*Subject Guide to Books in Print*, 1997      *Spirituality in Nursing: Standing on Holy Ground* Mary Elizabeth O'Brien, 2021-02-09 Spirituality in Nursing Standing on Holy Ground Seventh Edition addresses the relationship between spirituality and nursing practice across a variety of settings related to caring for the ill and infirm      Spirituality in Nursing Mary Elizabeth O'Brien, 2017-03-03 Spirituality in Nursing Standing On Holy Ground Sixth Edition explores the relationship between spirituality and the practice of nursing      Muslim and Catholic Responses to HIV and AIDS in Kenya Timothy James Carey, 2018-09-15 In the capital city of Nairobi Kenya African Catholic and Sunni Muslim leaders addressing HIV and AIDS are faced with a unique challenge On the one hand they are called to attend to the spiritual wellbeing of the infected individual on the other hand they are increasingly charged with serving as the stewards of the physical bodies of those negatively affected by such a physiologically debilitating and social stigmatized disease through certain identifiable interreligious traditions common to both faiths This book explores this development firsthand While conducting fieldwork in Nairobi Carey interviewed Muslim and Catholic leaders working in three areas HIV and AIDS prevention education and destigmatization These recorded observations and accounts help to illustrate that religious officials from within African Catholicism and Sunni Islam are attempting to provide the common inter religious traditions of mercy hospitality and justice in a holistic manner for those living with the virus in the city The research that produced this book involved six weeks of fieldwork during the summer of 2014 to help fill in the interstices between anthropological sociological and ethnographic accounts provided by other leading academics in their respective fields It presumed that religious traditions in Kenya exhibit a susceptibility to culture and context and a practical openness to its social environment which then affords this particular work a unique theological perspective in its attempt to identify and analyze patterns of social behavior and religious organization      *Christian Counseling 3rd Edition* Gary R. Collins, 1988-10-06 This proven guide in pastoral counseling has been extensively expanded and revised by the author to include recent developments and research new resources and attention to newly urgent needs such as AIDS eating disorders homosexuality and violence Written with clarity and sensitivity this volume builds on biblical foundations and the best resources of professional psychology It reflects the insights the author has gained from many years of Christian counseling New Sections include The Legal Ethical and Moral Issues in Counseling The Multicultural Multiracial Issues in Counseling Conflict and Relationships Dealing with Death and Grief Alcoholism and Other Substance Abuse Crises and Trauma Counseling and Terrorism      *ISG 44: Church Communities Confronting HIV and AIDS* Gideon Byamugisha, 2012-04-10 A new title in the ISG series to help Christians and churches around the world meet the enormous challenges that HIV AIDS presents particularly in African countries      **Bibliographic Index**, 1991      **What The Church Can Do For Persons Living With HIV/AIDS** Sunday Ikpong,      *Translating the Bible Into Action, 2nd Edition* Margaret Hill, Harriet Hill, 2022-06-15 When Jesus was born to Mary God translated himself into our human world This act of God's translation continues today wherever the gospel is expressed in each language and lived out in each culture that makes

up our diverse world Unfortunately the church often ignores its cultural and linguistic diversity and instead imposes a dominant language and culture for expressing faith This textbook seeks to challenge that situation By identifying common barriers that prevent people from engaging with Scripture the authors explore the ways churches can maintain unity in Christ and celebrate the diversity of their membership Addressing a wide range of relevant issues and using practical applications this revised and updated edition re establishes the importance of good contextual Scripture engagement A key resource in helping church leaders encourage people to communicate with God in their own language and to discover that Christ wants to make himself at home in their world
