Cox,Kenneth E. Hendrickson, Jr.,2013-03-01 The history of the Lone Star state is a narrative dominated by larger than life personalities and often contentious legends presenting interesting challenges for historians Perhaps for this reason Texas has produced a cadre of revered historians who have had a significant impact on the preservation some would argue creation of our state s past An anthology of biographical essays Writing the Story of Texas pays tribute to the scholars who shaped our understanding of Texas s past and ultimately the Texan identity Edited by esteemed historians Patrick Cox and Kenneth Hendrickson this collection includes insightful cross generational examinations of pivotal individuals who interpreted our history On these pages the contributors chart the progression from Eugene C Barker s groundbreaking research to his public confrontations with Texas political leaders and his fellow historians They look at Walter Prescott Webb s fundamental innovative vision as a promoter of the past and Ruthe Winegarten s efforts to shine the spotlight on minorities and women who made history across the state Other essayists explore Llerena Friend delving into an ambitious study of Sam Houston Charles Ramsdell courageously addressing delicate issues such as racism and launching his controversial examination of Reconstruction in Texas Robert Cotner an Ohio born product of the Ivy League bringing a fresh perspective to the field and Robert Maxwell engaged in early work in environmental history [A Survey of Texas Literature](#) Leonidas Warren Payne,1928 **Texas Women Writers** Sylvia Ann Grider,Lou Halsell Rodenberger,1997 A critical survey of over 150 years of Texas women writers including fiction and nonfiction authors poets and dramatists *Cooking with the Texas Poets Laureate* Elizabeth Ethredge,Gary Horton,Joanna Baker,Julian Kindred,Matthew Bennett,Reina Shay Broussard,2024-02-27 It should come as no surprise that poets are often exceptionally fine cooks savoring food the way they savor words and at the same time recognizing that just as a gathering of words does not necessarily mean a good poem neither does a mixture of ingredients necessarily mean a good recipe In *Cooking with the Texas Poets Laureate* the editors all members of Dr Paul Ruffin s 2014 graduate Editing Publishing class solicited recipes and food related poetry and prose from Texas Poet Laureates of this millennia The result is a most unusual gathering of personalities equally comfortable with the spatula or the pen Eating Texas It s taken a long apprenticeship to make waffles in the shape of Texas First there were mountains over Waco Then the Panhandle sank A few more false starts when the Red River swamped Oklahoma and the Rio Grande dripped into Mexico Now I can make perfect ones All I have to do is take care to stop pouring the batter a little shy of El Paso Dalhart and Texarkana For some reason Brownsville needs more Otherwise my grandchildren complain they don t have the tail of Texas to bite off **The 50 + Best Books on Texas** A. C. Greene,1998 An annotated listing of over fifty

books judged by the author to be the best examples of Texas literature arranged alphabetically by title *Texas School Journal*, 1884

Conversations with Texas Writers Frances Leonard, Ramona Cearley, 2010-01-01 Larry McMurtry declares Texas itself doesn't have anything to do with why I write It never did Horton Foote on the other hand says I've just never had a desire to write about any place else In between those figurative bookends are hundreds of other writers some internationally recognized others just becoming known who draw inspiration and often subject matter from the unique places and people that are Texas To give everyone who is interested in Texas writing a representative sampling of the breadth and vitality of the state's current literary production this volume features conversations with fifty of Texas's most notable established writers and emerging talents The writers included here work in a wide variety of genres novels short stories poetry plays screenplays essays nonfiction and magazine journalism In their conversations with interviewers from the Writers League of Texas and other authors organizations the writers speak of their apprenticeships literary influences working habits connections with their readers and the domestic and public events that have shaped their writing Accompanying the interviews are excerpts from the writers work as well as their photographs biographies and bibliographies Joe Holley's introductory essay an overview of Texas writing from Cabeza de Vaca's 1542 Relation to the work of today's generation of writers who are equally at home in Hollywood as in Texas provides the necessary context to appreciate such a diverse collection of literary voices A sampling from the book This land has been my subject matter One thing that distinguishes me from the true naturalist is that I've never been able to look at land without thinking of the people who've been on it It's fundamental to me John Graves Writing is a way to keep ourselves more in touch with everything we experience It seems the best gifts and thoughts are given to us when we pause take a deep breath look around see what's there and return to where we were revived Naomi Shihab Nye I've said this many times in print the novel is the middle age genre Very few people have written really good novels when they are young and few people have written really good novels when they are old You just tail off and lose a certain level of concentration Your imaginative energy begins to lag I feel like I'm repeating myself and most writers do repeat themselves Larry McMurtry I was a pretty poor cowhand I grew up on the Macaraw Ranch east of Crane Texas My father tried very hard to make a cowboy out of me but in my case it never seemed to work too well I had more of a literary bent I loved to read and very early on I began to write small stories short stories out of the things I liked to read Elmer Kelton

Let's Hear It Sylvia Ann Grider, Lou Halsell Rodenberger, 2003 A collection of 22 stories by Texas women writers that weave a story of their own the story of women's writing in the Lone Star State from 1865 to the present Authors include Berverly Lowry Carolyn Osborn Annette Sanford Denise Chavez Katherine Anne Porter Judy Alter and Joyce Gibson Roach

the multifaceted characters and complex events that have defined the Lone Star State from its inception through today When Americans turn on their laptops play video games go to church vote eat TexMex shop for groceries listen to music grill steaks or watch football they are knowingly or not paying tribute to Texas Tracing the profound and surprising story of the Lone Star State Benjamin Heber Johnson shines new light on why Texas has had such a powerful influence on U S history Texas is known to outsiders for mob violence swaggering self conception and conservative politics but Johnson reveals that the state has also been on the forefront of taming frontier violence establishing LGBTQ rights and developing modern businesses such as organic food and personal computing Neither looking away from the dark chapters of Texas history nor letting them overshadow the achievements of democracy and pluralism that are some of the state s greatest legacies Johnson offers a balanced and inclusive history of an often contentious and stereotyped region covering such topics as the persistence of Native Americans the frontier story of the Alamo agrarian populism racial segregation the state s porous border with Mexico and the way historical memory continues to shape the state s identity The reality of Texas Johnson shows us is even bigger than we think it is **The Texas Magazine** ,1913
