Texas Myths:

Texas Myths and Legends Donna Ingham, 2016-09 Each episode included in this book explores unusual phenomena strange events and mysteries in Texas s history From rumors of Jean Lafitte s buried treasures to the hanging of Chipita Rodriguez and the love story of Frenchy McCormick **Texas Myths and Legends** makes history fun and pulls back the curtain on some of the state s most fascinating and compelling stories *Texas Myths* Robert F. O'Connor, 1986 Collection of fourteen essays reflecting on aspects of Texas myths including wealth and power the nature of the family the good life the role of women and the freedom heritage of African Americans **Texas Myths and Legends** John Craig Ferguson, 2003 The stories offered in this volume concern the inhabitants of the Texas frontier during the last half of the nineteenth century into the early twentieth *Texas Myths* Robert F. O'Connor, 1986 Collection of fourteen essays reflecting on aspects of Texas myths including wealth and power the nature of the family the good life the role of women and the freedom heritage of African Americans **Mysteries and Legends of Texas** Donna Ingham, 2010-08-03 Part of our growing **Mysteries and Legends** series **Mysteries and Legends of Texas** explores unusual phenomena strange events and mysteries in Texas s history Each episode included in the book is a story unto itself and the tone and style of the book is lively and easy to read for a general audience interested in Texas history *A Guide to Understanding Texas Myths* Texas Committee for the Humanities, 1984 **Emily D. West and the "Yellow Rose of Texas" Myth** Phillip Thomas Tucker, 2014-02-07 For the first time the true story of The Yellow Rose of Texas is told in full revealing a host of new insights and perspectives on one of America s most popular stories For generations the Yellow Rose of Texas has been one of America s most popular western myths growing larger over time and little resembling the truth of what happened on April 21 1836 at the battle of San Jacinto where a new Texas Republic won its independence The woman who has been popularly connected to the story was an ordinary but also quite remarkable free black woman from the North Emily D West This work reconstructs her experience places it in full context and explores the evolution of a most fanciful myth *Texas Indian Myths & Legends* Jane Arcger, 2000-01-06 Five native nations of Texas come alive in this vividly written book *Emily D. West and the "Yellow Rose of Texas" Myth* Phillip Thomas Tucker, 2014-02-13 For the first time the true story of The Yellow Rose of Texas is told in full revealing a host of new insights and perspectives on one of America s most popular stories For generations the Yellow Rose of Texas has been one of America s most popular western myths growing larger over time and little resembling the truth of what happened on April 21 1836 at the battle of San Jacinto where a new Texas Republic won its independence The woman who has been popularly connected to the story was an ordinary but also quite remarkable free black woman from the North Emily D West This work reconstructs her experience places it in full context and explores the evolution of a most fanciful myth **American Myths, Legends, and Tall Tales** Christopher R. Fee, Jeffrey B. Webb, 2016-08-29 A fascinating survey of the entire history of tall tales folklore and mythology in the United States from earliest times to the present

including stories and myths from the modern era that have become an essential part of contemporary popular culture. Folklore has been a part of American culture for as long as humans have inhabited North America and increasingly formed an intrinsic part of American culture as diverse peoples from Europe, Africa, Asia, and Oceania arrived. In modern times, folklore and tall tales experienced a rejuvenation with the emergence of urban legends and the growing popularity of science fiction and conspiracy theories with mass media such as comic books, television, and films contributing to the retelling of old myths. This multi-volume encyclopedia will teach readers the central myths and legends that have formed American culture since its earliest years of settlement. Its entries provide a fascinating glimpse into the collective American imagination over the past 400 years through the stories that have shaped it. Organized alphabetically, the coverage includes Native American creation myths, tall tales like George Washington chopping down his father's cherry tree, and the adventures of King of the Wild Frontier Davy Crockett through to today's urban myths. Each entry explains the myth or legend and its importance and provides detailed information about the people and events involved. Each entry also includes a short bibliography that will direct students or interested general readers toward other sources for further investigation. Special attention is paid to African American folklore, Asian American folklore, and the folklore of other traditions that are often overlooked or marginalized in other studies of the topic. *Humanities*, 1984

Myth and the History of the Hispanic Southwest David J. Weber, 1988. Located in Southwest Collection

Eavesdropping on Texas History Mary L. Scheer, 2017-02-15

Most writers and readers of history have at one time or another wished that they could have been at some particular defining event in history. Whether it was a moment of a great decision, a major turning point that changed everything, or simply an intriguing occurrence, many scholars and others have on occasion wished that they could have been there. Texas history provides infinite Lone Star episodes to consider, rooted in the widespread assumption that Texas is a colorful, unique, and exceptional place with larger-than-life heroes and narratives. Mary L. Scheer has assembled fifteen contributors to explore special moments in Texas history. The contributors assembled for this anthology represent many of the all-stars among Texas historians: two State Historians of Texas, two past presidents of TSHA, four current or past presidents of ETHA, two past presidents of WTHA, nine fellows of historical associations, two Fulbright Scholars, and seven award-winning authors. Each is an expert in his or her field and provided in some fashion an answer to the question: At what moment in Texas history would you have liked to have been a fly on the wall, and why? The choice of an event and the answers were both personal and individual, ranging from familiar topics to less well-known subjects. One wanted to be at the Alamo. Another chose to explore when Sam Houston refused to take a loyalty oath to the Confederacy. One chapter follows the first twenty-four hours of Lyndon Baines Johnson's presidency after Kennedy's assassination. Others write about the Dust Bowl coming to Texas or when Texas Southern University was created. Their respective essays are not written as isolated occurrences or moments but as causal developments presented within the larger social and political context of the period.

Beyond Texas Through Time

Walter L. Buenger,Arnoldo De León,2011-01-27 In 1991 Walter L Buenger and the late Robert A Calvert compiled a pioneering work in Texas historiography Texas Through Time a seminal survey and critique of the field of Texas history from its inception through the end of the 1980s Now Buenger and Arnoldo De León have assembled an important new collection that assesses the current state of Texas historiography building on the many changes in understanding and interpretation that have developed in the nearly twenty years since the publication of the original volume This new work Beyond Texas Through Time departs from the earlier volume's emphasis on the dichotomy between traditionalism and revisionism as they applied to various eras Instead the studies in this book consider the topical and thematic understandings of Texas historiography embraced by a new generation of Texas historians as they reflect analytically on the work of the past two decades The resulting approaches thus offer the potential of informing the study of themes and topics other than those specifically introduced in this volume extending its usefulness well beyond a review of the literature In addition the volume editors introduction proposes the application of cultural constructionism as an important third perspective on the thematic and topical analyses provided by the other contributors Beyond Texas Through Time offers both a vantage point and a benchmark serving as an important reference for scholars and advanced students of history and historiography even beyond the borders of Texas

Texas: A History Joe Bertram Frantz,1984-05-17 Texas is blood and violence right It is cowboys and longhorns the Alamo and the Astrodome wheeling and dealing and bragging right Right And also wrong says the author of this book Joe B Frantz This is the story of how a myth began with the Texas Revolution against Mexico cattle drives and hyperactive Texas Rangers and became embodied in larger than life figures from Sam Houston to Speaker Sam Rayburn from the explorer La Salle to LBJ It is also the story of a state larger than its myth a Confederate state that contained enclaves of pro Union German Americans a football loving state that produced musicians of the sensitivity of Scott Joplin and Van Cliburn a western state that also is Southern Mexican and Spanish in its influences

Preserving Early Texas History José Antonio López,2018-01-20 Through this second volume of selected essays the author continues to bring attention to the Spanish Mexican foundation roots of Texas and the Southwest As with volume 1 this book focuses on a most intriguing question that is if mainstream historians tell us that Texas history begins in 1836 with the arrival of Anglo Saxon and Northern European descent immigrants from the US why then is everything historically old states towns roads rivers geographical regions etc named in Spanish Equally this book is a reminder that Spanish Mexican and brethren Native American traditions are the founding components of New Mexico Texas Arizona Colorado California and surrounding regions They are not the result of recent immigration This vast territory is distinctively Native American in character and gives Spanish land grant heirs and mestizo descendants of Spanish Mexican pioneer founders the right to preserve their rich heritage on this side of the border

Texan Identities Light Townsend Cummins,Mary L. Scheer,2016-09-15 Texan Identities rests on the assumption that Texas has distinctive identities that define what it means to be Texan and that these

identities flow from myth and memory Each contributor to this volume provides in some fashion an answer to the following questions What does it mean to be Texan What constitutes a Texas identity and how may such change over time What myths memories and fallacies contribute to making a Texas identity and how have these changed for Texas Are all the myths and memories that define Texas identity true or are some of them fallacious Is there more than one Texas identity Many Texans do believe the story of their state s development manifesting singular unique attributes which are prone to expression as stereotypical iconic representations of what it means to be Texan Each of the essays in this volume addresses particular events places and people in Texas history and how they are related to Texas identity myth and memory The discussion begins with the idealized narrative and icons revolving around the Texas Revolution most especially the Alamo The Texas Rangers in myth and memory are also explored Other essays expand on traditional and increasingly outdated interpretations of the Anglo American myth of Texas by considering little known roles played by women racial minorities and specific stereotypes such as the cattleman

State of Mind William T. Pilkington, 1998 A collection of essays that discuss the evolution of Texas literature from the state s settlement through the twentieth century

Running the Border Gauntlet Laurence Armand French Ph.D., 2010-05-06 This concise and cogent history of the Mexico U S border conflict analyzes the acts that led to the current U S policy and its effects on immigration Although immigration and the U S Mexico border are perennial election issues few Americans are aware of the long history of racial political religious and class conflict that have resulted in America s contentious immigration policies Running the Border Gauntlet traces this complex history examining events that eventually led to the forceful annexation of the majority of Mexico under the pretense of Manifest Destiny and that contribute to tensions between the two nations today The story begins with religious discord between Protestants and Catholics and continues through the development of an economy based on slave labor the annexation of Texas the Mexican Revolution the Bracero Program NAFTA and the war on drugs Among other revelations the book challenges the long held myths of the Texas revolution and the heroic role of the Texas Rangers and documents a continuing disregard for the welfare of indigenous populations Drawing on all that went before it explains not only the how and why of current U S immigration policy but also its often devastating effects on migrant workers

The Texas Experiment William V. Flores, Christina Hughes, Anita Chadha, Gene Preuss, 2023-04-10 The Texas Experiment Politics Power and Social Transformation provides an all encompassing view of Texas government The book brings together the historical and the contemporary the political and the personal to walk students through the state s past present and future

Eventually, you will very discover a additional experience and exploit by spending more cash. still when? realize you consent that you require to acquire those all needs gone having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will lead you to understand even more roughly the globe, experience, some places, in imitation of history, amusement, and a lot more?

It is your totally own get older to accomplish reviewing habit. in the course of guides you could enjoy now is **Texas Myths** below.
