The Gorton Experiment:

Pivot of Power Paul Strangio, Paul 't Hart, James Walter, 2017-08-28 The prime ministership remains the main prize in Australian politics but it is a precarious one Leadership turnover in recent years has seen more prime ministers rise and fall than at any time since the decade after federation What explains this volatility The Pivot of Power is the second volume in a unique blend of collective biography and institutional history that shows the skills limitations and passions of incumbents are only part of the story The ways in which prime ministers thrive and fail are influenced by the resources at their command the evolving nature of the parties they lead the daunting public expectations they face under a relentless media gaze and the challenges that history throws at them Recent changes in these areas have had a destabilising effect and made the role of prime minister more onerous than ever After decades of strong national leadership the office has rarely seemed quite so confounding as it does for its contemporary holders The Pivot of Power explains how this has come about And its rich account of prime ministerial fortune since the mid twentieth century yields historical lessons for overcoming the current malaise

Alan the Red Fox Reid Ross Fitzgerald, Stephen Holt, 2010 Arguably Australia's most influential political journalist Alan The Red Fox Reid covered Australian politics from the 1930s to the 1980s During his career he was both a chronicler of and a player in Australian politics In this book Ross Fitzgerald and Stephen Holt take us into a Machiavellian behind the scenes world of recurrent plots crises and leadership challenges and show how it was possible for a skilled journalist to help shape both public perceptions and actual outcomes of political power plays

Inside the Canberra Press Gallery Rob Chalmers, 2011-10-01 Before television radio and later the internet came to dominate the coverage of Australian politics the Canberra Press Gallery existed in a world far removed from today's 24 hour news cycle spin doctors and carefully scripted sound bites This historical memoir of a career reporting from The Wedding Cake of Old Parliament House offers a rare insider's perspective on both how the gallery once operated and its place in the Australian body politic Using some of the biggest political developments of the past fifty years as a backdrop Inside the Canberra Press Gallery Life in the Wedding Cake of Old Parliament House sheds light on the inner workings of an institution critical to the health of our parliamentary democracy Rob Chalmers 1929-2011 entered the Federal Parliamentary Press Gallery in 1951 as a twenty one year old reporter for the now defunct Sydney Daily Mirror and would retire from political commentary 60 years later an unprecedented career span in Australian political history No parliamentary figure politician bureaucrat or journalist can match Chalmers experience from his first Question Time on 7 March 1951 until desperately ill he reluctantly retired from editing the iconic newsletter Inside Canberra sixty years four months and eighteen days later As well as being considered a shrewd political analyst Chalmers was a much loved member of the gallery and a past president of the National Press Club Rob Chalmers used to boast that he had outlasted 11 prime ministers and a 12th Julia Gillard described him as one of the greats of Australian political journalism upon his passing Rob Chalmers is survived by his wife Gloria and two children from a

previous marriage Susan and Rob jnr **Nuclear Proliferation and the Psychology of Political Leadership** Kelly O'Reilly, 2014-09-15 This book offers a novel approach to understanding the puzzle of nuclear proliferation by examining how leaders beliefs and perceptions about the international system influence states decisions to acquire nuclear weapons Today there is a persisting dilemma over the spread of nuclear weapons for both practitioners and scholars of international affairs Uncertainty remains whether determined proliferators can be stopped as shown by the cases of North Korea and Iran These instances of proliferation raise questions about regional stability the use of pre emptive military action and the potential for reactive proliferation by neighbouring countries Despite the serious implications surrounding the spread of these weapons proliferation scholarship has thus far failed to solve what has been described as the proliferation puzzle why do some countries choose nuclear weapons while others do not The author argues that understanding basic psychological motivations such as the role of power and perceptions of self and others forms a strategic context which provides answers about a leader s willingness to proliferate Proliferation willingness is a critical yet frequently overlooked part of the proliferation equation Ultimately it is the combination of willingness and proliferation opportunity i e technical and scientific capabilities that determines whether a country goes nuclear By examining several historical instances of proliferation decision making in South Africa India Libya and Australia the book s findings highlight the fundamental role of leaders beliefs in shaping proliferation outcomes This book will be of much interest to students of nuclear proliferation political psychology security studies and IR in general **Murdoch's Flagship** Denis Cryle, 2008-01-12 Murdoch s Flagship provides the first in depth overview of the Australian mapping its uneven and uncharted progress across its first three decades While the Fairfax and Packer media groups have received detailed historical coverage over the years Rupert Murdoch s News Limited and the Australian have not been given the same systematic attention by historians Denis Cryle draws on a vast amount of secondary print material his own extensive interviews with past and present staff and a detailed reading of the Australian s newspaper files to capture the vitality of the newspaper over three seminal decades The Biographical Dictionary of the Australian Senate F. Ann Millar, 2010 *Malcolm Fraser* Margaret Simons, Malcolm Fraser, 2010-11-01 The great task of statesmanship is to apply past lessons to new situations to draw correct analogies to understand and act upon present forces to recognise the need for change mdash Malcolm Fraser Malcolm Fraser is one of the most interesting and possibly most misunderstood of Australia s Prime Ministers In this part memoir and part authorised biography Fraser at the age of 79 years talks about his time in public life From the Vietnam War to the Dismissal and his years as Prime Minister through to his concern in recent times for breaches in the Rule of Law and harsh treatment of refugees Fraser emerges as an enduring liberal constantly reinterpreting core values to meet the needs of changing times Written in collaboration with journalist Margaret Simons Malcolm Fraser s political memoirs trace the story of a shy boy who was raised to be seen and not heard yet grew to become one of the most persistent insistent and controversial political voices of our times The book offers insight into Malcolm Fraser

s substantial achievements He was the first Australian politician to describe Australia s future as multicultural and his federal government was the first to pass Aboriginal Land Rights and Freedom of Information legislation also establishing the Human Rights Commission After his parliamentary career Fraser continued to be an important player in public life playing a key role in persuading the USA Congress to impose sanctions on South Africa as part of the battle against apartheid He was also the founding chair of CARE Australia one of our largest aid agencies *Light that Time Has Made* Sir Paul Hasluck,1995 Collection of essays and reviews written by Paul Hasluck in the years before his death in 1993 Contrasts social attitudes in Australia early in the century with attitudes 60 or more years later Also presents anecdotes about several of his contemporaries including Curtin Evatt Menzies Gorton McMahon and Whitlam Paul Hasluck was born in the country son of Salvation Army parents During his life he was variously journalist poet drama critic war historian author publisher anthropologist public servant diplomat federal minister and Governor General Includes an introduction and postscript by his son Nicholas Hasluck Sir Frank Packer Bridget Griffin-Foley,2014-03-19 Legendary media baron Sir Frank Packer was pugnacious autocratic and always controversial After joining forces with Labor politician E G Theodore to establish Australian Consolidated Press and the Women s Weekly in the 1930s his empire grew to encompass newspapers magazines and the Nine television network *Stepping Up to the Plate* Graham Maddox,2016-10-17 Americans call themselves a democracy but they are not America has redefined democracy to make it conform to the capitalist economy and rule by wealth elites When American leaders say they wish to make the world safe for democracy they really mean that they want the world including Australia to subsume itself into this US project Any process resulting in Australia absorbing more of the United States corporatist political culture will result in the serious erosion of our own democratic ideals Australia should resist this especially at a time when such corporatist politics is losing its legitimation We are better served by our own robust system of democracy **Santamaria** Gerard Henderson,2015-08-03 B A Santamaria was one of the most controversial Australians of our time An ardent anti Communist and devout Catholic he was fiercely intelligent and a natural leader polarising the community into loyal followers and committed opponents In the 1940s Santamaria created the anti Communist organisation The Movement In the 1950s he was a key figure in the tumultuous split of the Australian Labor Party He subsequently enjoyed great influence as a public commentator on his television program Point of View and in his weekly column in The Australian Santamaria had a strong social conscience and spent much of his time helping the underprivileged Although he began as an advocate and champion of the Catholic Church he spent much of his last decades opposing some of its activities Published for the 100th anniversary of Santamaria s birth Santamaria A Most Unusual Man is an authoritative biography from Gerard Henderson a close colleague until a disagreement saw the two men estranged and never reconciled **Liberals And Power** Peter van Onselen,2014-03-12 Peter van Onselen the co author of John Winston Howard The Definitive Biography and Howard s End has put together a vibrant collection of essays that offers policy analysis political

philosophy and election winning strategies They look at Howard s reign and legacy and craft a narrative for the future Liberals and Power is compelling reading for anyone interested in a healthy party political system and a robust democratic state

Making Trouble Robert Manne,2011-08-03 Robert Manne has twice been voted Australia s leading public intellectual This book will show you why Making Trouble takes aim at the new Australian complacency This is a book that will enlighten and challenge as it traces the ideas and events that have recently changed the nation It covers much ground from Howard to Gillard by way of Rudd from Victoria s bushfires to the Apology from Wilfred Burchett to Julian Assange Making Trouble also includes an exchange of letters with Tony Abbott critical appraisals of the insider Paul Kelly and the outsider Mark Latham an insightful discussion of the political and moral issues surrounding climate change appreciations of W E H Stanner and Primo Levi a reflection on ways of remembering the Holocaust and incisive and original essays about the question of reconciliation and the treatment of asylum seekers As this eloquent and important book shows no one in Australia makes a better argument than Robert Manne

Power Of Speech James Curran,2014-07-18 The subjects of this book are five fascinating prime ministers Gough Whitlam Malcolm Fraser Bob Hawke Paul Keating and John Howard and how they view Australia Until the 1960s our nation believed itself to be British Then during a decade of momentous change this concept of our national identity collapsed It was buried by the forces of cultural and political renewal by disturbing and exciting developments in Asia and by a dawning recognition that the global era of colonial power was over The result was a crisis of national meaning reflected in public debates about multiculturalism Australia s relationships with its Asian neighbours the dispossession of indigenous Australians and the nation s involvement in war In recent years our political leaders have played a conspicuous role in the controversy In The Power of Speech James Curran explores the end of the idea of British Australia and how successive prime ministers have attempted to assert personal and often competing visions of Australian nationalism in its place This highly original study of prime ministerial rhetoric exposes the sources of our most powerful leaders beliefs about Australia

Cabinet Government in Australia, 1901-2006 Patrick Moray Weller,2007 This book presents the first comprehensive study of the development of the central institution of Australian government over the first century of its life

Beautiful Lies Tony Griffiths,2005 Combining impressive historical research with pithy prose this entertaining work chronicles Australia s evolution from British lackey during World War II to global power player in the 21st century Appealing to academic audiences and armchair historians alike this volume focuses on Australia s shift from political and economic reliance on England to becoming politically aligned with the United States and economically tethered to Japan and China a transition in part initiated by Prime Minister Robert Menzies With chapters entitled Beating the Bolshoi All the Way with JFK and The Banana Republic this concise history of modern Australia is written in a style both delightful and informative

Wit of Whitlam James Carleton,2014-12-03 His wife Margaret was his best appointment he called Malcolm Fraser Kerr s cur after the Dismissal and when Sir Winton Turnbull called out in parliament I am a country member Gough

interjected I remember When it was suggested he was funny Gough responded Funny Funny Witty yes Epigrammatic perhaps but not funny You make me sound like a clown James Carleton Radio National presenter and founder of the university club The Dewy Eyed Whitlamites presents a keepsake of Goughisms that vindicates the Great Man s self assessment I never said I was immortal merely eternal

How Journalism Uses History Martin Conboy,2013-09-13 *How Journalism Uses History* examines the various ways in which journalism uses history and historical sources in order to better understand the relationships between journalists historians and journalism scholars It highlights the ambiguous overlap between the role of the historian and that of the journalist and underlines that there no longer seems to be reason to accept that one begins only where the other ends With Journalism Studies as a developing subject area throughout the world journalism history is becoming a particularly vivacious field As such *How Journalism Uses History* argues that if historical study of this kind is to achieve its full potential there needs to be a fuller and more consistent engagement with other academics studying the past political social and cultural historians in particular but also scholars working in politics sociology literature and linguistics Contributors in this book discuss the core themes which inform history s relationship with journalism from a wide range of geographical and methodological perspectives They aim to create more ambitious conversations about using journalism both as a source for understanding the past and for clarifying ideas about its role as constituent of the public sphere in using discourse and tradition to connect contemporary audiences with history This book was originally published as a special issue of *Journalism Practice*

The Diplomatic Ideas and Practices of Asian States ,2021-11-22 Asia has emerged as the centre of international conflict and change in the post war era In Europe the post cold war approach is to adjust East West power relationships without disturbing the territorial status quo and to conduct foreign policy according to classical European principles of compromise and compensation Asians are newcomers in world affairs Asian diplomatic traditions differ from European ones and there are many border disputes and power rivalries The idea of Asia was created by Europeans for Europeans and it led to Western dominance of Asia From colonial subjects Asians have become important players in military economic and diplomatic affairs To understand the Asian dimension of contemporary world affairs we need to take a fresh look at Asian diplomatic ideas and practices This volume brings together recognised experts to explain the imperatives and external policies of different types of Asian states

The Gorton Experiment Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Gorton Experiment has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Gorton Experiment has opened up a world of possibilities. Downloading The Gorton Experiment provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Gorton Experiment has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Gorton Experiment. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Gorton Experiment. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Gorton Experiment, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Gorton Experiment has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular

choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Gorton Experiment Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Gorton Experiment is one of the best book in our library for free trial. We provide copy of The Gorton Experiment in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Gorton Experiment. Where to download The Gorton Experiment online for free? Are you looking for The Gorton Experiment PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Gorton Experiment. This method for see exactly what may be included and adopt these ideas to your book.
