## **The Gospel According To Jesus What Does Jesus Mean When He Says Follow Me:**

*The Gospel According to Jesus* John F. MacArthur, Jr., John MacArthur, 1993 The first edition of *The Gospel According to Jesus* won wide acclaim in confronting the easy believism that has characterized some quarters in evangelical Christianity This expanded edition deepens the debate over lordship salvation and the biblical understanding of faith and works in adding three new chapters and an appendix The new chapters *The Vine and the Branches* *The Promise of Justification Tetelestai* *The Triumph is Complete* The appendix contains answers to the most often asked questions on the subject of what Jesus really meant when he said Follow me

*The Gospel According to Jesus* John F. MacArthur, 2009-05-26 What is authentic faith *The Gospel According to Jesus* challenges Christians to re evaluate their commitment to Christ by examining their fruits MacArthur asks What does it really mean to be saved He urges readers to understand that their conversion was more than a mere point in time that by definition it includes a lifetime of obedience John MacArthur tackles the error of easy believism by addressing these questions Is it possible to accept Jesus as Savior while refusing him as Lord Can someone truly believe without actually repenting How do obedience commitment to Christ and turning from sin fit together with the truth that we are saved by grace through faith alone *The Gospel According to Jesus* is just as powerful today as it was more than two decades ago It is a Scripture based clarion call for a rejection of the watered down message that has gained popularity in the church and a return to the gospel Jesus preached This 20th anniversary edition adds a powerful new chapter to the complete text of the original classic reinforcing the book s timeless message that Jesus demands to be both Savior and Lord to all who believe This book is compulsory reading for Christians from all walks of life and will help guide you into a deeper relationship with Jesus Christ

and insights they need to communicate God's Word with the same powerful impact it had when it was first written *Driven by God* Jae-Eun Park, 2018-10-01 For more than two millennia believers have struggled with the antinomy of God's absolute sovereignty over and man's ultimate responsibility in justification and sanctification Theologians have used some version of the terms active justification and definitive sanctification in an attempt to illuminate this mystery However in the past decade scholars have begun to criticize these concepts saying that they are unsupported in Scripture lead to theological confusion and are of no practical benefit to believers Through the work of theologians from the broader Dutch Reformed tradition especially Herman Bavinck Alexander Comrie Herman Witsius and Abraham Kuyper Jae Eun Park demonstrates that the terms active justification and definitive sanctification are derived from Scripture and serve to clarify not obscure the doctrines of justification and sanctification In addition the book shows that neglect misuse or misunderstanding of the terms have resulted in contemporary criticisms that are unconvincing and unfounded Writings of the aforementioned theologians define and expound four characteristics held in common between active justification and definitive sanctification i e inseparability objectivity and decisiveness Christ centeredness and God's absolute sovereignty concepts of the mentioned theologians All four characteristics of active justification and definitive sanctification emphasize the God driven nature of salvation Jae Eun Park explains how when properly defined and presented the two terms are important theologically bringing clarity to the issue of the perfect balance between God's sovereignty and human responsibility in salvation He also shows how active justification and definitive sanctification offers practical assurance of their perseverance unto glory to true believers and provides pastors with an invaluable tool for exhorting parishioners who may have lapsed into either triumphalism or defeatism Justification: What's at Stake in the Current Debates Mark Husbards, Daniel J.

Treier, 2004-04-16 Mark Husbards and Daniel J Treier gather notable evangelical scholars and teachers to address key questions from biblical historical theological and ecumenical perspectives **40 Lives in 40 Days** John F.

Packer's Thought Don J. Payne,2006-06-01 This study offers a critical analysis of J I Packer s theology of the Christian life Packer has achieved international acclaim and wielded widespread influence within evangelicalism for more than three decades particularly through his writings on the doctrine of sanctification His approach to sanctification is examined in light of the theological anthropology and theological method that constitute its unique structure and assumptions J I Packer has been one of the most recognized evangelical theologians of the late twentieth century Among his theological passions is anchoring the Christian life in the legacy of Reformed theology particularly that expressed by seventeenth century English Puritanism Yet his treatment of the doctrine of sanctification is shaped by two other influences theological anthropology and theological method This hermeneutical exploration of Packer s treatment of sanctification offers fresh insight into his thought and demonstrates the often unnoticed impact of theological anthropology and theological method within evangelical theology Missions in a New Millennium W. Ezigbo,2015-12-31 Should Christianity s theological face remain largely European and North American in the twenty first century in the wake of the expansion of Christianity in sub Saharan Africa Asia and Latin America The question about the theological face of Christianity cannot be ignored For too long African Asian and Latin American theologians have been left out of mainstream theological discussions Few standard textbooks on Christian theology acknowledge the unique contributions theologians from these continents have made to global Christianity Introducing Christian Theologies Voices from Global Christian Communities is a two volume textbook that alters the predominantly European and North American theological face of Christianity by interacting with voices of Christian communities from across the globe Introducing Christian Theologies explores the works of key theologians from around the world highlighting their unique contributions to Christian theology and doctrine Introducing Christian Theologies II Victor I Ezigbo,2016-08-25 Should Christianity s theological face remain largely European and North American in the twenty first century in the wake of the expansion of Christianity in sub Saharan Africa Asia and Latin America The question about the theological face of Christianity cannot be ignored For too long African Asian and Latin American theologians have been left out of mainstream theological discussions Few standard textbooks on Christian theology acknowledge the unique contributions theologians from these continents have made to global Christianity Introducing Christian Theologies Voices

**The Gospel of the Christ** Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith

**Make Disciples!** Terry A. Bowland, 1999 Let us make no mistake about it Evangelism is not simply learning Bible facts Evangelism is not simply understanding sociological information Evangelism is taking part in God s great work of redeeming the world through Christ It is to reach out and allow God s power and presence to extend into the lives of people through our daily lives When we increasingly become aware of God working within us the result will be joy joy in our daily tasks and joy in the lives we touch Wherever God s will is done the ultimate result for us will be joy

**The Gospel According To Matthew** Leon Morris, 2020-05-21 In the Christian Church the Gospel of Matthew has been considered the most important portrait of Jesus life and message Containing Jesus Sermon on the Mount and a uniquely rich collection of parables among many other things Matthew has made a major contribution to the church throughout the centuries and it still has much to say to the church today This superb commentary in the Pillar series explores the meaning and relevance of Matthew in an eminently straightforward fashion Leon Morris writes for readers who use commentaries to discover further what the Bible means Throughout he makes clear what he considers to be the meaning of the Greek text that Matthew has bequeathed to the church A perceptive introduction precedes Morris s warmhearted verse by verse exposition of Matthew an exposition based on his own literal translation of the text Now a standard reference work on the Gospel of Matthew this mature evangelically oriented commentary will continue to meet the needs of students pastor and general readers alike

*Following the Master* Michael J. Wilkins, 2010-08-03 In the aftermath of the waves of discipleship programs

that have swept over the church in the last 30 years clergy and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ What should a disciple of Jesus look and act like today What is the relationship between discipleship and salvation between discipleship and sanctification between discipleship and ministry How were disciples of Jesus different from other disciples in the ancient world How did the early church carry out Jesus agenda in making disciples of all the nations In Following the Master Michael J Wilkins addresses these and many other questions that perplex the church today not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship Following the Master compares other forms of master disciple relationships in existence in the ancient Judaism and Greco Roman world traces Jesus steps as he called and developed disciples and Mediterranean world as it followed Jesus command to make disciples Following the Master lays the groundwork necessary for developing biblical discipleship ministries in the church on the mission field and in parachurch ministries It is essential reading for all pastors students and Christian workers

**The Gospel According to Christ** Mark A. Stelter, 2011-11-14 Christianity is in crisis We live in a time when millions of people profoundly misunderstand the message of the Gospel They believe that being a Christian means little more than being a nice person They view Jesus as a wise moral teacher who showed us how to live better lives and they conclude that the love of humanity is our greatest cause and its progress our primary purpose Whatever else may be said of this view of Christianity it is certainly not what Jesus taught It is an attempt to replace the concepts of sin redemption and salvation with the more socially acceptable virtues of tolerance compassion and social progress It elevates humanity and the world above God and his kingdom and reduces Jesus to a mere moral philosopher But who did Jesus say he was What was the essential message of Christ The Gospel According to Christ answers those questions by examining the words of Jesus in their context and in their entirety The answers will be shocking to many Christians

**The Gospel According to Mark** James R. Edwards, 2002 This new Pillar volume offers exceptional commentary on Mark that clearly shows the second Gospel though it was a product of the earliest Christian community to be both relevant and sorely needed in today's church Written by a biblical scholar who has devoted thirty years to the study of the second Gospel this commentary aims primarily to interpret the Gospel of Mark according to its theological intentions and purposes especially as they relate to the life and ministry of Jesus and the call to faith and discipleship Unique features of James Edwards's approach include clear descriptions of key terms used by Mark and revealing discussion of the Gospel's literary features including Mark's use of the sandwich technique and of imagistic motifs and irony Edwards also proposes a new paradigm for interpreting the difficult Little Apocalypse of chapter 13 and he argues for a new understanding of Mark's controversial ending
