**Peter and Paul in Acts: A Comparison of Their Ministries** David Spell,2006-08-01 Acts is arguably the most exciting book in the New Testament It covers the tumultuous early years of Christianity and narrates the growth of the church throughout the Roman Empire Luke tells this story by focusing primarily on two men Peter and Paul This book examines their apostolic ministries as they are revealed within the pages of The Acts of the Apostles Their apostolic ministries are examined in the context of several different components Leadership Evangelism and Church Planting Miracle Working and Healing and Mystical or Supernatural Experiences These categories are shown to detail particular aspects of each man s apostleship work These categories provide a convenient way to compare and contrast the type of ministry that each apostle performed as described by Luke Spell also devotes a chapter each to Luke s literary method and the relationship of Peter and Paul as seen in their letters These two chapters lay important groundwork for examining the apostles This book will provide the reader with valuable insights from Scripture that they can apply to their own lives and ministry By looking at how Peter and Paul conducted their ministries in the first century we can be more effective in the twenty first      **Prisoners in the Bible** Zach

Sewell,2013-01-03 Each chapter in this book explores the story of a different person in the Bible who was imprisoned and considers the unique way that God was at work in their situation The purpose of this book is to encourage people who are currently incarcerated by showing them how God has worked through the difficult situation of imprisonment many times before      The Decalogue in the Sermon on the Mount Dan Liroy,2004 In this work Dan Liroy first investigates the biblical concept of the law He then conducts a thoroughgoing analysis of the Decalogue and the Sermon on the Mount He gives

particular attention to the connection between these two great bodies of biblical literature The result is a comprehensive study that argues for the enduring relevance of the moral law This volume is appropriate for personal study and is also suitable as a college and seminary text      *Saint Cyril Collection [5 Books]* Saint Cyril,Aeterna Press, SAINT CYRIL

**The Living Church** ,1959 Jesus' Exposition of the Old Testament in Luke's Gospel Charles Kimball,1994-03-01 This work presents an inductive exegetical analysis of Jesus exegetical methods and expositions in Luke s Gospel in light of first century Jewish exegetical methods via an examination of the eight Lukan pericopes in which Jesus expounds explicit Old Testament quotations This study offers the following conclusions In Luke s Gospel Jesus expounded Scripture as the basis for understanding his person and ministry teaching his followers and inquirers and debating his religious opponents He employed many of the exegetical methods of ancient Judaism Yet he frequently offered interpretations of Scripture that were radically different from other Jewish teachers because of his superior understanding of Scripture and his application of Scripture to himself In turn he influenced the early church s biblical expositions in considerable measure Jesus expounded Scripture for Christological and doctrinal lessons In his Christological expositions he made an eschatological application of certain biblical texts to himself claiming to be the fulfillment of Old testament messianic prophecies In his doctrinal expositions he corrected traditional Jewish interpretation claiming a superior exegesis of Scripture The Christological expositions employed peshar fulfillment motifs and several midrashic techniques to show that the

**Living Water** Robert P. Vande Kappelle,2022-10-27 Everyone loves a good story one with interesting characters an intriguing plot lots of twists and turns and a surprise ending Jesus was a master storyteller teaching primarily through a technique we call parables In fact over one third of the gospel material in the New Testament is parabolic in nature Examining the parables of Jesus Living Water views parables as a wisdom genre belonging to mashal the Jewish tradition of sacred poetry stories proverbs riddles and dialogues through which wisdom is conveyed In the Hebrew Bible the Old Testament mashal is often associated with perplexing sayings for its meaning is deliberately obscured in order to force the reader or listener to deeper thought and higher consciousness While examining the parables of Jesus Living Water focuses not so much on traditional explanations and interpretations but on their paradoxical and perplexing nature In addition this book encourages us to take a parabolic approach to all Scripture viewing it as an aid to help us move from egoic existence to unitive existence This Spirit led way of living thinking and being requires a transformation from our False Self to

our True Self from dualist self obsession to nondualist consciousness characterized by risk taking compassion generosity availability and joy a path charted by the parables of Jesus Benefitting from recent scholarly research Living Water is unique in content and conception and is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection

Denny, Christopher McMahon, 2011-05-01 Finding Salvation in Christ brings together some of the most important figures in contemporary theology to honor the work of William Loewe systematic theologian and specialist in the theology of Bernard Lonergan SJ For over three decades Loewe s writings have sought to make classic christological and soteriological doctrines comprehensible to a Catholic Church that is working to integrate individual subjectivity communal living and historical consciousness in the wake of the Second Vatican Council Essays included in this volume assess Loewe s reinterpretation of patristic and medieval Christology from Irenaeus to Anselm of Canterbury and explain the significance of the theology of Lonergan and Loewe for the fields of soteriology economics family life and interreligious theology While some recent postliberal theologies have polarized the church s relationship with contemporary culture by minimizing similarities between Christianity and other worldviews the contributors in this volume continue Lonergan s project of integrating the findings of various intellectual disciplines with Christian theology and use Loewe s historical and systematic work as a guide in that endeavor While Lonergan s transcendental Thomism has been criticized by both traditionalists and revisionists essays in this collection apply Loewe s theological methodology in a variety of ways to demonstrate that time honored doctrines about Christ can be transplanted into new cultural contexts and gain intelligibility and credibility in this process Having lived and labored through the far reaching changes in Catholic thought introduced in recent decades Loewe s career provides a model for theologians attempting to build bridges between the past and the present and between the church and the world

**Commentary on the Gospel of st. John, tr. by F. Crombie and M.D. Cusin** Frédéric Louis Godet, 1876

*The Johannine Gospel's Concept of Community* Godibert Kelly Gharbin, 2025-05-27 The Johannine Gospel s Concept of Community takes an interdisciplinary approach to contextualizing the New Testament in an African milieu which helps Johannine scholarship intersect with Akan anthropology and sociology through a tripartite frame of interpretation a narratological analysis of community oriented narratives in John the exegesis of the Akan concept of community encapsulated in their proverbial lore the anthology of inestimable information about the Akan conceptualization of communitarianism and an engagement between the two conceptual schemes through an intercultural reading The

methodological principles utilized foster a cross pollination of ideas between the Johannine characterization of a community of God and the community concept present in Akan maxims This allows the Akan concept of communitarianism to enrich the reader s understanding of the text It also allows John s theology of community revealed in what Jesus epitomizes prescribes and proscribes for the believing community to serve as a form of discernible evaluation for Akan and other believers on the modus vivendi redolent of a believing community In the end it forces a redefinition of community replacing the anthropocentric individualistic and acquisitive elements that have typified the human community with a theocentric and authentically collectivist approach
