**The Government of London: the Struggle for Reform** Gerald Rhodes, London School of Economics and Political Science. Greater London Group, 1970      **The Government of London : the Struggle for Reform** Godfrey Rhodes, 1970

*The government of London: the struggle for reform, with a pref* Gerald Rhodes,      **A Bibliography of British History, 1914-1989** Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index      *The Government and the People: a Plea for Reform* Charles WATTS (Secretary of the National Secular Society.), 1873      London Boroughs at 50 Tony Travers, 2015-11-24 It is the year 1965 Mary Quant introduces the miniskirt to society in her shop in Chelsea the Dalek style Post Office Tower is opened and the Beatles play their last ever live UK tour date Most importantly on 1 April a new system of city government is introduced and London's thirty two boroughs are born revolutionising the capital into the place we know today New names had to be chosen councillors elected and policies formed these boroughs and the Greater London Council between them took control of housing roads planning schools and social services Half a century on and though the GLC was abolished in 1986 the boroughs live on now working alongside a new metropolitan government headed by mayors Ken Livingstone and since 2008 Boris Johnson In London's Boroughs at 50 Tony Travers examines the governing system that developed alongside the growing metropolis and by identifying the unique path each has taken over the years tells the fascinating story of how our remarkably diverse boroughs have not only survived but actively shaped both the city and the lives of its inhabitants in their impressive fifty year history

*Struggle, Reform, Boom and Bust* Stephen Howes, Martin Davies, Rohan Fox, Maholopa Laveil, Manoj K. Pandey, Kelly Samof, Dek Joe Sum, 2025-07-31 Since Papua New Guinea's independence in 1975 economic growth has been slow but volatile with major changes in economic structure and policies as well as in politics and governance This economic history written to commemorate the fiftieth year of independence and the first to be produced in some 15 years divides the half century since independence into four periods the relative stability but also early struggles of the seventies and eighties the crises and reforms of the nineties the boom of the 2000s and the quiet bust of the 2010s Two chapters cover each period's major economic policy institutional and political developments The final three chapters provide an overall assessment of economic performance and policies since independence and link them with its politics and institutions The book combines painstaking documentation with original analysis to reveal both the strengths and weaknesses of the PNG economy and theorises that the country's hyper politics and insecurity have combined to produce and are reinforced by a weak but stable state and low and increasingly resource dependent growth Data driven frank insightful and engaging *Struggle Reform Boom and Bust* is written by an expert team of economists from the University of Papua New Guinea and The Australian National

University under the leadership of Professor Stephen Howes Director of the ANU Development Policy Centre It is an essential resource for anyone interested in the economy of Papua New Guinea as well as an important contribution to the literature on the challenges and institutional determinants of post colonial development *The Municipal and Public Services Journal* ,1970-03

**The Struggle for Constitutional Power** Tamir Moustafa,2007-06-11 For nearly three decades scholars and policymakers have placed considerable stock in judicial reform as a panacea for the political and economic turmoil plaguing developing countries Courts are charged with spurring economic development safeguarding human rights and even facilitating transitions to democracy How realistic are these expectations and in what political contexts can judicial reforms deliver their expected benefits This book addresses these issues through an examination of the politics of the Egyptian Supreme Constitutional Court the most important experiment in constitutionalism in the Arab world The Egyptian regime established a surprisingly independent constitutional court to address a series of economic and administrative pathologies that lie at the heart of authoritarian political systems Although the Court helped the regime to institutionalize state functions and attract investment it simultaneously opened new avenues through which rights advocates and opposition parties could challenge the regime The book challenges conventional wisdom and provides insights into perennial questions concerning the barriers to institutional development economic growth and democracy in the developing world Fighting for the Good Cause Gerald Sweeney,2001 Sir Francis Galton was an influential mentor for the educational psychologists who supplied crucial doctrine to American eugenics from 1903 to 1930 Yet the nature of his influence has never been specified The psychologists own claim as to the Galton s contribution that he provided sufficient justification for their absolutist hereditarianism was clearly disingenuous Rather he appears to have functioned as a model for these figures who were informed by their perceptions of Galton s ulterior purposes in constructing eugenics as he did Any of various features in the 45 year long course of that development could have encouraged these particular legatees to appreciate both Galton and his product as surreptitious stanchers of democracy

**The Politics of London** Tony Travers,2017-05-26 Interest in the governance of London has remained high in the years following the election of a London mayor and all the twists and turns of Mayor Livingstone s term of office including struggles with Whitehall and the boroughs Written by a leading authority The Politics of London provides a definitive critique of the politics administration and government of one of the world s leading cities and recommends major changes to the capital s government to address its longstanding crisis of governability **Geographical Perspectives** ,1974 *The Palgrave Guide to English Literature and Its Contexts* Peter Widdowson,2017-03-14 This comprehensive guide to the historical and cultural context of English literature covers the core periods of literature and history from the English Renaissance to the present Peter Widdowson introduces and outlines key terms concepts and developments and provides a series of timelines showing political social cultural and literary events for each year Together this indispensable reference work offers a concise history of Britain for literature students at all levels

and provides readers with the context for any literary work from 1500 to 2000 The Palgrave Guide to English Literature and its Contexts 1500 2000 Overs a wide range of canonical British authors and works but also provides contextualising examples of works from other countries Each chapter focuses on a key period in English Literature and History gives a brief overview of that period and defines the main terms and ideas of the age Contains easy to follow timelines which may be viewed either horizontally or vertically allowing readers to track a chronological history or single out the developments and events of a specific year Political Institutions in Britain Lynton J.
