The Gospel According To Grandpa:

The Gospel According to Grandpa Diana McCracken, 2004 *The Gospel According to Saint Scooter* Phil Burpee, 2025-02-25 The seventeen stories in this collection range from short vignettes to sprawling novellas The characters who appear in them are ordinary folk full of flaws and frailties who embark upon journeys that call them to rise to unforeseen challenges These expeditions which variously take them to the very frontiers of life shift their perception of themselves and the world in which they live love and toil Most of these yarns are tales of redemption and sometimes serendipitous justice with characters who are good people at heart yet who may seem rough hewn with their sometimes spicy language And they are visual stories meant to unfold like movies in the reader s mind For surely everybody s going somewhere looking for something or someone Often such discoveries are made in unexpected ways and it s how each person makes that journey that spins a good tale The Gospel of Fury I. B. The Gospel of Trees Apricot Irving, 2019-03-26 In an eye opening memoir People as beautiful as it is discomfiting The New Yorker award winning writer Apricot Irving untangles her youth on a missionary compound in Haiti Apricot Irving grew up as a missionary s daughter in Haiti Her father was an agronomist a man who hiked alone into the deforested hills to preach the gospel of trees Her mother and sisters spent their days in the confines of the hospital compound they called home As a child this felt like paradise to Irving as a teenager it became a prison Outside of the walls of the missionary enclave Haiti was a tumult of bugle call bus horns and bicycles that jangled over hard packed dirt road blocks and burning tires triggered by political upheaval the clatter of rain across tin roofs and the swell of voices running ahead of the storm Poignant and explosive Irving weaves a portrait of a missionary family that is unflinchingly honest her father s unswerving commitment to his mission her mother s misgivings about his loyalty the brutal history of colonization Drawing from research interviews and journals her parents as well as her own this memoir in many voices evokes a fractured family finding their way to kindness through honesty Told against the backdrop of Haiti s long history of intervention it grapples with the complicated legacy of those who wish to improve the world while bearing witness to the defiant beauty of an undefeated country A lyrical meditation on trees and why they matter loss and privilege love and failure The Gospel of Trees is a lush emotional debut A beautiful memoir that shows how a family altered by its own ambitious philanthropy might ultimately find hope in their faith and love for each other and for Haiti Publishers Weekly starred review
