## **The Gospel Of Matthew Bible Study For Texas:**

Texas Studies in English Texas University, 1928      **Bible Study for Maturing Our Faith** Reverend Father Sebastine Soja Okoye, 2024-07-12 Every generation needs to hear the gospel. However, the situation and circumstance of a place determine how the gospel is to be preached and spread. In our time, there is a need to reach all with the good news, especially the youth and children, using the medium of the print. Taking into consideration the need to guide them properly, this book comes in handy to teach, instruct, and guide them. The simplicity of the book makes it useful. The objective manner of explanation, as well as the questions for discussion at the end of each chapter, endears it to all. This book is recommended for all who want to deepen their faith in the things of God or help others deepen their faith.      A Widow's Prayer Nell E. Noonan, 2015-09-01 Life crises threaten our spiritual stability. Losing a loved one, whether or not you expect their death, is always traumatic. The trauma of adjusting to the new identity of widow while facing a multitude of questions and urgent decisions can be overwhelming. In this book of 60 meditations, Nell Noonan candidly shares her experiences in the 26 months after the death of her husband. She describes her journey in grief as packed with blessings and brokenness. Despite the low points, she managed to find God in the midst of bereavement. Noonan acknowledges that each person's grief journey is unique. My writing is not meant to tell anyone what or how or when to do anything. Noonan says, "The devotions are only meant to be messages that I want to hold your hand, feel your pain, and hopefully we will be able to inch slowly step by step into being more whole, less broken, into new peace-filled life." This book will help widows, whether they choose to read it alone or with a group. A good resource for grief support groups and an appropriate gift to show your concern for any woman grieving the loss of her husband.      **Jesus Up Close** Skip Heitzig, 2001 What does an encounter with Jesus really look like? Heitzig, pastor of a flourishing megachurch in the Southwest, applies his fresh, energetic style of Biblical exposition to show that Jesus meets believers where they are, spirituality changing lives forever.      **A Follower of Christ** Robert Ball, 2019-12-18 Over the last 20 years, it has become chic to use the term "follower of Christ." I have heard pastors stand in the pulpit and ask people to raise their hands if they want to be a follower of Christ. All across the room, hands go up. Those hands are then summarily counted as converts to the Christian faith.      Gospels or Biographies? The Gospels as Folk Literature Ryder Wishart, 2024-03-11 Challenging the widely accepted classification of the canonical gospels as biographies or historiographies, the author argues that they should be classified as collections of folk literature from early Christianity. Drawing on comparative register analysis and re-introducing literary and sociolinguistic insights from the twentieth century, the author challenges readers to rethink the significance of gospels for understanding Jesus's historical context and relevance for modern readers. The gospels are not merely designed to inform readers about the life of Jesus but also to push readers into accepting or rejecting his teaching. It is a must-read for anyone seeking a deeper understanding of the gospel genre and the intentions of the evangelists who compiled them.      *COGIC Annual Lesson Commentary 2020-2021 [KJV-AMP]* Church Of God In Christ
