**The Great American Baseball Card Flipping, Trading, and Bubble Gum Book** Brendan Boyd, Fred Harris, 1982-04-01     **The Cooperstown Symposium on Baseball and American Culture, 2011-2012** William M. Simons, 2013-01-17 The 2011 2012 volume in the Cooperstown Symposium series is a collection of new scholarly essays that use baseball to examine topics whose import extends beyond the ballpark The essays represent 16 of the leading presentations from the two most recent proceedings of the annual Cooperstown Symposium on Baseball and American Culture held on June 1 4 2011 and May 30 June 1 2012 The essays are divided into six parts Baseball History Myth and the American Past considers the distinction between reality and remembrance Decade of Transition The 1960s in Baseball and America explores a critical passage in the evolution of the nation and the game Baseball Economics Owners Profits and the Public provides perspectives on sports as business Out of the Bleachers Women Umpiring and Playing links the game to those who participate and care about it despite the expectations of atavistic gender roles Casting the Game Stage and Screen examines theatrical and cinematic treatments of baseball Part 6 Game of Numbers Statistical Baseball examines the sport and its artifacts quantitatively     **It Ain't Over 'Til It's Over** Baseball Prospectus, Steven Goldman, 2007-08-01 Pennant races are arguably the most important aspect of baseball Players teams and franchises are all after one goal to win the pennant and get into the post season But what really determines who wins Statistical analyses of baseball abound different ways of breaking down everyone s individual performance from hitters and pitchers to managers and even owners But surprisingly team success what makes some teams winners over an entire season has never been looked at with the same statistical rigor In It Ain t Over Til It s Over The Baseball Prospectus Team of Experts introduce the Davenport Method of deciding which races were the most dramatic the closest the most volatile and determine the ten greatest races of modern baseball history They use these key races and a few others to answer the main question What determines who wins How important are such things as mid season trades how much a manager overworks his pitchers and why teams have winning and losing streaks Can one player carry a team Can one bad player ruin a team Can one bad play ruin a team s chances This fascinating and illuminating book will change your perception of the game     **100 Things White Sox Fans Should Know & Do Before They Die** Bob Vanderberg, 2014-04-01 A list of essential knowledge and experiences all fans of the Chicago White Sox must know and do in their lifetime this book covers the team s long history all the way through the 2013 season Most White Sox fans have taken in a game or two at U S Cellular Field have seen highlights of a young Frank Thomas and remember the team s 2005 World Series championship But only real fans remember which player once took his pants off after sliding into first base can name the opposing outfielder who was showered with beer during the 1959 World Series or remember who hit the most home runs onto the roof of old Comiskey Park This is the ultimate resource guide for true fans of Chicago s South Side team whether a die hard booster from the days of Billy Pierce or a new supporter of Paul Konerko and

Chris Sale      **The New Bill James Historical Baseball Abstract** Bill James, 2010-05-11 When Bill James published his original Historical Baseball Abstract in 1985 he produced an immediate classic hailed by the Chicago Tribune as the holy book of baseball Now baseball's beloved Sultan of Stats The Boston Globe is back with a fully revised and updated edition for the new millennium Like the original The New Bill James Historical Baseball Abstract is really several books in one The Game provides a century's worth of American baseball history told one decade at a time with energetic facts and figures about How Where and by Whom the game was played In The Players you'll find listings of the top 100 players at each position in the major leagues along with James's signature stats based ratings method called Win Shares a way of quantifying individual performance and calculating the offensive and defensive contributions of catchers pitchers infielders and outfielders And there's more the Reference section covers Win Shares for each season and each player and even offers a Win Share team comparison A must have for baseball fans and historians alike The New Bill James Historical Baseball Abstract is as essential entertaining and enlightening as the sport itself      *Principles and Practice of Sport Management* Lisa Masteralexis, Carol A. Barr, Mary Hums, 2012 Club management      *Expertise, Communication, and Organizing* Jeffrey W. Treem, Paul M. Leonardi, 2016 Expertise is an intriguing construct Though it is highly desired it is commonly characterized by exclusivity or being something esoteric making it both seemingly difficult to acquire and understand This opaqueness surrounding the nature of expertise in organizational contexts is coupled with greater demands for specialized work and employees increased reliance on communication technologies to complete tasks trends that further complicate the evaluation of workers knowledge and abilities This volume draws upon original works from scholars of diverse backgrounds to explore how recent changes in the structure of organizational life have altered the nature of expertise Specifically this book aims to challenge the perspective that organizational expertise exists to be recognized and utilized and offers an alternative lens that views expertise as emergent and constituted in communication among organizing actors Examining the intersection of communication and expertise within and across different contexts of organizing offers new insights into the discursive material and structural influences that contribute to an understanding of expertise This book offers a comprehensive view of organizational expertise by presenting theoretical frameworks for the study of expertise providing reviews of how the study of expertise has evolved applying perspectives on expertise to different domains of organizational practice and presenting new directions for the study of the intersection of expertise communication and organizing The result is a treatment that considers expertise in diverse forms and across a variety of contexts of organizing and in doing so provides valuable content to researchers from multiple disciplinary backgrounds      [The Forgotten Marlins](#) Sam Zygmier, 2013-06-06 The Forgotten Marlins pays tribute to the original Miami Marlins of the AAA International League bringing to life one of the most colorful and flamboyant teams to play in baseball's minor leagues During their five years of existence the Marlins featured prominent personalities such as eccentric manager Pepper Martin zany Mickey McDermott and maverick promoter Bill Veeck Including
