## **The Great American Sapphire:**

The Great American Sapphire Stephen M. Voynick,1985      *Yogo* Stephen M. Voynick,1987 To the surprise of many the United States has emerged as a commercial source of what some gem experts consider the world's finest sapphire. Equally surprising is that the entire production of the gem comes from a little known Montana mine named Yogo. *Yankees & Rebels on the Upper Missouri: Steamboats, Gold and Peace* Ken Robison,2016 During the 1860s the Missouri River served as a natural highway through snags and rapids from St Louis to Fort Benton for steamboats bringing Yankees and Rebels and their families to the remote Montana territory. The migration transformed the Upper Missouri region from the isolation of the fur trade era to the raucous gold rush days that would keep the region in turmoil for decades. The influx of newcomers involved its share of dramatic episodes including the explosion of the Chippewa triggered by a drunken crew member, the mystery of the fugitive James Younger gang and Colonel Everton Conger's journey from capturing John Wilkes Booth to the Montana Supreme Court. Acclaimed historian Ken Robison reveals the thrilling history behind this war weary wave of migration seeking opportunity on Montana's wild and scenic frontier.      **The Coming Man from Canton** Chris W. Merritt,2017-08-01 Christopher W Merritt combines and highlights the historical and archaeological records of the Overseas Chinese experience in Montana beginning with the arrival of Chinese immigrants in 1862 to the repeal of the Chinese Exclusion Act in 1943. Provided by publisher      Rockhounding Montana Montana Hodges,Robert Feldman,2015-10-15 With this informative fully updated and revised guide you can explore the mineral rich region of Montana. It describes the state's best rockhounding sites and covers popular and commercial sites as well as numerous little known areas. This handy guide also describes how to collect specimens, includes maps and directions to each site and lists rockhound clubs around the state. This is truly a complete guide to popular collecting sites in Montana and source book brimming with advice that can be of use to both the novice and the experienced rockhounder.      **Great American Hypocrites** Glenn Greenwald,2008-10-07 A takedown of the GOP's deceitful propaganda machine from the blogger of Salon's Unclaimed Territory and the author of the New York Times bestsellers *How Would a Patriot Act* and *A Tragic Legacy*. Ever since the cowboy image of Ronald Reagan was sold to Americans the Republican Party has used the same John Wayne imagery to support its candidates and take elections. We all know how they govern but the right wing propaganda machine is very adept at hijacking debate and marketing their candidates as effectively as the Marlboro Man. For example Myth: The Republican nominee is an upstanding regular guy who shares the values of the common man. Reality: He divorced his first wife in order to marry a young multimillionaire heiress whose family then funded his political career. Myth: Republicans are strong on defense and will keep us safe. Reality: They prey on fears and their endless wars make America far less secure. Myth: Republicans are the party of fiscal restraint and small limited government. Reality: Soaring deficits, unchecked presidential power and an increasingly invasive surveillance state are par for the course. The first book to dissect the Republican Cult of Personality and leave it

openly exposed in its unabashed shameful depravity Great American Hypocrites is a deeply necessary call out to Democrats to attack the GOP with their competitor's very own weapons Praise for Great American Hypocrites Intelligent insightful Daily Kos Glenn Greenwald has done it again Alan Colmes Glenn Greenwald is a treasure BuzzFlash **The Mineral Industry, Its Statistics, Technology, and Trade ...** Richard Pennefather Rothwell, Joseph Struthers, David Hale Newland, Edward K.
