## **The Gospel According To Grace:**

**The Gospel According to Elihu** Moses Pollard, 2022-11-15 In the biblical days there was not a man who was greater than Job Job was a very wealthy man with seven sons and three daughters he possessed more than anyone in the land of Uz Job was a man of God who lived a blessed life protected under God's divine power In the heavenly realm beyond the scope of Job's understanding there were conversations between God and Satan While God maintained great confidence in Job's ability to stay true to the faith He continued to allow Satan access to destroy the blessings which God had given him God's instruction to Satan was that he was allowed to do adverse things to Job but he was not allowed to take his life Job meanwhile was enjoying the good life unaware of Satan's plans to destroy him At once tragedy struck Job's life from all directions causing him to lose his children and his wealth in a short period of time While grieving over the loss of his loved ones and dealing with the realization that he was now destitute Job's health rapidly declined to a point of turning him into an emaciated relic of his former self While Job was suffering due to undue duress from all of the calamities of his present world he could no longer feel the presence of God In the twenty third chapter of the book of Job we find that the main character is very distraught over the absence of God in his time of trouble Job said If only I knew where I could find God I would go where he lives Job begins to wonder if he will ever find God again Job said that he could not find God in the north south east or west Several of Job's friends came to visit him but would become a snare and a stumbling block in his life by their accusatory words against Job and the sovereignty of God These three men sat beside Job in his time of distress without offering any words of encouragement A young friend of Job listened intently over a period of days until finally he began to speak out against their ignorance about God's sovereignty and love of God toward His people Elihu brings a very different perspective into the discussion which changed Job's attitude toward God The Gospel According to Elihu is a look into how we sometimes view God from a very dim self righteous vantage point rather than from God's sovereign position In this book we will discover that because of God's supernatural advantage He sees all and knows all even when our eyes are blinded by the disguise of the earthly realm This book teaches us to trust God while we are going through tough times because behind the curtain blanketing our vision God is orchestrating it all If ever you have questioned God in any aspect of your life this book is a must read to help you understand His undying love and commitment to the preservation of His saints Elihu's message to saints today is so needed because it is truly good news for daily living It is good news for our peace of mind and comfort during loss It is a compass during feelings of hopelessness and a guide to steer us back on course and to do so while believing in God's sovereign power The Gospel or good news is that God does not lie and He has said that He will never leave us nor forsake us It is not God who brings about destruction in the lives of saints When trouble comes God has already given us the written word to combat any and all things naturally or supernaturally Yes there is good news and the good news is the gospel according to Elihu

**The Gospel According to Jesus** John F. MacArthur, 2009-05-26 What is authentic faith? The Gospel According to Jesus challenges Christians to re-evaluate their commitment to Christ by examining their fruits. MacArthur asks: What does it really mean to be saved? He urges readers to understand that their conversion was more than a mere point in time; that by definition it includes a lifetime of obedience. John MacArthur tackles the error of easy believism by addressing these questions: Is it possible to accept Jesus as Savior while refusing him as Lord? Can someone truly believe without actually repenting? How do obedience, commitment to Christ, and turning from sin fit together with the truth that we are saved by grace through faith alone? The Gospel According to Jesus is just as powerful today as it was more than two decades ago. It is a Scripture-based clarion call for a rejection of the watered-down message that has gained popularity in the church and a return to the gospel Jesus preached. This 20th anniversary edition adds a powerful new chapter to the complete text of the original classic, reinforcing the book's timeless message that Jesus demands to be both Savior and Lord to all who believe. This book is compulsory reading for Christians from all walks of life and will help guide you into a deeper relationship with Jesus Christ.

**The Gospel According to John** D. A. Carson, 1991 With this acclaimed volume in the Pillar New Testament Commentary series, Carson explains the text of John's Gospel to help you minister the Word of God to others, either by preaching or by leading Bible studies. The commentary will also deepen your understanding of the Gospel in your own life and worship. Throughout his commentary, Carson does the following: makes clear the flow of the text, focusing on the movement of thought rather than on word studies; and Greek syntax engages a small but representative part of the massive secondary literature on John, providing a kind of map of contemporary studies on this Gospel; draws a few lines toward establishing how John's Gospel contributes to biblical and systematic theology; offers a consistent exposition of John as an evangelistic Gospel. Preceded by a comprehensive introduction treating such matters as the authenticity, authorship, purpose, and structure of the Gospel, this commentary on John exhibits the solid evangelical Scripture exposition for which Carson is well known and respected.

*The Gospel of Grace* Dr. Mark Wickstrom, 2012-01-23 The Gospel of Grace. This book is about the process of deciding how we determine our use of any particular biblical text. In essence, we are each other the architect of our own biblical house. Let's take an honest look at how we have designed our individual house. In this inspired and engaging work, Mark Wickstrom shows how conflicting religious opinions derive not from contradictions in the Bible but from personal agendas that contradict the gospel of grace. He identifies the timeless truths, cultural norms, personal opinions, and random texts that suit personal agendas and may create divisions among the faithful. Read the Gospel of Grace to discover how to create deeper understanding and unity in faith communities large and small.
