THE GORBACHEV PHENOMENON

*A Historical
Interpretation*

Moshe Lewin

The Gorbachev Phenomenon

Martin McCauley

The Gorbachev Phenomenon:

The Gorbachev Phenomenon Moshe Lewin, 1991-04-16 The Gorbachev phenomenon is seen as the product of complex developments during the last seventy years developments that changed the Soviet Union from a primarily agrarian society into an urban industrial one Here for the first time a noted authority on Soviet society identifies the crucial historical events and social forces that explain Glasnost and political and economic life in the Soviet Union today *The Gorbachev Phenomenon* Françoise Thom, 1989 **The Gorbachev Phenomenon** Brian Crozier, 1990 **Gorbachev and Perestroika** Martin McCauley, 2016-07-27 This book provides a narrative and analysis of the first four years of the Gorbachev phenomenon All areas of great significance are covered Special attention is paid to the economy nationality affairs and foreign affairs Gorbachev s standing abroad is much higher than at home Seen by many abroad as a charismatic figure he has still to convince the average worker and farmer that perestroika is good for them The first four years present a fascinating tableau of Soviet change and resistance to change This book provides the reader with the insights to understand the processes now under way in the largest country in the world For those who wish to be informed about the Soviet Union and aim to follow events there it will be required reading **THE GORBACHEV PHENOMENON** Ferdinand FELDBRUGGE, 1989 *The Gorbachev Phenomenon* Elizabeth Young, Social Democratic Party (Great Britain). Council for Social Democracy, Social Democratic Party (Great Britain), 1987* The Gorbachev Phenomenon G. Ramakrishna, 1991 With reference to the recent political developments in Russia **Gorbachev's New Thinking and Third World Conflicts** JiÅñ Valenta, Frank Cibulka, Some of the most crucial changes inspired by Gorbachev and perestroika concern Soviet and East European policies toward Third World countries Despite countless studies of Soviet U S relations and U S relations with the Third World the area of Soviet relations with the Third World has been left relatively undeveloped This is the first of several volumes intended to add to our knowledge of what the series editor Jiri Valenta characterizes as East South relations In this new era of cooperation and diplomacy the superpowers are working to resolve regional conflicts in and around Afghanistan Nicaragua Angola and Cambodia Such efforts are exceedingly complex since they necessarily involve not only the Soviet Union but Third World nations that may operate independently such as Cuba and Vietnam This volume addresses a number of such conflicts In addition to those already mentioned conflicts in Ethiopia Namibia and the Philippines are discussed and their implications for Western policy makers are reviewed As the contributors emphasize despite current Soviet emphasis on peaceful solutions to regional conflicts Gorbachev s New Thinking in foreign affairs is still decidedly selective In some cases the Soviet Union will actually encourage close ties with regional Third World powers as it has with India It is also too much to expect that the Soviet Union much less Cuba and Vietnam will completely cut ties to revolutionary allies worldwide That said the 1990s will undoubtedly be characterized by new Soviet foreign policy styles Their shape and form is the subject of this book It will be of immense interest to policymakers and researchers concerned about current developments in relations

between the superpowers and with the Third World Contributors include Vernon Aspaturian Bhabani Sen Gupta William E Griffith Jerry F Hough Douglas Pike Howard Wiarda AH T Sheikh Sabahuddin Kushkaki Colin Legum H de V du Toit Khien Theeravit Frank Cibulka Alvaro Taboada Charles William Maynes W Bruce Weinrod Jiri Valenta **Gorbachev's USSR** Uri Ra'anani, 1990-06-18 A collection of papers presented at Boston University by leading Sovietologists evaluating the meaning of developments in the USSR and their impact since Gorbachev became head of government The consensus is that the USSR is facing a systemic crisis affecting ideology leadership and economics **Stalinism: Its Nature and Aftermath** Nick Lampert, Gabor T. Rittersporn, 1992-01-20 This is a collection of essays with contributors from Britain Continental Europe and the USA dealing with the character and aftermath of Stalinism in the USSR The focus is on the interwar years and on the methodological problems of studying this period but the volume highlights also the links between Stalinism and the Tsarist past and the ways in which Stalinism in its very formation prepared the ground for its own demise In this way it contributes to a historical understanding of the current upheavals in the Soviet Union **Gorbachev's Agenda** Susan L Clark, 2019-09-17 This volume assesses contemporary Soviet domestic and foreign policy and surveys the traditions challenges and contexts within which the Soviet leadership was operating General Secretary Mikhail Gorbachev is generating ferment at home and anticipation abroad about the prospects for change in Soviet policy Western analysts can provide only an in **Gorbachev's Revolution, 1985-1991** Anthony D'Agostino, 2016-07-27 This detailed and scholarly history based on contemporary and original sources explains the fall of Soviet Communism by bringing into focus the process of revolution from above It finds as its cause Gorbachev's relentless political struggle to raise himself above the collective leadership which brought him to power Gorbachev's Revolution 1985-91 examines the impact of the SDI and other US arms programmes of the early 1980s which provided a stimulus for both Gorbachev's domestic reforms and his arms control initiatives Perestroika originally intended to show the world that a new Soviet foreign policy was based on real changes in Soviet society however Gorbachev launched its most radical measures in order to get an edge on his Politburo critics Glasnost originally meant to be a strictly controlled process furnishing an argument for piecemeal economic reforms This multi-faceted volume provides a wide-ranging and revisionist analysis of this fascinating and influential period in Soviet and international history *Putin's Totalitarian Democracy* Kate C. Langdon, Vladimir Tismaneanu, 2019-07-09 This book studies the cultural societal and ideological factors absent from popular discourse on Vladimir Putin's Russia contesting the misleading mainstream assumption that Putin is the all-powerful sovereign of Russia In carefully examining the ideological underpinnings of Putinism its tsarist and Soviet elements its intellectual origins its culturally reproductive nature and its imperialist foreign policy the authors reveal that an indoctrinating ideology and a willing population are simultaneously the most crucial yet overlooked keys to analyzing Putin's totalitarian democracy Because Putinism is part of a global wave of extreme political movements the book also reaffirms the need to understand but not accept how and why nation states and

masses turn to nationalism authoritarianism or totalitarianism in modern times

Leaders of Russia and the Soviet

Union John Paxton,2013-08-21 This reference work surveys the leaders of Russia and the Soviet Union from Michael the first Romanov tsar in 1613 through the creation and dissolution of the Soviet Union to the present day President of the Russian Federation Vladimir Putin Chronologically arranged these biographies paint a thorough yet succinct portrait of 30 leaders including discussion about the family and education of each ruler important legislation events and wars under each leader s rule and each leader s achievements and impact on Russia or the Soviet Union

Reinterpreting Revolution in

Twentieth-Century Europe Moira Donald,Tim Rees,2017-03-14 Until the dramatic fall of Communist regimes in the East placed the possibility of revolution on the agenda once again sudden and decisive political change had appeared a largely anachronistic phenomenon in Europe Looking back over the twentieth century it is plausible to argue that the twentieth rather than the nineteenth has been the most revolutionary of centuries In this volume leading specialists from a variety of disciplines examine the changing and conflicting meanings of revolution in modern and contemporary Europe Contributions include both broad essays on the global and historical context of European revolution and specific case studies reinterpreting a variety of revolutionary experiences

Motherland David R. Marples,2014-10-13 *Motherland* tells the dramatic story of the rise and fall of the Soviet Union From Lenin s virtual coup in November 1917 to Boris Yeltsin s ruthless takeover of power in 1991 the book culminates with a new view of the Yeltsin years David Marples focuses on the evolution of Russia during the Soviet period and the attempt to harness Russian nationalism to the avowed Soviet mission of promoting World Communism Along the way he analyses some of the more intensive historical debates and uncovers some of the myths perpetuated by state propaganda especially those associated with the Great Patriotic War

Collapsed empires José M. Faraldo,2020-01-01 The Russian Revolution of 1917 born of the collapses of the War exerted its influence all along the globe and for a long time In Europe and the Mediterranean world the effects of World War I were overwhelming Taking as point of departure the year of the Russian revolutions this book focus on the consequences of the imperial and state collapses after 1917 in spatial and chronological dialogue researching the changing of institutions that created narratives and representations of national memories exploring the nationalist movements that shaped the new countries and describing the communist activists that helped to transform the old world within the framework of a tragedy of terrible dimensions Jos M Faraldo is Associate Professor in the Department of Modern and Contemporary History of the Universidad Complutense de Madrid

Encyclopedia of Historians and Historical Writing Kelly Boyd,2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays

treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies Civil Society in the Age of Monitory Democracy Lars Trägårdh,Nina Witoszek,Bron Taylor,2013-05-01 Since the emergence of the dissident parallel polis in Eastern Europe civil society has become a new superpower influencing democratic transformations human rights and international co operation co designing economic trends security and defense reshaping the information society and generating new ideas on the environment health and the good life This volume seeks to compare and reassess the role of civil society in the rich West the poorer South and the quickly expanding East in the context of the twenty first century s challenges It presents a novel perspective on civic movements testing John Keane s notion of monitory democracy an emerging order of public scrutiny and monitoring of power **101 Best Ways to Get Ahead** Michael E. Angier,Sarah Pond,2004-12 Readers can get tips on getting ahead from individuals such as Donald Trump Oprah Winfrey and Tiger Woods who were nominated for the 101 Most Successful and Respected People in the World Today list by SuccessNet

As recognized, adventure as capably as experience roughly lesson, amusement, as skillfully as conformity can be gotten by just checking out a books **The Gorbachev Phenomenon** plus it is not directly done, you could resign yourself to even more more or less this life, with reference to the world.

We have enough money you this proper as with ease as simple way to acquire those all. We have the funds for The Gorbachev Phenomenon and numerous book collections from fictions to scientific research in any way. in the course of them is this The Gorbachev Phenomenon that can be your partner.
