Their musical combination of the elements of rock, blues, jazz, and country was hugely successful and continues to stand the test of time. Filled with more than two hundred captioned images, this new book chronicles Weston's collection and other items of The Allman Brothers Band memorabilia from 1969-1976. Weston and Perkins discuss in detail the various categories and aspects of band collectibles from that period. The book not only highlights individual collectibles but also explains where to find them and how to preserve them. Included are band instruments and equipment, t-shirts, apparel, and merchandise, autographs, bookkeeping documents, passes, posters, tickets, programs, promotional items, vintage photographs, and more.
