The Grand Prize And Other Stories:

The Grand Prize and Other Stories Daniela Crăsnaru, 2004 Publisher Description **Who will be queen of the tournament? And other stories** Robert St. John Corbet, 1868 *The sunbeam of the factory and other stories* Sunbeam, 1884 **Who Will be Queen of the Tournament? and Other Stories. [With Illustrations.]** Robert Saint John Corbet, 1868 **The Transformation and Other Stories** Franz Kafka, 1992 Presents a collection of short stories including *Meditation In the Penal Colony* and *The Judgement* **Six Tales of the Jazz Age and Other Stories** F. Scott Fitzgerald, 1960 Presents nine short stories by twentieth century American author F Scott Fitzgerald including *The Jelly Bean* and *Hot and Cold Blood* with an introduction by his daughter **The JimmyJohn Boss and Other Stories** Owen Wister, 2018-04-06 Reproduction of the original *The JimmyJohn Boss and Other Stories* by Owen Wister *The Devil's Church and Other Stories* Joaquim Maria Machado de Assis, 2010-07-22 The modern Brazilian short story begins with the mature work of Joaquim Maria Machado de Assis 1839 1908 acclaimed almost unanimously as Brazil's greatest writer Collectively these nineteen stories are representative of Machado's unique style and world view and this translation doubles the number of his stories previously available in English The stories in this volume reflect Machado's post 1880 emphasis on social satire and experimentation in psychological realism If he had continued to produce the moralistic love stories and parlor intrigues of his earlier fiction Machado's legacy would have been an entertaining but inconsequential body of work However by 1880 he had begun a devastating satirical assault on society through his fiction In spite of his ruthlessness Machado does at times reveal an ironic sympathy for his characters He is not indifferent to human conflict but uses humor and irony to stress the absurdity of these conflicts acted out against the backdrop of an indifferent universe Such a spectacle creates a sense of helplessness that can only inspire wistful amusement In his technical mastery of the short story Machado was decades ahead of his contemporaries and can still be considered more modern than most of the modernists themselves That his stories elicit such strong and diverse reactions today is a tribute to their richness complexity and significance

Making Love While Levitating Three Feet in the Air: and Other Stories Jeff Fearnside, 2018-06-28 *Making Love While Levitating Three Feet in the Air And Other Stories*'s 13 short stories are linked thematically by the recurring idea of flight in its various definitions and senses The characters are sometimes in flight from their situations sometimes from other people sometimes from themselves Stories range from contemporary to historical from realistic to magical realist The known and the unknown often blur as the characters struggle to understand the unseen forces that move them Ultimately the crises that all the characters encounter are psychological or spiritual in some way however each may define that as the title of the collection suggests the characters find themselves levitating somewhere between their deepest desires and an exquisite and terrifying nothingness No one in these stories wins in the traditional sense there are no tidy answers But the stories are subtly life affirming in how each character deals with the difficulties of life Each learns something about himself or herself

however fleeting that knowledge may be however small a step forward it inspires Life isn't static and neither are these people

Krishna's Jaunt and Other Stories S M Sundaram, 2016-10-14 The collection of stories in Krishna's Jaunt and Other Stories is a blend of fiction and fantasy. While most of them deal with human emotions and human reactions to different sets of circumstances and situations, quite a few deal with gods and goddesses who, despite their supernatural powers, display human emotions and reactions. At times, they too commit blunders that lead to hilarious situations. Besides the gods and goddesses, there are sports like cricket and soccer, and a couple of stories are woven around them. Animals like the dog and the squirrel too find a place in the stories where they play vital roles in apprehending criminals. Amongst the stories are a few involving men of high principles and who are a role model for others. With romance being the main theme in most of them and with humour interspersed here and there, the stories make for an interesting read.
