 By definition a maverick is a lone dissenter who takes an independent stand apart from his or her associates or a person pursuing rebellious even potentially disruptive policies or ideas The word maverick has evolved in the English language from being the term for an unbranded stray calf to a label given to a nontraditional person to a more extreme uncontrollable individualist iconoclast unstable nonconformist The word has grown into an adjective he made a maverick decision and become a verb mavericking or mavericked Of all the words that originated in the Old West and survive to the present day author Lewis Fisher notes maverick has been called the least understood and most corrupted But where did the word come from The word's definition is still such a mystery that Merriam Webster lists it in the top 10 percent of its most looked up words All of the origin stories agree it had something to do with Samuel A Maverick and his cattle but from there things go amok rather quickly Was Sam Maverick a cattle thief A legendary nonconformist who broke the code of the West by refusing to brand his calves A Texas rancher who believed branding cattle was cruelty to animals A runaway from South Carolina who branded all the wild cattle he could find and ended up with more cattle than anyone else in Texas Samuel A Maverick was a notable landholder and public figure in his own time but his latter day fame is based on the legend that he was a cattle rancher No amount of truth telling about maverick seems to have slowed the tall tales surrounding the word's origination *Maverick The American Name That Became a Legend* is a whodunit a historical telling of the man who unwittingly inspired the term the family it's derived from the cowboys who embraced it as an adjective meaning rakish and independent the curious inquirers intrigued by its narrative and the appropriators who have borrowed it for political fame Texas historian and secondhand Maverick by marriage Lewis Fisher has combed through Maverick family papers along with cultural memorabilia and university collections to get at the heart of the truth behind the far flung Maverick legends Maverick follows the history of the word through the Maverick gene all the way to Hollywood and uncovers the mysteries that shadow one of our country's iconic words Taken as a whole the book is a fascinating portrayal of how we form use and change our language in the course of everyday life and of the Maverick family's ongoing relationship to its own contributions all seen through the lens of a story featuring cowboys Texas Longhorns rustlers promoters movie stars athletes novelists lawyers mayors congressmen and senators to say nothing of named maverick brands ranging from Ford cars and air to ground missiles to computer operating systems Vermont maple syrup and Australian wines Ironically given its literal meaning as unbranded maverick is a brand name that helped shape the history of the American West and represents the ideal of being true to oneself

Maury Maverick Richard B. Henderson, 1970 Maury Maverick was possibly the first liberal United States Congressman from Texas

to achieve national and even international stature A dedicated Democrat he was ready to attack Franklin D Roosevelt whenever he felt that Roosevelt was flagging in his enthusiasm for reform He was honest to the point of rudeness and he belonged to the damn the torpedoes class that pulled ahead regardless of political consequences He was at home with the literate he was a prodigious writer and speaker but always ready to puncture their pretensions And he could cuss with sailors pecan shellers and any breed of saloon keeper Put all that together with a short stocky bulldog frame a fierce face and a voice to match and you have one of the nation s more colorful political figures

Women and the Texas Revolution Mary L. Scheer, 2012 Historically wars and revolutions have offered politically and socially disadvantaged people the opportunity to contribute to the nation or cause in exchange for future expanded rights Although shorter than most conflicts the Texas Revolution nonetheless profoundly affected not only the leaders and armies but the survivors especially women who endured those tumultuous events and whose lives were altered by the accompanying political social and economic changes

Memoirs of Mary A. Maverick Mary Adams Maverick, George Madison Maverick, Rena Maverick Green, Maverick Fairchild Fisher, 2005 Journal excerpts recount the experiences Mary Maverick had while living in Texas in the mid nineteenth century describing her interactions with soldiers Native Americans and Mexican outlaws
